Vibha Srinidhi : Kajal!!!!<3 You are lovvvee! My go-to person in insti for anything. Bas stay in touch and remember me always 🐱

Thangellapally Aman : Thank you for calling me from behind and talking to me that evening, you helped a lot with my anxiety 😊, I will always remember the diabetes tests we did in first year, all the best! 😊

Shubham Karmokar : Dear Putki, I have been really fortunate to have a friend and sister like you. This journey began in Udaipur and hope not it ever ends. Till now it makes me laugh when i think when your brother called 'Golu' at first meet :). Please don't make more brothers for it will be a problem for us to write the 'book'. Thanks for getting me into H10 and Hospital and eat more, be healthy and gain weight ;) Yours Golu

Pattisapu Divya : Kajal, neighbourrr. You're such a good listener, plus baat karte waqt sister wali feel aati hai. You, Vibha and I often spoke on many frivolous things in the greatest detail in first year xD. Aur kya, sports machati rehna, trips pe adventures karke hume stories bolti rehna and stay sane :P Keep in touch!

Arpita Mishra : Kajaaallll!!! kitna wait kr rhi thi ki tere liye likhu, acha hua deadline extend ho gya XD Idk tujhe ye pta h ki nai but first year m you were sooo helpful. You were just there and i still remember you braided my hair and I still have the photo. And mujhe tera carefree nature bohot pasand hai, kitni bar mei pareshan reheti thi aur tere paas jake beithti thi toh you just make me seem my problems are so small and I would stop worrying unnecessarily. Aur saare trips, aur wo GRA walla, kitne pyaare the sab. Dmart jakr kiti cheeze utha late the hum XD You have always been so caring and empathetic. And thank you for trusting me with your secrets later on. and obviously, this isnt goodbye. Love Yo
