Aditya Patki : Piyusss, you were a brother in the other department. Tere bihari catchphrases mess me aag ki tarah phailte the. Pata nahi kaise but tu thode hi dino me ekdum andar ka aadmi ban gaya. Teri thodi jyaada lene ke liye sorry, but after all ek bihari toh sau pe bhaari rehta hi hai. Apni road trip toh best thi yaar, tere 'genuine' bus license ke bina toh possible hi nahi ho paati woh trip. Us trip pe meri skiillss parr vishwas rakhne ke liye thanks. Apna barff dekhne ka plan toh kaafi fool-proof tha, sirf ek temperature ka factor dhyaan me nahi rakha tha :P, but woh abhi nahi toh kabhi aur pakka execute karenge. Aur ab sab ko tere weekly AB InBev supplies ka intezaar hoga, bhej dena. Best of luck!!

Parth Solanki : Piyussssss buii "D" ki jagah "R" use karnaa Identity ban chukaa thaa teri xD. Teri aur bilala ki debates lunch k time per miss karunga me 😂. Terii bihaari Stories kaafi lit hotii thii xD. And lockdown khatm hote hi trip plan karte h is baar successful honge xD. Machaate rehnaa 😊

Anmolpreet Singh : Piyussssss! Har bar mess me entry maarke mereko gali dena teri aadat ban gyi thi. Aur hamari aadat ban gyi thi teri galiyo ko sudharne ki. Mast aadmi ho tum, aise hi haste rho, khush rho. Aur alibaugh trip me to khub maje kiye apan ne. Milte rehna. Yaad krte rehna hame (mil bhi le hi lena)

Pavani Jeet Jignesh : "Please refrain from offensive language" Ab toh hum kya hi likhe! Still, it was a long journey where you became from just Bidish's rommie to co-manager to placement yaar. Hopefully tu 'r' to 'd' bula payega kyuki 'bharva' doesn't sound good. Final tip: Ab toh C++ sekh lena.

Mayank Sultania : Baatein kam and kaam jyada sikh le... and apna Pizza and burger wala kissa yaad hai na. Apni neck tedha rakhna chorr de, logg tujhe tedhe gaardan wala keh kar yaad karte hai abhi bhi.. Trading company se FMCG tak ka safar tera, koi nhi apan issme bhi machyng. Janne kitne hi assignments mein help kiya hai but fir bhi tune treat nhi di hai, yaad rakh and dede. Fir se kabhi jogging pe chalnge and han apne tino - Baldev included ka proj wala time sabse jyada mastt tha jab apan raat raat bhar h5 ke comp room mein rha karte the. Banglr mein milte rhnge and aisa hi saste burger khaynge!!!

Jatin Chandawat : Darling piyush! Mera final year ka padosi. Pata nhi bhai tune konsi baatein sun li thi meri. Apparently maine mushkil s 2-3 bar to baat ki hogi. Baki mast bannda h tu. Bidish s bichadte hi tera naya janm hua tha. Mech junta k sath chem wala bannda. Mess m bilala ki kitni mari h apan n sath me. Baki bacche k room wali memories hai. Then apne 2/3rd year jab Ak42 legit accha hua karta tha uss samay treats bhi badhiya hui hai. Bahut jordar view points h hote the bhau tere discussions k. "Ghar ja rhi h kya" humesha yaad rahega. 😂😂 Baki apne Marvel wale talks bhi sahi the. Sahuliyat hui to WW2 or BW sath m dekhne chalte h. Keep smiling bro. Good luck!

Samardeep Sarna : Literally the first friend in insti. Lectures nahi nikalte 4 saal tere saath bakchodi karne ke bina. NCC Camp me woh chotu ke saath bakchodi aur fake bruno fb account banane me infinite bakchodi hui thi, most fun time in insti. Bahut mazedar discussions kiye hai 4 saal. Bhulna matt mujhe :)

Hemil Kothari : "Bihari kabhi himmat na hari, hai sab par bhari, kheni khaye sari, 'd' ko 'r' bolenge teri kya jari" Proud of bihar. Ab thoda magna kam kardena. Winter me apan logo kafi maze kiye or vo smash me bowling ka to alag hi kata tha, agli baar phele call karke jayenge. Tu pool bhi kafi Shi khelne lag gaya but ab mummy ko call mat karna 😊, kabhi time mile to plan banate hai. Bihar me instruments kharidne ke bahane kafi kand kiye hai tune XD. Banda tu dedicated and deterministic hai, and mere python ke noob doubts clear karne ke liye dhynawad.

Bihari jokes se teri lee hai but we never meant what we said. Best of luck for your career

Abhilash Wankar : Biharii Nigge. ! Freshie year me mile the apan Pratik k room pe aya tha tu. First time baat kark laga nahi tu Biharii hai 😊(sorry for stereotyping 😊). Fir to wingies he ban gaye 🙌. Saath me movies dekhna, Pizza khana, 2 din ka swimming jaha mai to always ready tha par tujhe magne se kaha fursat thi. Aur vo placemet k time coding k questions discuss karna. Interviews k time Infi bhag-daud or tera support mai nahi bhool sakta. Big thanks for that <3. Tere Bihar k kisse sunate rehna. Kafi lit banda hai tu. Life me aise he machate rehna. Bilkul milenge. Sab laundo k saath trip bhi bachi hai apni vo bhi definitely karenge.

Akshay Bhamare : Yo Piyus!! First time team me hi mile but soon we became good friends because we agreed on almost everything. Working together with you was always great. Have always found you matured, rational, sensible dude. Bhai tera finance enthu toh.. _/_ Mere investments ko tu hi sambhalna. Treats pe nachna was favourite part, intro wala pole dance to hamesha yaad rahega 😂😂 Your confidence and composed, chilled out attitude during placement was commendable. Aise hi mast aadmi rehna hamesha, bahut aage jaoge Sir aap _/_ khud ka fintech startup karoge to hame bhi job dena. AbInBev me ayyashi karo! Stay in touch ♥♥♥

Rushabh Vora : Yo thingu pee use! I got to know you only after we were teammates in the 3rd year. Uske baad se to infi treats, meets, dance, pavani ke lectures while having a walk, tujhse H5 ke kaam karvana (thanks 😊), pavani ke roasts, teri English 😄, we have many memories. Thanks for always being available kyuki OC tenure me mene sabse jyada calls tujhe hi kare honge. Aise hi khadus shakal wala sweet bihari rehna hamesha and I hope that God helps u as now u will be joining GPSS at ABI 🤔. Surely Bangalore me milte rahenge and pavani ki maarte rahenge♥ P.S.- You are failing at your task of keeping the group active so buckle up!

Shubham Jain : Yo Piyush, to me you were the only official bihari in our 10th floor. The slang you have is unique and is fun to hear. I have enjoyed being with you during our first year, and also I had great fun during our participation in RC Plane competition. Though we couldn't meet much later on, it was great knowing you. Your laughter will always be remembered by our group which was unique in its own ways. All the best and keep up that smiling face of yours :)!!

Vardhil Mehta : Piyush. Bhai, 2nd yr me TF k cyclothon k poster k liye pehli bar tujhse mila tha eventhough apan same hi hostel me rehte the. Uske bad toh apni dosti esi hui ki tu hostel me Chem se jyada Mech valo k saath rehne laga. Aur Alibaug trip pe toh hum logone tujhe 3 bar maut ka samna karvaya tha. :P But us din tera evolution bhi hua tha, tera motion sickness chala gaya tha. XD 'D' ko 'R' bolne vale mere dost, machate rehna life!

Sayali Kshirsagar : Hey Piyusss!!! We both aced the granular mechanics course with barely attending the lectures 🤔. Thanks for sending me the solutions of many courses, also for the laptop during placement season. Btw mujhe tease karna kam kar do. How do you guys always team up against me 😄. AZeo was so much fun. Marathi sikh le 🤔 you missed out half the fun in the group. Thanks for helping me on the event day. You are a very kind, helpful and caring friend. Placements machaya be tune. Aage bhi aise hi machate rehna 😊. Stay in touch. Also, nasik ke log bohot acche hai okay 😊.
