Veerupaksh Singla : Ade bro! First year me yaad hai exam time me tut solve karte hue random hawa me kile banate the. Refugee area ko swimming pool + club me convert karne ka sapna, sapna hi reh gaya. Rajguru ki chugli karna milke, sameer hill, dr strange, birthday celebrations, gpl na lene waala pact 🙌. Recent wo raat wali party to yaad rahegi. 6 ghante lagatar nache the aur besura gaaye the, pure wing ko sone ni diya. 🤔👤. Dedicated to tu hai hi kaafi, best of luck!

Karan Kothadiya : Basketball has been so much fun with you Viru, be it insti teams or IBP Cavs. I know I pestered you a lot for coming to practice in the 1st year, which you didn't :p but you took off from your 2nd year despite the way you were shouted at by almost all the seniors. You took it in stride and grew a lot as a player and for that I respect you brother! Best of luck going ahead Viru, stay in touch :) Love, K
