Harishankkar GK : I would say you are graceful sports person with a natural talent..I will also remember the corrections u make while the professor teaches..that shows a great critical mind..hope u reach greater heights in your life..all the best

Rohit Kumar : Hi Jangir bro, a diligent, shy, sincere looking guy (bahar se) 😂😂 But surely bro you have a great talent and problem tackling skill, that shows your ultimate intelligence. The best thing about you is, you always look positive and enthusiastic. First time I saw you low and worried about something in Jaipur (vhi SMS wali khani)😂😂😂... Or vese bhi bro ab to aapki job bhi lag gyi h bs pese bhejte rhna or aashirwad bnaye rkhna 😂😂, jokes apart.....I wish you all the best bro for your future endeavor. Keep smiling and rocking, Duao me yad rkhna❤️❤️🙏
