Himanshu Kala : xyz good things about you. best thing was to see you high and drunk calling people (including me :p idk why xDD) and also ur everyday rants ki yr main fail ho rha hu which were not true at all. Devyani Verma : My first friend jisko I "brozoned" and got the favour returned xD I don't like our stupid fights and debates and little arguments but I love you and you are my family now so sudhar ja :p We both suck at texting (do you?) but I hope we figure out a way to stay in touch moteeeee. You are a cartoon and you have grown so much as a person all these years! I love how far we have come so let's stay put and make more memories in the years to come because apni ZNMD trip bachi hai broooooo <3 PS I am glad you have started taking my side too a little (validation mangta hai yk? ofcourse yk, cuz tu bhi mere jaisa hi hai xD)

Risha Agarwal : Dear Sanket, From how ever little time I've spent talking or prepping or chatting w you, I've known that you're a really pure and sweet person who tries to work as hard as possible. I still believe whatever I said about you and Arman Malik 😂😂 and now that we're going to be colleagues I'm sure we'll have a great time together !! 😊😊😊 wish you lots of success and happiness in life sanket!!!

Prakhar Jain : Had an amazing time laughing at you wrecking people in our wing. I am so glad you were there on the trip, your vote saved us from the avalanche on the kareri lake :P. We survived -5 together bruh. On our time together at the trip, I have found what a smart and wonderful person you are and hope to stay in touch in the future. I loved wrecking your ass at FiFa bruh :P. All the best.

Pranav Sankhe : Physics lab dhundte hue mile the pehli baar aur dekh kahan pahuch gaye. Tere saath bahot opinions pe disagreement ho jaati hai but fuck man, I love you. Elec club mein jo masti ki hai, wing mein bakchodi and fir H18 hi aa gaya tha. Be it Tank ki taang khichna, Managers se treat lena, Biryani ke saath Friends dekhna, Ritik ke saath milke aapas mein mess table pe ladhna and being part of almost everything important. We have shared so much! Pranks, food, time, friends, friendship, life. Teri kavita suni nahi bahot time ho gaya. Jab milenge vapis tab jaroor sunana. Aur of course milte rahenge, baatein karte rahenge.

Prudhvi Kavya : Sankuuuu!! Bhai how can I ever forget ki tu inn 5 saal mein kitna zyaada roya hai xD But tera rona sunke mann ko shaanti zaroor milti thi ki chalo koi hai mere jaisa. Dude your dedication towards MI since the freshie year has been so much that Sanket and MI synonyms ho gaye hai mere mind me. I hope that you find the same passion in your career as a consultant. Mujhe bhool mat jaana, and keep the Shah Rukh Khan in you alive forever :*

Radhika Tibrewala : Hi! I dunno how and when I got to know you, but I like how we are atleast not total strangers now! It was nice to cross paths in h18 and h10 so often last sem with hi hellos and small talks, and best part is it was with absolutely no awkwardness xD I hope that you have a very bright future and we do get a chance to know each other. All the best :)

Rohan Pathak : Rooootluuuu! Bhai kya aadmi hai tu. Fodne ke baad rota hai bewda :p Yaad rakhna, Fifa mein hara ke bheja tha wapas haha. Kitne se harane waala tha ? Hahaha Sorry bro, but I think thats the only time I think tujhe haraya rahunga but hamesha ginaunga :) Thank you mujhe wing mein inculcate karne ke liye :p Tum sab OCs ke aaju baaju rehke kaafi kuch chize sikhi hai. And 1st year se tere saath bahut acha banta tha even though our paths were quite different. Bahut maza aata tha tere baajut mein rehke. And I hope you still remember that I swallowed your whole ice cream at once in the 1st year hahaha And tu kaise peeche bhaaga tha. Ekhade trip pe lejaana mereko bhi :p And Catan sikha de pliss <3

R Sucheta : Hiiiiiii, From XLR8 to Aru's roomie to shiket.. You've been one cool, chill AF (the chilliest person I've ever met :P), fun, kind, sweet and awesome senior. :D From being an anime lover (Tyty for watching naruto, I am reliving it <3), Sule's fav student (:P), having a messed up sleep schedule, always cheating in ludo world (-_-), having a great taste in music to giving life lessons and helping everyone along the way. :) Stay the same and all the best, soon-to-be hokage-san ;)

Sarthak Khandelwal : Sir sir sir, you're probably the first and one of the best seniors I got friends with in my insti life. The fundae you gave me about everything and anything I asked has been so helpful and I am forever indebted for it. Best of luck for everything you do in the future, stay in touch!

Shobhna Misra : Hi Ditcher! (This is my favorite nick of yours, and also the most accurate...) Thanks for always being there for me, starting from the Convener tenure till the last year. Ripping you to pieces is quite enjoyable (I am sure Krish will concur) and I will never stop doing that :P. We have shared infinite memories, which cannot be said within a word limit. As for you, you have grown a lot from crying about not becoming a CG to becoming OC and doing your job well and giving me fundae :) You are amazing, stay like this always :) (Just reducing the crying though :P) We are definitely staying in touch :)

Lakshya Bandhu : Hey Sanket, I still remember our lab days where usually our circuit won't work and we spent most of our time debugging it, it wasn't a great experience but somehow we survived 😊. From then till the last sem whenever I met you greeted me with a smile and I appreciate that. Your hard work in MI was commendable and I believe you will keep doing the same in your job. All the best and keep in touch.

Krishna Subramani : Sanket Bhau! 5th sem to na bhulunga, I tremendously respect that inspite of being MI manager, you gave your 100% for apna micro project! I've enjoyed our discussions on random issues, keep rocking your passion and dedication in your work !!

Karan Kothadiya : Bhai tu hi bas bacha hai insti mai jo meko abhi tak Tomu bulata hai. Nostalgic kar deta hai, saare basky ke seniors yaad aate hai. Machau toh infi ho hi bhai. I remember second year jab tum sabke CGs ke interviews ho rahe they and you had told me ki yaar ban toh jaunga mostly, mai accha candidate hu while all others I knew were either afraid or being diplomatic. Tab meko laga tha is bande jaisa confidence aur clarity ho. Look forward to the time together going ahead bro. :D

Aditi Mahajan : Hello someone. I am hoping that whenever you read this in life, we'd still be bestfriends :) :p Meet me soon(try to be on time maybe?😄) and give all the pending treats bc

Sarthak Sharma : Sanketttt! yaar final year was soo much fun because of you (din mai roz 4-5 baar toh takrate hi te -ahh yeh bizzare story kahi bahar nhi jaa rahi par :P) It all started with that Blackstone challenge dono ne kya mast last moment tak taala sabkuch :p uske baad placement prep ke time itni help karne ke liye thanks :p indi Ted talks diye hai aapne! and I'll never forget your help and our conversation during Day 3 :''') Sir Jesselnik ke god content batane ke liye you owe me a treat! Stay in touch! And mera permanent joke - apni bonding mai shayad 2-3 semesters late ho gaya mai :p

Texts pe itna pyaar ki bandi ko insecurities hogayi thi XD H6 wala cheese pizza toh maine kabhi nahi bhul sakta - scarred Neeraj for life lol. Thanks for keeping me calm when I was raging in those times - usi bahane teri story bhi sunne ko mil gayi :)) Also, thanks for catching the slightest of signs and checking up if things are okay :) Khud infi planning karke doosron ki planning tendency pe shit karne wale log *tch tch* MI machaya hai tune launde! (itni achhi pics bhi mil gayi *_*) Aur sun, koi competition nahi - Hindi poetry ki kamaan tu sambhal, main english ki rakhta :P ~ Forever SO ki Sautan

Neeraj Sohani : Bayum! Ladke you are one of the sweetest, strongest and most mature people I know. At the same time you are also one of the most child-like, emotional and the second creepiest person I know. Somehow you manage to be all these things together and that's awesome. We both have seen each other crying like babies and that's really a testament to how homely you feel. Thank you for being with me whenever life gave me shit. I really can't express how fortunate I feel to have a friend like you. Hope life gives you all that you deserve. I'll miss you.

Bhuyashi Deka : ERC mein you were the convenor I spoke the least to. And I was pretty sure ki first year k baad hum baat nhi karenge. But that changed when I tried to become a matchmaker fo you (uski treat pending hai :p). Got to know your stories from two different sources and had to do a lot of convincing for the greater good. MI mein entry dilaane k liye thanks. Can't tell you how bad we felt for using you :P. Also I'll let you know ki prom dress select karne mein bohot zyaada time laga tha toh please use kahi leke jaana. Arsh Akhtar Ansari : My Agony Aunt !!! For every pain in life you're always there. Aapke advice kaafi valued hote h. Still remember the 1st year debug sessions at elec club which were pretty cool and very informative. Then came MI tenure wasn't a very good time for our relationship but a really big learning experience for me. Sorry aapka aadha tenure mujhe call karne mein chala gaya. I still remember I was on tough time post tenure then one statement of yours not even directed to me helped me to get out of it. Thanks for everything aur haan apni koi agony ho to abba ke saath share kar lo :P

Pranil Jain : Arey tidduu bhai, itne acche insaan kyu ho. Chahe kuch bhi ho jae, aapse kisi ka dukh dekha nahi jaata. Alag machau aadmi ho bhai, gaiya se bhaiya ban gae ho ekdum. Kya next level support karte ho bhai kisi bhi cheez main, dil jeet lete ho. Dhanyawaad yaar tiddu miyan for everything. Aapko kabhi bol nahi paaya par I really respect you a lot as a person. Haan kabhi Fifa main hara nahi pae woh baat alag hai par aapki generosity and hardwork ka fan hoon main. Stay same. Kitaab chaapo toh naam daal dena humara bhi aapke shubh chintakon main. Chalo milte hain jaldi hi.

Mohit Madan : Yo sanket bhai. you are a very easy going person. Our wing and the trip we had are incomplete without you. Although you weren't staying next door but you have always been more than a wingie. Always stay happy and energized. Stay in touch

Vedant Ladha : Yaar aapke liye toh jitna likhu utna kam hai. Har treat mein bhand hoke senti di hi hogi maine aapko 🤔, and I meant all of it. Thank you for always having my back, be it during the tenure or after it. Aur aap jitna bhi deny karlo, mai marki coordie bhi tha. 😂 Thank you for everything.

Bhai sab kiye ho insti life me machau insaan. The way you are senti for all, we all are senti for you as well ♥ From being racist to hitting everytime we meet, I know we have bonded on a different level. Bache ko badhte hue dekha hai since forever, looking at different amazing qualities in you. Bete, stay in touch is less, milte rehna hai apneko and Daddy is always there for you!! ♥

Puneet Kaur : Hi mere ok ok friend ♥ :) fire brigade toh aap bhi ho - more than you know 🙏 mere baap convener ban kar bahut BT karvayi hai aapne 😞 but look where we came from there :) itni texting (offend mat hona ke disclaimer bhai sahab xD) and first time jab mile the gullu mein tab Krish ko utha kar laaye the 🤣 (post MI OC tenure) people think bahut swag hai but you're a total shy overthinking ki dukaan xD bahut kuch share humne kara hai - some stuff I've rarely told anyone, I've told you ♥ those walks and those hugs - they mean a lot to me ♥♥ I kinda wished ki aap blr hote but koi na yahan zyaada khush rahoge :) jo bhi ho I'll always be your gf 🥰 Jaan khaati rahungi because I love you ♥

Abhinav Dhakras : MI se ab finally Sanket jaye, lekin kya Sanket se kabhi MI jaye? Lol don't think so. Teen saal mein very different roles shayad nibhaye hain aapne mere liye (each year including loss of respect :P). But despite everything your personal and professional presence has always been a boon to me. Bas har cheez mein senti hona kam karo thoda. Haanikarak hain bohot. And lastly, placement ke months waali help ke liye apan aapke lifelong abhaari hain♥

Mukul Jangid : Jitna bhi interaction hua hai sab final year mein hua hai and I wish pehle mile hote apn. Bohot mast vibes aati hai aapke around rehke. Aur aapko AIDS mein naachte dekh toh mein khush hi ho gya tha and CAT test waali ride humesha yaad rahegi 🤣. Last moment tickets dilaane ke liye thanks 🙏. Drama and Food at Prithvi theatre was awesome, more awesome was seeing Pranil running once in a lifetime moment XD. Aapki wajah se we could make and present the PPT and hopefully pass the course. Hope to interact more with you in future.

Ritik Madan : My first day in Insti was one of the luckiest day of my life when I met you (along with Neeraj and wingies :P). Looking back, you've been a constant throughout all the amazing and ugly times and I'm glad you'll be there by my side Insti ke baad bhi. Does that make analogous to a LIC policy? (sorry for this terrible joke XD). Studying for exams (lol), rants, DDP, ERC, drunk calls, so on and so much are just the tip of the nostalgia iceberg which would usher in when I reminisce about our Insti journey. This just makes me more excited about the future shenanigans we'll share. Anyway, these words can never be enough, and let's perhaps collab on a poem on our friendship someday? XD

Pramey Singh : Sanket bro, if I remember correctly you were actually the first person I talked to on the first day, in the convocation hall. I really enjoyed talking to you on all the weird topics we came up with, mostly because we share a lot of beliefs. I really admire the way you interact with people, no wonder you are loved by everyone you know. You are a great leader, keep surprising us :)
