Kirtesh Ajay Gadiya : The most joyful and cheerful person. Thanks for always being there. The last tour to BKC before lockdown was amazing. More to the many thrift events coming. Enjoy in Japan! All the best for future!

Ayush Puri : Aur bhai ujjwal, hackerman from the beginning, bhai bahut senti post likh diya tune. Tere jitna bada post nahi likh paunga bhai, bas yehi kehna hai ki kaafi potential hai bhai tumme, uski bas ek jhalak dekhe ko mili insti me. Aage kaafi kuch machana baaki hai, aur coding memes bhejna band mat karna :-P, hope ki tokyo me kaafi maze karo tum and keep smiling

Apoorv Srivastava : GoluMaha, train ki tickets karate rhna meri, Japan aaya kabhi to udhr bhi kra dena. Udhar to chlti rhega apna. Next level coding aur tech ka gyaan hai tmhre paas. Wing ke political pandit ho tum, bs thode chote posts aur comment likha karo. Infi bandiyan thi tmhre paas, thode tips de dete to mai lockdown me itna bore nhi hota. Tmhri vjh se hi mera bhi thoda bhut PR bn gya. Goa and trips me kafi maza aaya, aur bhi trips karte hain. Ab wing walon k liye jyada senti nhi likhunga warna group pe mazak udane me double standards wala feel aayega mujhe (:p). Machate to rhoge hi tm, bs kabhi-2 yaad kr lena. Jai mata di, let's rock.!!

Allen Bose : Broooo!!! Do you remember the mini militia games we used to play (team mallu vs team others) in the first year. And then following that we were also in SARC together in sophie year. But even after, although from different hostels and different branches, we always used to catch up once in a while (maybe due to Geordi a bit, but still) and chill over some FIFA games. I would say Geordi was lucky to have a roomie like you, keep up that fun and chill attitude bro.
