**Jovina Vaswani :** From maintaining a superficial warmth just because we had common friends, to being the closest buddies, we have come a long way. You were, are and will always be my dreamcatcher, the one I would come to, amidst the messes of the real world. I will never forget the days when you comforted me, becoming my safe little reservoir of strength, happiness and hope. I love you so much, motu. ♥, and I am gonna miss you even more. You can count on me, always and forever. Needless to say, you are not allowed to forget me. XOXO

**Aditi Mahajan :** Hello Parwal darling (in your accent😄). From being a vogue co-coordinator, whom I could barely tolerate to one of my go to persons, we have come a longggg way and I love where we are today. Thanks for being a super fun person who knows how to give me mature advices when needed. Stop giving me fake gossip tho😂 This post should remind you of your big promises(read fooodd and trips) okay. Love you bro, meet me soooooon♥

**Aayushi Baheti :** Jerry to my Tom! ♥ You came into my life just when I needed you the most. The reason I got placed and survived that semester is YOU. I don't regret that we didn't meet before kyuki itne se time mein tune mere liye itna kar diya h ki shayad hi main utna return kar pau kabhi. Your gifts (few)are undoubtedly the bestest!! Jab tak main tujhe call karke meri life updates - kya huya, kaise huya, kisne kya kiya, kya bola na bata du mera mann hi nahi lagta 😊 That's it for now. Baaki ki senti teri shaadi pe tere bacho ke aage (ykwim!) :) And thanos aur thor dono th se start hote h, so please! Always remember, Aayushi-Bitcher- Bitchest-Parwal! I love you bachu ♥ You is okayish 😊

**Rishika Gupta :** Helllllloo Piggy Bank, I never knew we'll come such a long way after starting off the wrong foot in our second year. You know how much I hate you since the beginning. 🙄 You'll always be my drama queen and gossip aunty. Those late night walks, Energy terrace and CS department talks and impromptu road trips will remain close to my heart forever 💛 Our random bets, how I ended up losing everytime. I have discussed some of the weirdest fantasies of mine with you 😂 I just want you to know I'll always be there for you whenever you need me just like how you were there when I needed you. Hope we meet soon and you fund our next trip and Taj treat. 🥰 P.S - I still hate you a lot. 😊

I know tu bhi bohot stressed tha tab. Dil ka bohot accha hai yaar Parwal tu. Or so these 3 girls keep saying xD Jovina aur uske cheesiness ko kaise jhelta hai, tips chahiye. Lonavla me the only one who drew as good (but not better) as me was you. Good try 😊😊 Chalo ab LEK jaoge toh gossip toh rahegi hi infi :p keep updating pls!! ♥️
