Edwin Saji Uthuppan : I found you wrapped up in a beautiful shell. I nurtured and nudged you till you came out of the shell... You were a sweet little newborn, that's why you don't remember those days! Then you became my bro! Gym bro, Running bro, Swimming bro, Arch bro, Ricing bro, Cycling bro, Gaming Bro, Tennis bro, Boxing bro(?), reddit bro, dank humor bro, booze bro and trees bro!

Kenrick Pinto : I could not have asked for a better roommate. We share the same sense of humour and we literally bonded over memes. We spent less time studying in the third year and more time cracking jokes and sharing memes in class. I will never forget that Gadre incident and you're eternal love for him after that. I would not even have attended half our classes if you hadn't woken me up when I overslept. Thanks for being my backup alarm clock. You're a great person and really smart but you keep underestimating yourself (you need to work on that mate). It has been a pleasure knowing you and hope we stay connected. Don't forget me, bitch. You'll never get a better roomie than me, trust me!

Mrigank Ashesh : Hari dude I will miss our small talks. The internship time we spent dining together were amazing. I will miss your smirky smiling face. It's always good talking to you about fitness. Bas tennis seekhna reh gaya yaar tere se. Stay connected bhai.

Kumar Saurav : I thought you were DD 🤔🤔.

Sachin Tak : Haaaaaaaaaaaaaaaaaaaaarrrrrrrrri !! you will be able to hear it..... Because I still can😂😂. Sorry we (Pintu included) ruined your exam nyts..... But tuje bhe padane ka maan nahi tha bas pdf open karke rakta tha, padta kuch bhe nahi tha.
