**Rupesh Leburu** : Bavaa reyy, inka chaala cinemalu choodalsunde ra. Miss aipoyam. But I'm so happy thinking back about all of it, the nashik trip, train journeys, the movies, the in-depth movie analysis and somehow always talking ending up about astrology or the destiny/reality stuff... And the goddamn elixir that is the McDonald's fry. They'll remain some of my fondest memories of the whole insti experience. Dubai ki velli marchipoku, it only happened because of my lucky tie :p. Touch lo undu, tarantino inko padi movies cheyyalani pray chey nenu chestha. Till then in the words of Hans Landa, "Au revoir, Sasanka!"

**Naveen Kumar Yalal** : Saas ga! I learned a lot from your "own" storytelling (some pranks) and all the discussions we have had in the room together. Late night food cravings though not able to share non-veg. "If I sleep now I'll have only 6hr sleep, I need atleast 9hr sound sleep. So no class tomorrow" All the calculations you do to get yourself a reason to stay in bed to sleep and watch movies & TV series(you've completed 'em all) always sound perfect. I still have your semi-naked pictures and crazy high(not) sasanka moments with me. Skills: Calling mess food shit in every possible way, though you eat the "Gaddi"(veg) quickly anyways. You love your cycle, so buy on soon. Call me and I'll be there for you always.

**Rohit Banavath** : the first person to ever meet in the institute, remember? probably you're the only one who stuck with me from the start to the end. thanks for not judging. and our endless conversations about everything is priceless. you showed so many perspectives and i'm still in the search of more. hope we'll be in touch. P.S. you're the one of the 2 people to whom i'm writing a senti post. haffun sauce boy :)

**Gunuputi Yaswanth** : Hi mama..1st year ninchi last year varuku naku veg ki toduga nuvvu okkade vunnavu ra. Ye parties ki vellina frnds tho nuvvu ravalsinde na kosam. Final year lo ithe gattiga enjoy chesam cards games matram asaliki super🥳.Ne thinking naku nachuthundi alagae vundu. Dubai lo job kottavu ika non veg try cheyyalsinde😂.All the best for the future😊
