Naisadh Patel : Yo Handa! It's only been a yearlong journey as yet :P, and still, it feels like good-old-days. It resonates with the best period of cognitive insti memories :). The roller coaster has just started, and it has many more landmarks still to cover. I don't regret not spending the last days together, coz what we did we still do, UKWIM

Ritika Agrawal : "Yo" - Handa style of starting a msg 😂 Aapka gyaan and leadership toh obviously the hi best, but bonding matlab infi level!! During meet and outside meet double role 😊, but sabse jada yaad ye incidents aenge - boathouse vala nightout, reunion mein bike ride (majorly khopdi 😂) and best of all PATTE♥ I really can't believe that all these and infinitely many memories bas ek hi saal mein ban gyi! Tenure rewind karun abhi pura toh fir yearbook ka pura page lag jaega 😊 isliye I would just say I'm really glad ki you were a part of my third year, which has now become a very cherishable memory of my insti life!

Ayushraj Mehrotra : Hanndaaaaaa! Ek year and itni saari memories. Aap seriously best ho, itni shiddat se team lead ki saare ctms ko push and inspiration milta raha throughout the tenure! Har chiz ke liye aap hamesha available the, ek instant me reply back aata tha chahe kuch bhi ho. But somehow meets me aapki personality puri hi badal jaati thi XD Bahar itne sweet, simple and innocent but meets me bilkul intimidating gabbar singh. Baaki, PR pe to aapki kripadrishti to rahi hi hai hamesha se :P Bas fines thode kam le sakte the :P Compensate that by opening a SARC cartel in Dubai XD You will be 'The Leader' not just for the tenure but for so many years to come as well. Yaar word limit reached :(

Shradha Bansal : OC Sirrrr!! Thanks for giving us such a great tenure, for always being so patient and supportive and helping us get through such difficult times in the tenure (waise to PR ne kabhi BT di nahi :P). I'll miss the regular 'Yo' and the constant guidance. Wish you a crazy life ahead.

Harsh Vazirani : I feel like I got to know you only during the placement semester. It is probably my fault, because of my introverted-ness, but I am glad we talked a bit during that sem, because it used to be a stress-buster. I don't know how you must have managed being an OC and placement together. I admire you for that. Baaki thanks for tagging and dragging me along to places, kyunki tu H18 me nahi hota toh main room pe hi baitha reh jaata :P I hope the Sarc 18-19 team has a proper farewell and then many many reunions in the future. The team has made me feel better when I was feeling the worst and you have been a major part of that. Thanks <3

Mahale Chaitanya Rahul : Ye wahi Banda hai jiska kaam me karta tha, aur jo OC ban Gaya 😂 Handa mere Bhai, dher Sali galiyan apne tenure keliye aur dher Sara pyar bhi, you're one of those who irritate me a lot yet I'm closest to. Unrealistic ideas me bas siddhu tuze beat kar sakta tha apne tenure me 😂 Fir Tera har game keliye nayi scheme le na aur uske execution me hagna, but yaar kuch bhi ho jaye tu try karna nahi band karta ♥♥ Apni yearbook ko itna dope success dilane keliye infi credits tuze 🔥🔥 Apni nashik trip hamesha yaad rahegi ♥ Bas aise hi bakchodi ke saath mehnat karte reh, aur mast AI habibis banana Job pe 😂 All the best for everything ahead sale 🔥🔥 Aur word limit hata mc!

Kumar Ashutosh : Yo Handa! This post was due for a long time. We had several good times together during our Kho-Kho days - from our full-filled NSO to not getting into the team in first year. You are hardworking and passionate, thus becoming an experienced member of the team in no time. Our GCs were also fun and eventful, no doubt about that. Then you also got busy with other good things in life and we could not talk much. Hope you do well in your future endeavours. Best of luck!

Aman Malviya : Handa Bhai.. Apna Pappa wingie... You are very helpful friend.. jab se OC bana h busy ho gaya h but jab bhi milte, we really hit it off... Tere saath kuch bhi baat kr skta hu.. Pubg khelte h fir kabhi firse... Mujhe aaj bhi yaad hai tu kya mast haga tha Rap God me.. But maza aaya tha saath me naachke... Light wali bakchodi... Kaafi fun tha be.... Ese hi machate rhe tu... All the best bhai!!

Himank Jain : Handa, kaha se shuru karu samaj nhi aa raha. Sirf tune hi mera asli roop dekha hai insti mein xD. Freshie year mein vo kya raate thi jab puri raat baate kar k nikal dete the :P, kaise Pujan ki bitching karte the xD, exams k pehle next level muggte the, hamesa ek dusro ko duniya ki rant sunate the, kaise tune mujhe motivate kiya tha chemical chodne k liye :P, jab tak tu tha life ek dum on track thi yaar fir tu saala Kulkarni ka roomie ban gaya :/ aur fir sab kuch baadal gaya. Jitna bhi time sath the bhut majedar time tha vo. Saala bhut senti insaan ho tum, bakchodiyo mein sabse aage, bhul mat jaana kabhi. Dubai ja k thoda mota ho k aana bhai

Khidir Usama Abdul Karim : Bohot bhav bad gae hai re tere aajkal, ops ke nalayak head se tu kanjoos OC (jiski "legacy" sabko yaad rahegi) se kisi company ka employee ban gaya re tu. Har baar budget pains bolke ideas pe paani daalne ke liye poori team (especially ideation walo) ki taraf se thanks. Har baar quiz ke ek raat pehle "nahi padha bhai" rg karne ke liye thanks. Isse zyada taarif nahi ho paegi bas mere paise wapas karde. Mere bakwas jokes pe hasta tha isiliye thoda jhoot toh banta hai. Bohot samjhdaar ho gaya hai tu par abhi bhi sirf emotions pe bhand hota hai. Apne late night walks yaad rahenge re mujhe aur teri woh class me peeche chutiya jokes. Kabhi khud bhi message kara kar :(.

Adarsh Rathi : Hi Handa boi, SARC ka alag benchmark set kara diya hai bhai tune, tujhe dekha hai maine aise hi bond nahi banti bhai, mehnat karna padta hai, placement time dikhi thi kaise apne team ke liye mehnat kar raha tha. Ingeneral, bahut hi b***c**d hai tu wo alag baat hai and tomar ki sangati se jald hi chut gaya achha hai warna virtual girls hi patate reh jaate and itne machau nahi ban paate. Thanks for being there and creating those wonderful memories during these 4 years bhai. All the best. Keep in touch!

Sigireddi Yamuna Devi : Handa!!! mei abhi bata rhi mereko treat deke bina dubai chala jayega to paap lagega tujhe :P. waise dubai ghumadena baad mei :P. mei aur likhti but kya karu, deadline hogyi XD. All the best!! <3

Abhishek Singhal : yo handa boi!!, tera naam sunte hi tera neend se utha hua face hi yaad aata hai(hamesha class mai sota rehta tha xD). Kitna chill aur optimistic banda hai tu, hamesha tere chehre par smile (ya neend hi rehti :P) hai. Quiz se pahle nightout marke kya mast bachodi karte the yaar apan. Aur bhai tu subh 4 baje aata tha subh ki quiz ka padhne xD aur apan plan banate the pass hone ka. I always appreciate how tune summer mai saarc aur intern manage kiya tha. Aise hi machate rehna aur Dubai jakar bhul mat jaana!!

Mufaddal Bhanpurawala : YO Handa, shame we didn't interact much during but when we did towards the end, it was great, those long pointless discussions, our BT interns and messed up lives. Making the best of your circumstances, keep fighting and steadily progressing that's how I look at you.Last but not the least, that H13-14 terrace, let's catch up as soon as....

Sajal Choudhary : Yo Handaaa(OC sir)! wo bhi kya din the jab aap bhi humare sath kho kho khelte the(sprinter♂). Bahut bakchodi kri h aapke sath milke toh kho kho court k bahar (bruno...). Baki aapke funde toh bahut kaam aaye h and thanks for motivating me always(and thanks to come at h15 after gala dinner, ykwim). kafi machaya aapne to insti me , aage bhi machate raho and funde dete raho aese hi. Baki sticker se khelte hi rahenge apn humesa♥️👩. Always stay in touch:)

Siddharth Mehta : Wasn't planning to write anything but here I am. Thank you, peer pressure. You know how every group has that one mastermind, that jugaadu, who plans impossible stuff? Yeah, you are definitely not that person. An Ops CTM and still couldn't plan a team trip, sigh. Our methods may differ but none can question your dedication to SARC and determination to elevate it. If you ever feel uncertain about yourself, think about that boy in his senior year who worked with an entire team with all its hardships, AND prepared for his placement that's grueling in its own right, all the while staying strong for others. I'm talking about myself and not you, BTW. Keep rocking.

Gaurav Raj Singh : Mere saste kartik aryan..... launda Tu bhadiya hai fun vghra toh hota rhata hai but with you I have got the most "Acha esa hua tha" moments of my insti life (those walks😁😁) . Bhai kafi kafi bakchodi peli hai tere sath ... kafi hawwwae badli hai ... baki maja toh bhaut aya tere sath kaam kar ke

Anvay Manoj Varekar : Yo Junta! Aisa mail daalo kabhi thode saal baad wapis sab roadtip pe jaenge. Aapne bohot machaya hai tenure mai and bohot acche se handle kiya cheezo ko. Infi source they aap motivation ka CTMs ke liye and aapki SARC ki taraf jitni senti hai woh inspiring hai. Dubai aane waala mai completely serious hoon abhi Yearbook mai bhi chapa hai ki aap ek side ke flight ka kharcha de rahe ho, to ab karna padega. All the best for the future! <3.

Vittesh Arora : I really don't know what to write but Handa aapke liye inhi respect h. Aapne puri team ko itne achche se lead kiya and sabka itna dhyaan rakha. That "tenure se jyaada log important h" wali line <3. Inhi memories h tenure ki H12 ki canteen me bournvita wala scam, Vihaar lake, Reunions k time bike seekhan, gymkhana k rounds, CS building me wo raat (jaha mera video pehli baar logo ne dekha tha), Energy department ki terrace aur random cheezo p gyaan - I'll miss them all. Aur bhi bahut cheeze h jo idhar nhi likh skta but Handa thank you for an amazing tenure. Tenure me kabhi kuch galti hui ho to maaf kar dena OC Sir. All the best for your future endeavors and please stay the same. Word limit:'(

Golu . : I still remember your CTM interview how you've shocked all of us. I always respected your dedication and the sense of belongingness you had for SARC. I am aware that you went through many hardships, but that's the initial step towards the journey of an OC. With that comes a lot of memories, lifelong friendships, and whatnot. At the end of the tenure, everything seems worth it and you could never get over it. Please bachcho ko achi si treat dede fir Dubai jaakar tu to hum sabko bhul hi jayega :-(Love you loads kiddo, stay in touch. <3
