Rashi Gupta : One of the, or rather the only person whom I can call a noob 🤡 I'll never forget the timepass in TF room, and troubling Raushan 🐱 Oh and our forever random conversations 🤡 I can't believe we're already at the end of college...Imma missing you man!!!

Kirtesh Ajay Gadiya : I am just curious to know why you didn't become Aakaar OC! Just keep watching good amount of cricket. Be wild always!

Himanshu Bohra : Oh my god from an irritating wing mate to my rant for anything person (wait you are still irritating :p), you are truly the most innocent and down to earth person I have ever met. I remember the time when we used to teach each other vulgar slangs, talk nonsense, play together in the field. Ohh do you remember those movies we used to watch with me totally asleep by the interval. Nevertheless, you are Gem of a person, stay the way you are. Don't get swayed by the new girls you are getting with my influence, I will still ignore you always on whats App. Also sorry we haven't gone out together since a long time, but I promise we'll go soon. Be in touch waise bhi teri shaadi mai daaru mai pilaunga

Potlapally Sai Kishor : Hey Js1th /Jashu. You have a cunning smile and unique character. Remember we met when we both lost our way to chemistry lab. From then we had an incredible journey. I really love your ever lasting love story with jali 😊. I really miss those moments where we talk (mostly argue) at our mess about infinite topics🤡. You are the only one with whom I had real serious fight. One suggestion don't ever disturb anyone while playing pubg. The best thing I like about you is you never hesitate to try new things in life and also encouraged me to do so. The movies you suggested, those we watched together, evening running we went together, tried to learn swimming together, Aakaar days, all are good memories to remember my whole life😊. Finally all the best for your future and ee Sala cup namde 🤡.

Ujjwal Kumar : Yo Dornam. Uff our Aakaar tenure was indeed a roller coaster ride :P But whatever it was I guess it was good that we worked for betterment in our own ways. Anyways I really liked your dedication man for aakaar. The one thing that I really liked was your open attitude and no ego. Be the same bro and all the best for your future.

Naveen Kumar Yalal : Ye ra uttine tirugutunnav, pani leda? Eppudu kalisina oka bakkalo smile eskoni siggupadutu ala ila uugutu untav enduko ra bai. One of the few with "Zeddi pappa" title in the institute, your actions and behavior does justice to it. Have you ever imagined what would have happened in Aakaar if you weren't there? Also, you didn't get me a bike yet. Atleast your power was limited, unlike your craziness that's a complete disaster. I'll miss those very illogical and unreasonable conversations we have in the H2 lobby and mess. Keep spreading the craziness, hope to get inflicted by it soon.

Padavala Jayanth : We just know each other from first year..but we actually became close after I took something from you and never returned it..maybe that's how some friendships start and lasts forever 🍷🍷🍷🍷

Priyanka Lakku : Jashwanth♥♥♥ One of the sweetest and the most shy person I've met. But kitna chidaya tu aur himanshu ne milke merko(revenge will be taken). You give your everything and work the hardest for the things you love. Thanks for being there at some of my low points and helping me get through. Don't get angry if friends don't reply on time😂 Grow up😂 Baaki toh I talked well with that sand wala bhaiya na? I miss our random gullu treats and bike rides😂. Wishing you all the luck and love. Stay in touch and milte hi gullu chalte
