**Tumul Rai :** Mayank Baba !! Yaar kafi kum log hote Hain jinse connect ekdum instantly ho jata hai. Ekdum bharose Wala admi hai tu. H-12 ka rescue operation humesha yaad rahega. All the best Bhai machate reh!

**Ankan Karmakar :** The 1st vai I made in IIT. Was lucky enough to have a room partner like you. Khair, tum se kabhi pizza nhi share kar paya, us liye sorry. Kya kare, by birth hum chicken mutton me jite hain. To be frank vai, I felt lonely in 2nd year. Wo, khane k tym pe bulana, every night gossip on prof. and clg, I miss those. Felt really bad to get disconnected in 2nd year. Accha ea choro, but still mere ko aj tak samajh me nehi aaya, how could you possibly revise whole civil engineering in 1 month before GATE and still rank 300+. Kis chiz ka bane ho tum? Itna gappe larane k baad ea result? Bdw, still our room's dept. rank will be 1.5. I guess no room partners will be able to break this partnership of ours

**Monimoy Paul :** Mayank Bansal..The name is enough. DC. TSE topper. You are a good person, which is most important.
