

SANDEEP PAL

Chemistry

Yearbook
2020

Aprajita Shukla : Sandeep, thank you for helping me out. You are very kind and the sweetest boy I've ever met! We got to talk only in the last days, but they were enough for me realise, that you are a great friend! I've always felt happy to see you, garima and shaifali together, your own small group! Unaffected by any externalities. You all have become my friends! :) Thank you! And not to mention! You are brilliant when it comes to organic chemistry! Take care! And all the best for your future endeavours! 😊

Subhabrata Dutta : 18 saal ka chora, Hindi samajh ayega na? 😂😂 Chammak challo, pole dance ka item. Shuru shuru me bass phone leke corridors me pada rehta tha, fir 26 me entry, kaale kartut dikhaye gye tumko, samne ladki ho toh bhai apna senseless, raddhi gaane lagane wala, Rahul ke call pe ashleelta, beta laptop ka hisab baki h. Organic guru, fielding coach, novel lover, collar uthake chalne wala, intu ke saath nainsafi.. paap ka ghada bhar gya tera. Ab diwar pakadke chalna chodd do.. bade ho gye to tum. 🐱 Further contact ke liye Shir Rahul (secretary) se baat kare. TOEFL wala chehra yaad rahega 😊

Neha Idnani : Hello sandy bro.!!! Mera iit wala bhai 😂. Tere baatein abhi bhi sochti hu mai, sach mai esa hi skta hai kya? 😊. Tere memory card wali story 😂. Cheers to all the trips together and fun moments. Bengaluru intern was fun because of you, sath mai lunch k liye jaana , puri lab ki bitching krna, mera bhai k yha chale jaana aur mere piche piche teri parties karna yahi memories leke aae hai hum bangalore se. 5 kms wali highway ki cycle ride is still my nightmare 😂. Humesha soti hue shakal mai mat rhna bhai 😊. Talking to you was always fun with lots of emotional drama 😊. All the best bro for your future 🌸. Stay happy 😊
