Devyani Verma : Hello best lab partner ever! How are you so cute yaar 😂 and itna kaise thoos leta hai! Tbh mujhe ek aur treat dene ka man hai tujhe because that H18 order didn't really do enough justice! Also, you're the ONLY one jisko mujhe agey se treat dene ka man hota hai so you better feel honoured. All the best for your future motu 🍷

Ritesh Kumar : Bate <3<3<3<3<3 Tere jaisa roomie mil hi nahi paayega mujhe. Painlessly mujhe bear karne ke liye dhanyawaad _/__. Tujhe yaad hoga convo treat se laut kar ek senior ne gyaan diya tha ki apne aas paas ke logon ka dhyaan rakha karo and tune mujhe room me aake yehi remind kara tha, paani bharkar laane ke baad. Fir poora sem CS go me chilla ke mujhe sone nahi diya xD. Btw mai bhi taale infi gumaya hun, tujhe bohot baar uthana bhool gaya hun, khel ke aakar tere bed pe leta hun. Poore time kya royain hain saath me apan exams ke raat, ultimate give up. Tere bhai ke saath waali party to ultimate thi. And cheers to the purple Matheran. Ab abroad hi bas jaayega kyaaaa.

Sarthak Nijhawan : Bate! Kya bolu mei tere baare me bc yahan bas 700 words mei. Jitna research meine tujhpe kiya h, lyf mei nhi karunga mei! Book likh sakta hu mei -itna predictable h ab tu. Bhai itna alsi aur indecisive insaan aaj tak nhi dekha meine. U're the perfect embodiment of "Go with the flow". Damn, u're lucky! Every f**kin' time u'd sail thru tough situations as if nothing happened at all. How could one not change a single bit since freshie yr? Aur, EE 112- bhai _/_!!! But srsly, had u asked me back then, on any of those days, I would've never changed a single bit about u, man. Just stay the way u're & keep in touch (wo bhi hume hi karna h waise to- bc itna alsi h). Peace out!
