Rahul Manglik : Tu chahe UN ka Gen Sec hi ban jaye, rahega toh apna PP hi <3. Nuff said. Stay Cool!

Ayan Choudhary : Itna same same life vyateet ki hai(insti k pehle, during btech and ab baad me bhi :P), sale koi kyu na apan dono ko twins manega. You are a nice person because you forgive each and everyone. And me terese bolta rha ki fight club khelte hain but kbhi ho nhi paya lol.....Kya karu darr lagta mureina se katta lake udva to nhi dega tu aakhir hai to baaghi aadmi xD And yes man I cherish each and every memory that we have made. Coke ki intern me tere sikhane se interview and GD macha diya tha mene thodaa sa lulz. Best memory I had with you- Bhava ki chaddi-fight and 'Aashiq banaya aapne' ki screening :P b'lore me bhi sath me chick flick genre dekhte rhenge aur kya bindas bike me gediyan marenge

Riya Singh : Hello PP!!! I have limited interaction with you. Things I remember is freshie year dept trek and everyone teasing you for KS and encouraging you to finish KP. 3rd sem disassembly presentation me jis tarah se tmne mujhe help karne ke liye washing machine ka part uthaya tha - it was really a very considerate action and showed that you care for your teammates. Isi tarah final year Kurta Day ke din jab mujhe and Anu ko alag kar diya gya tha ek friend photo ke liye and you called us to join. These 2 action of yours has created a very good image of you in my eyes. I wish you all the best for your future!!!

Nitin Tiwari : Bhai, you made the NSS tenure truly memorable and fun! Learnt a lot from you. Hope this friendship continues for years! Aur haan wo philosophical batein hoti rahengi...

Mudita Rana : PP!!! I'm sure you don't regret that last minute, late-night decision you made to not attend the function in third year summers. Warna woh trip kaise pull off hoti? 😂😂 Infi mazaa aaya yaar sabke saath in gurgaon. And during the tenure. We almost always had the same opinions about people around :p thanks for all the good times. Stay in touch ♥

Anirudh Singhal : PP the BCBzz definitely wouldn't have been the same without youu <3. The thing I like about you the most is that you took (almost xD) everything that happened these last four years sportingly <3! Hagna matt zyada Bangalore main nahi toh beastu marega xD

Aayush Sahu : Pp boii, We all appreciate your smooth skills man even though kbhi kbhi boht ganda hagta h. But you always know how to motivate us man and not to forget the big learning we had from your life😊. Keep walking n talking xD!

Shubham Punjabi : Aniket boi! We were the dream team of Aero+mech jinhone bohra ke database use karke infi univ crack ki (jk)😂. I will never ever forget your dance in our first HO. Always stay the fun guy you are!

Drish Mahnot : First introduction was when Viral said "Bhai roommate change karna padega, tu aaja, PP to PP hai" PP heartbeat ban gaya tu BCBzz ka, so much that Viral refused to later change :P Wingie since a few years, always fun to hang out with :D

Parth Solanki : Pp bhoiii !! Jab pehlii baar milaa tere se tabhi ek gut feeling type aa gayi thii isake saathe to kaafii zyaada jamegii xD !! Apni Lonavala trip fir teraa Navsari aana tere bachpan ki fb post aur oyo ki stories hameshaa yaad rahegi xD. Aur aakhir me kaafi pyaara insaan h be tuu I am glad that you exist 😊

Phuntsog Wangchuk : Teri sehenshakti ki kya daad du. Teri itni li hai hum sabne but phirbhi tu hasta raha, mai sochta tha bande mein kuch defect hai. Phir pata chala tu Morena se hai, that explained a lot. Kabhi kabhi sochta hu teri tareef bhi kardu but then tere ICs waale group mein izzat to hai hi, to teri humility ke khaatir beizzati hi sahi. Aise hi hasta reh, tera soulmate Ayan to hai hi tere saath aage.

Sannyam Khandelwal : PP! Tu bahut bade dil wala hai yaar. Itna sab sunke bhi kaise hass leta tha be? Tu tha isliye, BCBzz tha. Tujhe and tere kisso ko kafi miss karunga. Life mai aage ese hi machate reh and haste reh xD and stay in touch!

Abhijeet Banthiya : Aniket bro ! From being from the same state to being neighbours in final year, I got to interact with you a lot. You are very kind, and although you don't show it you are quite emotional (ref: Manali trip). I have seen and truly respect your dedication towards your goals be it for coding, placement prep, learning guitar or to finish Mahabharat xD. Thoda bas giveup kam karaya kar :P. Stay blessed bro ! All the best for all your future endeavors. :D

Laveena Garg : Hey aniket, u have been really very helpful throughout my IC tenure. (I used to think ki ab kya kru...then i used to call u aur tu ek second me bta deta ta ki aisa kr aur chill maar) And one more good thing is ki tu bhaut excited rehta h cheejo k leke, i told u something, now you will ask a lot of questions ...yaad h ek bar mess mei breakfast karne aaya ta...2 ghante wahi baitha ra ta aur bolta ra ta...chl byee, ab Bangalore mei milte h

Yash Shrivardhankar : BCBzz ki lifeline hai bhai tu. Inner strength ki misaal! Kaafi jhela yaar tune group ko, now take a bow. Insane respect for the game you introduced us at Manali! Uss game ne Valfi ki saari kami पूरी kar di. Aur waise bhi teri Valfi poore 4 saal chali hai xD. Agar mai group mein kisi ko khud se jyaada extroverted maanta hoon toh woh tu hai! Aise bakchod neighbors kab milenge bhai ab? I guess me and bokri will have to take the wheel from CR and Somu, warna Bangalore aake teri lene ka tradition carry kaun karega? Ye yearbook ki tarha teri dictionary bhi chapwani hai! Ab bahut ho gayi yaar bekhayali, Bangalore jaake Mohan kar lena. Baki random talks toh hoti hi rahengi <3.

Apurva Chavda : PP Me abhi bhi kahunga tera naam rakhne ki sharuat was fault of IITB WIRELESS. Han uske baad vale saare naam ka blame I am taking. I know you are at the top of list of people jisko mene pareshan kiya hai, sorry for being pain in your ass for these years. But out of all you were the one I respect and loved the most. And insti me you were the only person too whom I could talk without any hesitation. I would miss you the most PP♥. Aur han teri maarna bandh nahi hoga vaise T-shirt vala chalu rahega mera aur bakri ka. Aur vo kaan me fufusana. Random jagah jana, late night walks and h6 roof talks will be missed PP.

Aman Mishra : PP boiiiii! BCBzz ki jaan<3 Thanks for being such a sport! Baddy me pro _/_ Yaar apna guitar ka sapna to adhoora reh gaya :'(Gully cricket was lubb <3 Specially tera vo underarm action XD. Sorry Bhai bohat doubts puche tujhse, but tune PoR hi aisi li thi ;) Bada dildaar hai tu, hamesha aise hi rehna. Looking forward to new additions in your vocabulary. Baaki tere "rough" uncle encounters batane ke liye beastu to hai hi XD Ola aur aage life me bhi machate rehna!

Pragun Badhan : Pp you undercover stud nobody knows the actual number of lady frens you have. With great power comes great responsibility, hence your intense 2am bekhayali cause of all the girls. Hope the future you finds even greater things keeping you up late at night. I can't think of any time with you I wasn't having fun. Thank you for all the memories xx

Somansh Chordia : pp bhai (i mean it for you)! Maine shayad akele bhi itna time spend nahi kiya jitna tere sath kiya. Tu itna honest and genuine hai ki kabhi bhi sochna nahi pada tere se kuch share karne ke pehle. And 2nd year me toh hadd kar di thi humne xD. We have had our share of fights, mostly me being at fault, but thanks for being patient and teaching me valuable lessons at the right time. News of our internship together was one of the happiest moments. I didn't expect you to bear me for those 2 long (which now seem short) months. PPO (in a way pehli naukri) wali treat will be closest to my heart and I'm glad I had you with me. SASS and its trips. This friendship is my most precious takeaway <3

Viral Shah : Bhai Bhai Bhai !!! Tere aate he BCBzz me muskurahat fail jaati hai. Kitni bhaithak bani hai apne room me. Bohot buckchodiyaan ki hai apan ne saath me. Bhava aur somu ke saath roomie roomie khelte rahe. Kisi bhi situation me adjust karke aage kaise badhe koi ter se seekhe bhai. Dil ka bohot mast aadmi hai tu. Sorry tujhe roz subah jaldi alarm se utha deta tha mai. Koi aaur galti ho gayi ho toh bhi maaf kar dena bhai, baki toh bas duaon me yaad rakhna

Arya Mithu Garg : Bhai kaafi chill banda hai tu, and accha hai easily offend nai hota. Bot sexy discussions hue hai apne to :P Lonavala me yaad hai mujhe specifically and looking forward to some more bhai. Humesha hasta rehta hai and comeback karne ki koshish karta hai :P I will miss mafia and PO with all you guys, It's good to have a friend like you

Rohan Potdar : Aur stud, tinder kaise chal rha hai?

Pattisapu Divya : You belong to a unique species called the cruelzos. On any and every instance, one can see a cruelzo harbouring long discussions with his fellow cruelzos about 2am topics, analyzing facts of life and discussing the most recent gossips with a glint in his eye. Funnily, cruelzos make lots of friends and forget old ones. It's always fun playing a game of chess or taking a short walk with them, for they promise the most interesting conversations and are best at entertaining their intended audience

" I will regret that we couldn't hangout much. Stay in touch man!!

Bohra Ankit Narendra : Bhai...humesha haste rehne wale insaan. I guess woh dono sessions during the tenure humesha yaad rahenge..one with hardly any crowd and other with full packed crowd. As DPC bhi humesha help karne ke liye thanks. You were a great Co. Stay in touch! All the Best!!
