Music Club

Ananay Garg : Hrithik bro, tu bhai hai. First year mein woh GTA sesh se last year ke stuff sesh - mazedaar insaan hai bro tu. Craig Ferguson, ITSP, fuck all that - BRO TERRACE HOUSE! I kid you not there still are days when i just want to sit in your room and hear you play sweet sweet Neon ka intro. Apni personality kaafi match karti hai - woh humne apne sesh mein dekh hi liya tha. One other thing that i want to say real quick - love the way you changed yourself on your own. Bitter-sweet but solid memories. Take care brother. Khush rahiyo bro. Kabhi ladki mile toh batana xD

Edwin Saji Uthuppan : Dude, hanging out in your room was so much fun healthy boi. I could only understand half of what you guys were saying and i still had so much fun. And you are the LUCKIEST BASTARD EVER! Like how? I am gonna take a strand of hair from you and sell it as a lucky charm. Keep in touch man and I want you to rock it bons!
