Rashi Gupta : The best roomie! The mom I always needed! The one who motivated me on my lazy days! The one who guided me when I lacked hope! The one who's always been there! The one who made our room my home! The one who taught me to love myself! The one who really upgraded my fashion sense! The one who'd been my mirror! The one for whom I might ditch BTS! 😊 (Focus on "might") The one I love the most! But, the one I'm gonna miss the least, coz you'll always be there in my heart!! ❤️💜💙💚💛💖 (Coz each colour heart has a meaning, and you're my answer for all those options) PS: That's the cheesiest I'd ever been, and I'll ever be 😊
