Patel Sayan : You are one of the few people who are passionate about H4. You are what makes H4 worth it. The amount of contribution you did to H4 sports is just remarkable. Hostel ke aakhiri saal me mujhe bhot iccha thi hostel ko kuch dilane ki but well, corona. I still remember that 6-1 game aur fir aage bahut games me sathme anti cheering kari hai. Corona ke baad wapas jayenge before they break the hostel. H4 H4!!

Kale Ninad Naresh : Hey Bro.. first of all thanks a lot for always knocking my door on vishakha's msg. Bro honestly agar teri jagah me hota toh i would have been irritated. Massive respect for this bro.. TBH chichore movie me hero ko dekhe teri hi yaad aati hai hamesha. Next level senti tha tu bro apne hostel ke liye. Tu nahi hota toh crossy me 60-70 log aise hi kam ho jate. Bro tera placement hamesha yaad rahega jaha ha, pehle interview me hag rahe the sab waha tu fodke aaya tha. I am sure after every fight in rel teri yaad ayegi mujhe.. again Thanks buddy

Ankit Raj : Bhai tere jitna senti towards H4 sayad hi koi ho. Hmesa bas kaise hostel ko jeetaye. During tenure tere se kaafi cheeze sikhne ko mili and I always appreciate your input. Groundwork se leke hockey basic camp karana, her game me jaake cheer krna or kabhi kabhi dhire se dandi mardena. Yaad aayenge yeh pal, specially Crossy ke baad ka moment. lakin apni treat pending reh gyi, mauka mile to kabhi challenge. Be in touch bhai .. will meet soon.

Pujan Biswas : Hello news reporter cum athlete. Bhai aapki athletic skills and enthu se hi poora H4 chal raha hai, baaki uss hostel ka kya rakha hai XD Hockey mai goal tumne maare kya? Sach batana. Waise. humesha respect ke saath baat karne ke liye thanks. 8th floor pe kaafi interact kiye they, AE102 toh best presentation tha definitely! H4 mai bhi masstt discussion hua tha yaad hai CP ke saath. Yaad rakhna bhai humein. Yours, Bisso!
