Somansh Chordia : Abhijeet Shunya xD. I'm glad i got to know a person like you so closely through various opportunities from Shunya, project and finally a wingie <3. I didn't expect you would be able to bear me for one complete month in China but we had a lot of fun together. The best part was to hear you abusing someone xD. I could survived being in the plumbing team had you not been (kind of) a part of it. Project bhi kab ka chhod chuka hota akele shuru karta toh. It never felt like we worked. It was more like a picnic xD. Wing me aake jo tu mastikhor bana hai, we are proud of that. GRE kya maze me phoda sale tune. There's always a calm atmosphere around you. Maintain that innocent smile <3

Rahul Manglik : I got to know you 2 years too late. But thank god I did. You Transformed from the quiet, smart and calm guy to the aggressive, impulsive, anime loving, room me kaanch todne wala, gamer boi who was sensible enough to study. Enjoy the US. Waffle khane challenge firse

Anupradiksha Rajan : Tu infi sweet hai, koi nahi disagree karega isko to. Aur kafi helpful bhi, next assignment me bhi help karde meri. Tujhe mai Riya ke bhai ki tarah janti, aur pata nahi tere kitne bahan hai:P Although apun Machine Design me saath me the, apni jyada baat nahi hui, kyunki mene usme hardly kuch kiya tha. Lekin Seshadri sir ke vajah se ho gayi (assignment aur class me jo tut hua tha usse). Since tu aur Riya dono Purdue ja rahe, I hope apni baat ho jayegi, ya atleast ek dusre ke bare mai kuch to sun lenge. Stay sweet and helpful, aage bhi aise hi machana. All the Best!!!

Sanskriti Shah : Well, we did'nt interact much... tho fluids mein sab lab grp mein the...and you helped a lot with viva questions before solids lab :p <3 . You are one of the sweetest ppl I have met in insti...and infi helpful, GRE waale din pav bhaji to mast thi...You too..keep smiling ...Stay the same ! And all the best :)

Aditya Patki : Bunty bhaiya.....sabse peaceful aadmi ho tum sabme. Yaar apne projects ke time ki backchodi bohot sahi hoti thi. Apan dono hi shayad sabse thakele log the pure MD ke group me :P. Sirf tp karne ka mauka dhundte the. But jitna tu chill hai utna hi tu sorted hai apne chizo ke baare me. Tu pakka research phodega life me, bharosa hai. Aise hi maze me hasta reh, all the best!!

Tanmay Kalla : YO Banthi, JJ bro..kaafi sincere,hardworking and innocent person jo endsems me anime dekh ke bhi macha deta h.Remember hey cortana, ok google and sarcasm wala time pass during sophie year,atleast Free tshirts mili thi thanks to ciru. Keep in touch bro, and all the best aage bhi aise hi phodte rehna.JJ

Viral Shah : Banthi Bhai !!! Wing me thoda jaldi aa jaata, koi naa kaafi maze kiye hai apan ne saath me. Apping k time tujhe pareshaan karte raha, raat ke 2 baje room me aake buckchodi ki, tere alag alag pet names banaye. Sabse bhari maza toh Manali trip me aaya, bhai thand me puri phatt gayi thi apni fir bhi bakwaas kam nai ki apan ne. Hopefully sab clear ho jaaye and tum Purdue jaldi jaa sako. All the best bro, stay in touch.

Pattisapu Divya : Undoubtedly the sweetest guy of our batch! It was a fun outing to The J! We ordered more fries than we could take (never thought I'd say that sentence) and sat there nibbling at them. How we walked back to insti is still a mystery. I've just checked that you've called me Divya-chan consistently in all our chats. And here I was searching for anime fans when one was right under my nose. All the art events in Rang we've attended together and all the mech assignments we've drudged through these past three years were more fun and tolerable respectively due to your presence.
