Veerupaksh Singla : Rajat Kadam meri jaan. Kaafi eventful tenure tha, kaafi kuch seekha tere saath rehke. Aisa kuch bolne ko bacha nahi jo tujhe pata na ho :-). Baaki to humne tere liye kiya hi kya hai :-p

Aayushman Mishra : Oo bhai Tennis court par to na dikhe par yaha milgae :P Every match against you was so much fun dude. I still remember the afternoon loong one (selections) which was one of the best i had in my insti life. Hope to see you sometime soon, REMATCH!

Namya Bagree : Tennis days and all the drills really got to us in the first year!! But then we would spend nights during elections to condition the insti! And random nights in autos😂 And finally the machine design project where we increased the problem statement with our solution! Always been a fun time😁

Chirag Singhal : Yaar vo Star India ke office waala din kya epic tha.. Kitne high hopes the, SRK ka TED talk Karenges summit mein..lol. Since that day till today I'm glad we are still connected so well... Aur to Kya hi likhu... Ab bas AbInBev se supplies bhejte rehta regularly....

Kushal Agarwal : Kadam! Aj yeh likh pa raha hu kyuki tu sath mein tha. Pichle do saal tere bharose hi nikale hai, tu na hota toh aj Mechanical Engineer na hota. Har exam se pehle padhana, beech pahad mein atke gaadi ko nikalwana, aur life ke har galat kaamo mein sath dena, yeh sirf tu kar sakta hai. Koi bhi plan ho, tu humesha sath hota hai, and isliye itni saari yaadein judi hai. Par yeh toh bas zindagi ki shuruaat hai, abhi toh kaafi lamba safar teh karna hai! (Bas teri Ehsaan Faramoshi humesha yaad rahegi :p @veeru @parag)

Aditya Patki : Insti ke pehle din se lekar aaj tak infi chize share kari hai. Tera first year ka E-Cell craze, treats, apni dept trip, phir tera mere aur Anmol ke saamne rona about inter iit and manager post and common midsem prep in comp room. But sabse jyaada maza aaya placement prep me bro. We used to go absolutely clueless at times and have sat for hours trying to figure out the case. Yaar, ek last trip reh hi gayi wing waalo ki....some other time, I hope. All the best!!

Swadha Sanghvi : Hey Rajat! I miss those freshie year walks and NSO sessions where we bonded a lot! I still can't forget the satisfaction on your face when you were teaching me all the abuses, well glad some things happened. Hope to see you soon and ek last time tennis ho jaye!

Shruti Iwanati : I will miss drunk Rajat more than you sorry :P Pune mein srf tu milne aya with Rajama Chhawal <3. We went through a few torture lectures of CMAP and E-Law together (jisme tu pel kr soya hai). Going through over old conversations, you were one of the closest team members I had.

Tanmay Garg : Jaaneman, peecha nahi chodega na tu kabhi mera kamine. :p Bro I would not have imagined in my wildest dreams that both of us would end up here (because of my poor skills ofc). But yes, it surely has been a roller coaster of a ride. And I for sure know it doesn't end like this. You know it too, we will always stay connected no matter how much we end up hating each other :p I also don't regret not having spent enough time with you in insti coz e-cell made you mad lol (JK). I hope we do end up in same company or start a business together some fateful day :p Cheers!

Kushal P Yadav : The biggest takeaway of our intern together is that I have to pay you 40 bucks, and I don't know how to :p

Navoj R : Although we were wingies, utna interaction nhi hua tha apna, ig I should blame myself coz I was introverted. Ecell brought us closer. I vividly remember, when we had to conduct Envoyage at a college and went to a completely different address all the way to SoBo. Anyways, it was great working with u. Bangalore mn milte rhenge ab. Corona played spoilsport, else we could have gone on more road trips. And for the last time, stop blaming my driving skills, it was the damn car. Lol

Animesh Singhal : Rajat bro <3! Better late than never I had a great time with you in the final year! Those placement prep sessions, 2 redbull maarke diye hue deadly midsems, life discussions, speculating placement, dating discussions :P Tension mein life pe charcha karne ke liye aur padhane ke liye thank you bhai <3 Kya mast chill banda hai tu, koi tension nahi life mein. Aise hi rehna, fod dega life mein! Sab normal hone pe ek trip toh banti hai :D

Parag Mundhada : Kadam!!!. Food partner. Leopold cafe yaad hai <3. Kafi kuch sikha hai tere se! Jitna bhi bewakoof tu ho but tu kafi sincere hai and tere work ethics kafi jyada sahi hai! Summit ke samay ki awaaz toh nahi bhulne wala mei kabhi bhi 😂. Tune kafi guide kiya hai merko lfe mei and I hope aur karta rehenga. Bangalore se aate rehna milne vaise bhi tu bohot ameer hai! Tera kafi rona suna hai humne but humne kiya hi kya hai tere liye 😊. To the best CR + Pseudo CR team ever ♥

Shubham Anand Jain : Hi Rajat! You are one of the most hardworking people I've seen, and you helped me throughout E-summit '19. Thanks for being so awesome and all the best for what's ahead! :)

Sumit Singh Yadav : hello summer roomie you were only one in the team whose driving didn't scare me. PS: condoms show off karne ke liye table par sajaa ke nahi rakhte, keep it somewhere hidden

Aayushi Pankaj Agrawal : One of the reasons that inspired me towards E-cell, Rajat I've always trusted you to say the truth and give an honest opinion about anything and everything! Also one of the most amazing and fun person I've ever met! Easily one of my favourite senior 🧡 Thanks for being there always, bas thodi gossip dena start kardo 😊

Jyotirmaya Mahanta : Rajat! 🌈 Amidst deep discussions I realised we think a lot alike although we react/respond a lot differently. Kaafi sensible. Kaafi sensitive. 🧠 It's really admirable how you always keep striving for a better self.♥ But don't be so hard on yourself all the time. 🧠 Abinbev ki video k liye bahut help ki 🙏 Kese phati thi teri jab mai gaadi chala raha tha trip par 😂 Khush reh aur ese hi good news dete reh. Jordi lobs you ♥

Sanskriti Shah : Aayee Chomu..First of all tu maan le ki rotu h tu...! 1st yr ki wo night out yaad h, hm sab sameer hill gayethe ..and then boat house, wo raat ko 2 baje main gate waali chai, wo apne walks..jab hm umang ki udate the :p. Ekdam sweet, sensible, and mature. I still remember that day jb tum teen agaye the to motivate me just cuz i was anxious ldk tm logo k bina kuch ni h insti life. Tera exam time pe rona and then sabse zyada score krke laana...is baat pe hm log hamesha chidhayenge teko :p . I am not yet ready to say goodbye to you all. Rotu...apan ko to abhi aur bhi trips karni h! aur bhi hangout karna baaki h!

Anmolpreet Singh : Apna pune wala bro!!!! Kafi bura laga tha apan ko jab tum log nhi aa paye hamare wing me 2nd year me. Par chalo koi nhi! Abhi bhi yad hai mereko jab tere saath 1st year me mai tennis seekhne gaya tha aur tune mere aankh pe racket mar diya tha! XD those were just memories! Maybe that made us more closer XD. Pure 4 saal saath me lab nikale hai. Tera non core ka enthu, endless tips yaad ayenge. Aur mereko daru pilane ki teri ful koshish kabhi safal nhi ho payi, uski ham kadi ninda karte hai. Pure 4 saal kaise saath guzre, pata hi nhi chala. Ek wing trip to hamari pending hi hai, vo bhi krenge zarur! Love you bro!

Milind Vijay Chandnani : The guy to whom I can trace back almost all my bad habits 😊. One of the most amazing senior I'll ever interact with for sure. Bro thanks for being there and believing in me even when the things were not looking favorable. Future mai bhi BT deta rahunga toh uske liye abhi Sorry bol deta hu. P.S: Daman ki trip yaad hai na 😂 and wapis kab plan banana hai batao

Rashi Gupta : Brrooooo!!!! I remember our first meeting during Summit'17. And your creepy smile back then, which hasn't changed much 😊 How I miss those CR+Rashi bakchodi, specially our times at sunny and appetite!! Now that you're such a good driver, better make use of your skills and drive to Mumbai to pick us up for many more road trips!!!

Vedarth Choksi : Rajat Bhai! 11th se friends hoke co-managers tak and ab sath me IIMA bhi jayenge 😂. Mujhe lag nahi raha apna peeche chutega ek dusre se anytime soon 😊. Drunk hoke harr treat me ek baar toh hug karke bola hai ki tu meri jaan hai. Fiitjee ke time ke saare wierd photos hai mere pass. I wish apan same hostel me hote the. I really admire your work ethics and how you can do so much work in less time. Tu pakka machane wala hai aage bas thoda kaam bt lete ja in general. Kaduuuuuu 😊

Vardhil Mehta : Rajat. Bhai, first and second yr me kafi ku6 "knowledge" diya h tune mujhe warna tujhe to pata hi h ki mujhe kya kya Google karna padta tha! (I guess vo pic abhi bhi tere pass h.) (:P) Fir ITSP k time pe tum logo ko H5 k 6ote rooms mile the aur me H2 k box room me akela rehta tha. (:P) Aur ITSP me jo give up hua tera core se hi give up ho gaya. (XD) First yr me teri B'day k din Patki k room me baith gaye aur baatein karne lage tu bola tha ki "Ese hi toh bonding hogi". Hamesha khush rehna aur ese hi machate rehna!

Pattisapu Divya : You're one of the few, who've aced the subject on human psychology. How do you know exactly what to talk/ joke about with someone, exactly what they'll enjoy! I've enjoyed the time the five of us spent together thoroughly, every walk and every treat. Then you guys became ecell managers and became forever busy, grr. Say hi to Purva from my side. I'll miss you !

Kosuri Sandeep : Yo Rajat!! Our major interaction happened during the eureka work. I know the amount of consistent work you had put in to rise the bars of your portfolio. I wish we could have played some tennis matches as we had always planned to do so. I guess, you are the only guy in the team jiska CPI tenure mein badi. Aisa hi machate rehna. Milte rahenge!!

Mukul Jangid : First year NSO se lekar placement tak tu mech ke unn kuch dosto mein se hai jo humesha saath rha hai. First year ka Chilli's and dept trip toh bohot amazing tha tere saath. Also tere room pe kari saari case prep was super fun (hope meine jyada sataya nahi hoga tujhe 😊). Pta nahi kyu tujhe 3rd year tak lagta tha ke mein machata hoon but now I hope meri harqatein dekhke tere views change ho gye honge. Humesha touch mein rehna bro 🍷.

Praveen Saran : Ye photo mai bhi fake attitude xD. I'm glad to work in a team jisme tere jaise log the. Respect for your dedication to whatever you do, be it tenure or placement prep or anything else. Phle tenure fir placement prep. and now.... Abhi to apne ko lambe time tak sath mai kaam krna hai (iykwim). Ab to bda aadmi ban gya, IIMA. Sir bhulna mat sir :))
