Yearbook

Khaire Abhishek Vinayak : Tu hai chuhia thodi sayani aur badi atarangi, Life ho ya stage ho tuze toh karni hai bas nautanki, 'Chai' toh aise kahati ho jaise koi jazzbaat ho, Bhule duniya tu saari jab kitabe saath ho, Do saal saath hoke bhi humara jara kam hi vartalap hua hoga, Har baar milke tune 'bhai kaise hoga' jaroor puchha hoga, Rakhi bandhke meri kalai pe tu bani meri behna, Chahe phir mulakat ho na ho 'Khaire' ko yaad karte rehna. Love you sis.

Himanshu Bishwash : It was a great working with you in the council. You were a dependable teammate and a good friend. All the best and have a bright future ahead of you.

Reshma Sahoo : Ur hard work will pay off... All the best. U will blossom wherever you go.. so take care of your health will be more meaningful.. Your determination, talents are listed on the institute activity wall... What I will take away is the chocolates from Agnihotri sir..so whenever you fall sick..just remember I am a call away and avoid sunny.. he is dangerous to anything edible.. Concerning your posthospital behaviour, you should stay close to Shweta.. So many memories are there, thanks for playing sunny's granddaughter.. and everything else.. Be cared, be loved, and stay happy

Ananya Sarangi : Tere liye ek hi sentence hai "Tera mujhse hai pehele ka nata ko, unhi dil lubhata ko, jane tu ya Jane na". I have many memories with you and abhi kuch pinpoint bhi karna muskil hai. But I am thankful hum dost bane. Kabhi nahi bhulungi kese tu, mein aur rohit project na karke khali time pass karte the. One of my precious memories. If you aim for the moon, you can always reach the stars. Nothing matters other than your happiness. And I am always there for you whenever you need me. Sushi ka recipe bol dena bas!! P.S.And I will always love you ♥♥

Priyanka Gogoi : Mile to aapse bhi interview ke time h but aap jada serious lage the and hum dar gye...aab gaye wo din and aap hunari walmate banke bidesh bhraman pe nikal gye...chaliye jindeggi ne fir mauka diye aapke saath firse waqt guzzarneka maukaa jo milega...P.S. I respect Murphy too ..

Sunny Johari : Tu toh ice breaking trip se hi chipak gayi hai yaar. Fir wo apan ka night out, drama aur aakhir me 609. Tere saath 2 mahine kaise nikale...pata chala bhut pata chala.. wo ped ke neeche sona aur fir laat maarke ek dusre ko aage badana dhoop se bachane ke liye, dam pe jaake bakchodi karna, aur shaam ko kaka ke ghar pe chai pe faltu ki taang kheechna ek dusre ki. Lekin yaar tujh jaisa dedicated nhi dekha hospital me bimaar padi hai lekin tabhi kaam karne ka tera junoon..abb baccho ko abb acche se paalna...aur haa idli acchi banana wo aloo ke parathon jaise nhi (waise acche bane the uss din) Aur khayal rakhna abb apna..aur jaamun kam khaana Aakhir me yahi kehna chahunga #Laal salaam

Nisha Satish : Hey Pretty, You have always been a cutie quiety. Thank you for being a part of this amazing journey. We make the best most 'vulgar' dancing pair. You trigger the vulgar side of me and i am so glad you do. All the best for your future endeavors and take care bruh!

Gagan Gautam : Chill maro. No more seriousness Or one more year jelo hum jaise ko

Rohit Kumar Prince : Chhattisgarh wale Pandeyji ko barambaar Namaskaar! From meeting during the interviews to Neer Prabandhak, it was a great journey. You should remember your great Manager and colleague for truly influencing you :p Bring something more when you visit Japan next time. Would welcome you when you come to Bihar :p aur haan health ke mamle me padhai kar bas, hamari chhuimui ko takkar mat dena :p

Aditya Chalishazar : Thank you so much for all your help with PGAC 2019-20! You really worked for everything in a very dependable fashion. All the best and stay in touch! :)

Satish Dulla : Its been a wonderful journey so far. Among all the best memory with u is our ice breaking trip. You were a bit childish, cute and nervous. Later I found that you are not as much as I thought. Other memories: I saw you during interviews (CTARA & CSRE) for the first time. You might have heard that I had crush on you. Its not completely true. I remembered the way you cried, talks we had, things you handled. Ya... I can't forget the dance we did in that running bus. You are a dedicated and workaholic lady. I wish you all the success in your path....

Swagatika Priyambada : The poetess of the batch, your orator skill are worthy of praise. When you dance, no one can match with your energy. Don't skip your meals and take care of your health . Also keep reading books of your choice and follow your dreams!

Arpit Shashwat : you are not as mature as you look.. you are not as truthful as you seem.. you are not as good as you want to be.. so who are you ? you are Sakshi.. just the way you should be.. more than you know.. more than anyone else. The Best Girl i know
