Risha Agarwal : Hey KP, you're a v sweet and helpful person who always makes an effort to help people out, listen to them, and be there for them. Thank you for always letting me sit in the front seat and play my fav songs :P and I'm v proud of how hard you work! Keep at it and good luck w everything :D

Shubham Jain : Hey kshiteej, to start with this is the first i got to know the correct spelling of your name. You are really helpful person and the coaching classes that you gave me for learning squash is something i would be always grateful for. Though in the past two years it seemed that you have been a lot busy in other curricular activities, but anyways it was great fun to be with you together. Aage bhi machate rahe jaise abhi macha rahe ho!!

Kumar Saunack : I still think you'd have done equally well in tennis. Still don't understand why you switched over to squash. Anyways, thanks for putting up with my attempts to reach Aayushman via you. In my defence, you know how he is. Also, thanks for indirectly motivating me to take up philosophy as an elective. Your story of getting a 10 was very enlightening, to say the least.

Aayushman Mishra : Kshiteej or Kshitij kabhi sala samaj hi nahi aaya! dosti ki shurwat to ek proper rival tennis match se hi hui XD kisiko score mat batana! Tujhe aur gadia ko main kabhi samaj nahi paa ki itna timepass karke sports khelke sala itna padhai me kaise machate ho, sahi me bol raha hu tu god gifted hai. Tune jo us raat aavhan ke treat pe kaha tha us time me mera bohot down time chal raha tha, that line means the world to me and ill pray we 4 stick together for always! Thoda time nikal liya kar Vc ke liye saale kitni Tv series dekhega

Vijay Ramchandani : Love you brother. ♥

Adarsh Kumar : Hey buddu! :P You are the nicest person I have met and I am so glad to have met you. You're my balcony badminton partner, living room squash buddy, my sneaky massage chair partner and most importantly, my bachata partner xD Thanks for putting up with me and for eating at cafe when plant's mess food wasn't good (although tere hisaab se theek hi hota tha). Your idea of Pavna was THE best and I feel bad for opposing it. Lil Dicky bhi tune hi sunaya tha. I hope that this all ends soon so we can go to Della this new year again. Tujhe wasabi khilayenge. You are very cool and so fun to hang out with. Stay the same! And don't worry, your THAT 'cutout' photo is safe with me. PS: Federer > Nadal
