If you get the chance to meet freshie self again, what is that one thing you will tell him or her?

Don't worry. You'll make a LOT of mistakes. But, you'll make even more friends.

Yearbook  
2020

**Malhar Jadhav :** Yo Vihang Bhau !! 4 saal tere saath kaise nikal gaye pata hi nhi chala. Mast magan admi hai tu. Tera living on the edge lifestyle ka mereko bahut khauf hai - DX just dodge karna, hur deadline ki yaad se marna, exam ke pehle ref. book kholke padhai start karna. Phir bhi har cheez phodna, makes u more amazing. Tere subah ke multiple alarms jisse sunn ke tu kabh nahi utha, tere cheeze ghumana & "10 mintani uthoshil" - yeh subh bahut miss karunga. Satti vale taunts were bearable but mumbai vale nhi jhele jate mujhse 😞. Apna first sem ka promise - "Malhar, next sem pasun sagde lecture jayche apan" 😂. Thanks a lot for ur support during my insti life. Japan main khup maze kar . Touch main rehna ❤️

**Atharva Jaipurkar :** Aree bhava! Tere sath logical arguments karne me infi maza ata hai! Apni tech teams related chats se leke random discussions regarding NRC/CAA, to bitching about sedentary lifestyle of insti peeps, all discussions were legit interesting! Also, thanks a ton for helping me out with Sony's SOP, it wouldn't have been possible without you! Aur ha, tere jhaadu se pure wing ne apna room ek baar toh saaf kiya hi hoga 😊 Bass do cheeze karni reh gai, ek tere sath wall pe jana (kyuki bc tu taang tudwa ke aagaya tha) aur dusra veeru se squat karwana 😊 Baki jaise Racing me machaya hai waise hi aage bhi machate rehna! See you soon ♥

**Shreyas Likhari :** Vihang bhauu! Mitra, ya 4 varshaat tuzyakadna shiknyasarkha khup kahi hota, par afsos, ye nachiz kuch sikh nhi paaya. Tuzse kabhi kaha nahi par tera jo 'achha lage wo karunga' wala andaaz bhau ko bahut achha lagta hai ♥. Aur waqt aane par tu logo ki help bhi karta hai, placements ka time yaad rahega. Apne 1st year wala summer abhi bhi yaad hai, kaise do bed pe 4 log sote the 😂. Tab tune puchha tha ki ye deo itni jaldi kaise khatam ho rahe.... To uska answer shivnaag se lena 😊. Tera table fan buy and sell pe daale the tab bahut maza aaya tha 😂😂. Baki tumchya mothya jagaat kuthetari aamchi ek chhoti aathvan asu dya mhanje zala. Ani tumcha aashirwaad theva aamchyawar. Bhetuya lavkarach ♥♥♥

Yearbook  
2020

**Shashank Sarvan :** Carrying the Wagh legacy, you made your own place on the team. Your fearless ability to call BS on your seniors during meets still brings a smile :) I respect the fact that you not only had the words but also the hardwork that goes behind it. Never lose that confidence of yours. All the best!

**Viral Shah :** Vihang brooo !!! tu akela banda hai jiske saath mai multiple cheezo me invlved tha. Over the time the bond just became stronger. Swimming ki practices me ranade ka enthu and selection discuss karna. Racing me tera enthu alag level tha bhai, tere aur bhava jitna kaam shayaad hi koi kiya hoga apne DE group me. CTM ban jaata be gandhu, kaafi smooth ho jaata humara tenure. Apne dono he foreign trips kaafi yaadgaar rahe hai. Scotland ki teri planning toh bhai gajab level ki thi. Japan me bhi peene me alag he maza aagaya tha (thanks for the stay as well). Tere liye paaka Japan aaunga bhai. Always stay in touch. tere saath kaafi acha connect baithta hai mera. All the best for future endeavours !!!

**Kushal Agarwal :** Vihang! Wing ka sabse machau insaan (according to Watan :p). Ab mai Japan aaya toh mujhe pata hai kisse call karna hai. Final year mein hi apna sabse zyada interaction hua. Mere room mein baithkar raat bhar debate karna, and random gyaan pelna yaad rahega. Akhri sem wali party reh gayi :( Tu apne farmhouse nahi le ja saka, sharam karna is baat par.

**Prakhar Jain :** Yo Vihang brooo.... Had great fun interacting with you. Your awesome carefree spirit coupled with your hardworking nature makes you very likeable. I enjoyed spending all the time with you at Racing, childishly arguing with you about who plays better football and talking to you all the time about all the random things in the world. We will meet again soon in the future and I hope that you stay the awesome person you are right now. Best of luck for your future :P.

**Watan Kumar Meena :** Vihang bro!! Tu to wing ka machau, debate god, physics god . Tere sath char saal bhot mast rahe .tere sath football khelne ko miss karunga last day wali party me nahi tha tu koi nahi ab jab bi milenge ache se party karenge. Aise hi machate reh

**Aniket Ranade :** are bhava re bhava. jaante to apan ek dusre ko kaafi pehele se the, par sayyad NSO ke time hi acchi dosti hui yaar. Post-NSO discussions kaafi dope hua karte the. Racing chodna aur Inter-IIT aana tera kaafi accha decision tha yaar. Aakhri saal mai tere aur divyanshu ke karan backhodi karne ke liye har bar koi na koi rehta hi tha. Thanks to your PPO nahi to lauda aata tu XD Japan mai jaake hum gareebon ko bhul maat jaana yaar. kabhi trip sponsor kar dena hum dono ki Japan ki.

**Nishant Sunildatta Ganvir :** Vihaang Bhau!! Shingnapuri aalo dhanya dhanya jhaalo. Tere japan ke drunk texts humesha yaad rahenge. SS nikal ke rhake hai 😊 Aur wo random anime conversations jo kahi se bhi start ho kar "FMAB Best anime hai", "Greed kya baap character hai", "Obito ka past sabse sad hai" pe khatam ho jaate the. Anime pe charcha humesha shuru rahegi. Lekin Madara Uchiha ka sabse best character hai Anime world ka 😊

**Nitin Tiwari :** Vihang bro! Glad to have met such a talented and passionate person during my stay in the institute. It has always been fun talking or working with you come what may. Infinite potential hai bhai tere me I don't know if you realize this but ask anyone and everyone would say the same. Kafi off the track plans hai tere, and I am sure everything you touch would turn out to be good. Aur insan bhi kafi acha hai tu, bas baki logon ke schemes me mat phasna :P. Aur to kya touch me rahenge zaroor!!

**Mahale Chaitanya Rahul :** Vihang BC! Tuze nashik ke saare kutte pata the, I guess I'm the under'dog' then 😊. I conform with a lot of your views (not all, I love every aspect of our insti ) and you are always open to listening the possibilities mhanunach aple cab discussions itke dope asayache 🤔. Bhai robotics project chi BT, but we still got a good enough grade! Ani bc aple vivas 🤔 dopest shit ever, galat answer wo bhi full confidence ke saath! Best Viva team ae Bhai apan ♥ All best harami, Japan awaits bhetu lavkarach turf war!

**Yash Shrivardhankar :** Vihang Bhava!!! Go jump in your jacuzzi and read this xD We share a different level bond! This is one of very few friendships that doesn't require being in constant touch, because we both know, no matter when we meet in life, I'm gonna roast you and you gonna laugh it off xD. Purest guy in Insti, no kidding! Insane respect for your values, don't lose them. Also one of few guys who have amazing theoretical understanding as well as incredible hands-on skills. We had an amazing time at racing! I will never forget CF ni maaklela Vihang xD. One of the regrets in insti is gonna be not having enough Sunny trips and missing Scotland trip with you :( Bhetu rao parat!

**Namya Bagree :** Wagh Jr! It was the best day when you told us you would join the core team and how we would take the team to greater heights! But of course your indecisive behavior would lead to you going for Inter IIT instead :p. From 6:30am swim practice to 4am testing days, you were always there in it all! The amount of hardwork you put into anything you take up is amazing, always be as excited and enthusiastic about things as you've been! Mumbai and London toh ghum liye, kabhi Nashik bhi bula lena

**Drish Mahnot :** Fav social media blogger, possibly the only sensible one tbh. Always respected your opinion and your insane passion to make fun of Namya xD Didn't meet very often but always had a good relation. Ik tu macha dega, Chaubal and other racing kids consider you one of the smartest people they've met :)

Yearbook

**Rahul Manglik :** Yo. You are the most truthful and honest person. You speak you mind out and that's what makes you an amazing friend. Always remember Nashik is not as good as Coimbatore. Would have loved to spend more nightouts with you but someone left the team and didn't become a DE. Cheers to the VD guy who did machining. Also, Perfect murder plan bna ke rahenge

**Pujan Biswas :** Bhai logon ko job nahi mil raha, tumko personal gym banane ke paise nahi mil rahe? Isko first world problem kehte hai comrade. H7 ke match discussions (arguments XD) were real fun. One of the very few fans who watch it for the love of the game. BVB is . 🤔 Klopp ke liye kabhi bhi dil se respect nahi aayegi tho :P Tere saath heated arguments karke lagta tha ki haan bhai logic ko abhi bhi jaga di jaa rahi hai bas flexible ho jaa nahi toh Veeru ke room ka extreme scene ho jaayega :P H7 mai Sony ke liye motivate karne ke liye credit and treat dono hi nahi mile :( Ispe bhi debate karle kya? Aise hi bhul mat jaana. Go Ferrari. Yours, Bisso!

**Kartik Bilolikar :** Hey! You are a wonderful person to have intense and engaging intellectual discussions with. I always look up to your indomitable competence, and clarity of thought. I hope we'll continue to have those interesting conversations. All the best for upcoming japanese chapter of your life :D!

**Deep Karkhanis :** Yo Vihang bhai!! First year ke debate se lekar final year main buddhe ke room main artwork tak. Epic journey rahi hai apni. Tu wing ka sabse chill banda hoga. Bc placement resume deadline ke ek ghante pehle kaun bana na shuru karta hai... 4 saal itna chill rehke bhi epic machaya bhai. Sony Japan /\ /\ /\... Aur saale tu 4th sem main 5 AP maarne wala tha na?? Tere aur Malhar ke fan par se jhagde bhi bahot mast hote the. Bhai Japan jaaye toh room lock kiya kar. Bahut detached rehta hai tu, par itna bhi mat rehna ki bhai ko bhul jaaye.

Yearbook  
2020

**Veerupaksh Singla :** Bistar pe se chappal utha be 😊. Ham bhi lucky hain ki first year me gayab hone ke baad final year me padosi bane aap. Wo hospital jaate hue driver ke taane kaafi amazing the tho 😂 - taang kaha tooti hai, bhaag na! Apne discussions ki memories, budhau ke room me backchodi ki memories kaafi amazing hain, and I am thankful ki aisa mauka mila finally 😊. Racing ke liye tera dedication to bhai god level hai 🙏. Monster ka aadha business bhi tu hi chala raha I guess; Itna caffeine leta hai, jaldi marega bc 🙄

**Shashank Kumar Sahu :** Pehle pata nhi tha be ki tu itna accha aadmi hai. Knowing ki tu itna selective hai friends banane k field me, I felt good apan acche friends ban sake although kuch similar nhi hai apan dono me :P Meta ka course to yaad mat dila bahut jalti hai meri wo yaad krke -\_- Thanks for helping me jab bhi teri zarurat padi. You were the pseudo VD CMO of the team. tere bina tenure to bilkul pull off nhi kr pata. Apne size ka fayda uthake logo ko bully krna band kr xD PPO ki pizza party is still pending, kab de rha hai?

**Rishabh . :** Wagh jalna band kar, I know you wish tu bhi designer hota, Uceed clear Kar pata, par sabke bas ki nahi hota. Par Heaavy Banda hai re tu. Silverstone trip lit kar dia tha apne, late raat tak paaji ko duty p lagake majje lena and heaavy heaavy baatein. Tu perfect daaru partner hai but sala sath sunny nahi Gaye abhi tak. Ab to graduated with honours wali hi daaru party hogi. You knew better but you still joined engineering but at least you met me out of it 😂

**Jasdeep Singh :** Thanks for the Scotland trip. Ekdum mast planing kari thi tune. Sorry for the distillery thing. Pit wali vo topi duty yaad rahegi :P. ....I didn't.
