Swapnil Agashe : How does one get so bad at typing correct spellings??Back when we used to go to LC during exam times thinking thoda padhai kar lenge, Always ended up doing some form of bakchodi the whole time. And if that wasn't enough, then wandering inside insti, even Sameer hill once 🤔 Btw you were supposed to record some Taylor swift songs.... Plis Plos! Had a lot of fun with you! All the best for future!

Mudita Rana : Nutan!! Will always remember you as the super cute, brilliant singer 🍷 keep spreading smiles and laughter with those PJs of yours :p

Ayush Dubey : Hey Newton Maggu! You give a whole new meaning to PJs; no one can do it better (or worse?). Most of our interactions have been at bdae parties of the girlie gang. Even those moments you dotted with youfriendly (sarcastic) one-liners. Your singing is so awesome so cotinue to sing forever. I also feel proud for decoding that your home state is Arunachal Pradesh! All the best!

Apurv Tiwari : Kahan superstar, actual talent to aap mein hai. Itna acha gaati ho. Apne paparazzis ko bhejunga 2 saal baad aapka international concert cover karne! Haan ek do baar hi mile and it was so much fun. Wish aur lukkha kaatte. And main actually thoda sa consider kar raha hun prof banne ka yahan XD

Kushal P Yadav : Hey Nutan! We did have limited interactions but I still remember the first time we conversed during EE101 endsem preps. You're one of the purest people I know, and your voice <3 Wish you all the best in your future endeavors! And lets hope we meet (that is if she invites me xD)

Harshita Verma : My girl!!! What can I say the mosstt insane and bad pj secy :P but also a good music secy :P. I have scolded you a lot many times but all in hope of making your professional self strong. And other than that I had one of the best summers with you as my roommate, you cook some really awesome biryani and I remember how you use to sing for me at night and play guitar. It was awesome knowing you. One thing I would say that if a person fails, it only happens to make him/her more stronger. Our post insti plan of you hanging out at my place is on!!! Would love to hangout with you like old times <3

Anusha Dubey : Newton Maggu! Yes, it's very difficult to express here what I feel for you! You have been my constant since the day we first met. All those lecture hall nightouts, late night walks, all my rants, our Dubsmash videos, our funny videos and all the fun we did since first year are the most prominent part of the memories I'm taking from insti. I'm so glad that even after 4 years we can be same level of crazy in front of each other. You have seen that wildest and insane side of me that probably no one else have. I promise to be your pillar of strength always and I know you'll be mine too. Can't thnk u enough for being a constant source of motivation, I owe you a lot girl! ILY the most ♥

Animesh Singhal : We have had our fun share of ups & downs but I'm glad that some friendships never change. You know that you're important for me and will always be <3. And we've loaaads of sweet memories: loongg walks (poora 3rd sem kaha gaayab ho gaya yaad hi nahi XD), salsa night (and vo red dress<3) but bohot papad belne pade they vaise :p, Kshitij garden, balloons, cats (aapki publi ki vagah insti ki aadhi cats ko ghar mil gaya), our music jams, insti ka 1st band, cringe-trash talks, search for Rachel :P Abhi toh hame bohot saare music videos banane hain aur infinite baatein karni hai life pe <3 I just wish ki aap ek shaandaar singer bano, aapka pyara sa food truck ho aur aapka ghar billiyon se bhara h

Pranav Thakkar : You have more content of me playing with cats than anyone else I know xD Nutan you're so sweet and so cheesy it's amusing and adorable at the same time. Your jokes are sometimes lamer than anyone else's, but I think that's intentional lol. I can't believe I haven't tasted any of your food yet, your cooking skills seem so good! You have grown so much as a singer over these past four years, I hope we do a cover together sometime. I hope we stay in touch, you're such a bubbly person. All the best !

Aditya Venkatraman : Nutan <3 I think we're always by default going to talk to each other in English forever xD We still need to record a song together ya, it's been pending since a really long time now, I hope we do that. I am also glad that you found your people and got to do things that you're passionate about like music and cooking early in your insti life and I can't tell you how happy I am for you. We've had some great memories in the first couple of years in college and I'll always admire your ability to cheer up and lighten the mood in any place you enter. Atb for everything :)

Manit Rathi : Nuuuttttaaaannnnn! You are one of the sweetest people I met in insti. Bhai tu kya pakati hai yaar, but fir bhi humesha maza aata hai aapke saath hangout karne mein! Last mein baatein aur milna kam ho gya, but I hope we will stay in touch ♥ Baaki plz PJ maarte rehna, khush rehna, mujhe kabhi kabhi message kar dena, gaate rehna.... Life mein kabhi bhi if you need any help, I will always be a call away! Stay in touch Nutan!

Aashish Prateek : Hey gurl! I don't really know what to write about you other than that you were my best friend through these 4 years. I don't think there's much to say about a person who has been with you through literally everything than to just look at them, give them a hug and be thankful! I do wish I was a bit more supportive than being critical of you although, it was fun. You are awesome in every way and I can't wait to see you and the fam again!

Debanjali Chatterjee : Hey Nutan! (You'll be surprised to know this is the title of a song written by Rabindranath Tagore :D) You're a really sweet girl. I wish I could have interacted more with you after first year. You're really sweet, I love your singing and also your red hair♥ Arunachal Pradesh is the only place I've not visited in the North East, now that I have a friend from there, I will definitely visit once! Do keep in touch, all the best for your future!

Nikunj Mohota : Nutan is not that bad a name yaar. Thanks for taking me to church, it really purified my soul. Jokes apart, I don't have to tell you what you have heard everyday XD. But maybe you are very Korean-ish. Music video nahi hopaya but ab toh sirf professionals ke saath kaam hoga isiliye humara naam yaad rakhlena bas. Kpop fangirling/boying karlenge fir kabhi.

Aditi Mahajan : Hello Nutan 🍷 You are such a sweet person. I can tell that you have got a big heart and a pure soul. I am so glad that we became good friends during the summers of second year when you let me crash in your room. Good times bro 🍷 My favourite memory of us would be the New year's Eve when we both celebrated like crazy humans and had so muchhh fun clicking photos, roaming around Hira and you trying to set me up with (you know who 🤔). Next year mazze karenge infiiiiiii. Let's stay close, Love you 🍷🍷

Archiki Prasad : Nutan Putan! Finally fourth year mein aake itna time spend kiya hamne. I also think I have you to thank for making my room mate a more socially acceptable person XD. Anyway we had a lot of fun and I hope we continue to. You are a sweetheart <3
