Saman Siddiqui : Babe <3 How do I even express how much you mean to me? You're so beautiful, funny, smart and strong! I'm so glad that we became friends and room-mates!! Thank you for always supporting me, and you have to remember that I am always going to be there for you!! You're such a radiant person, who just never gives up and always wants to give back to people. I'm incredibly lucky to have found you and everyone who knows you feels the same!! <3 I know this is not goodbye <3 :D Hum toh baat karte rahe ge <3 Love you so so so so so much!! <3

Himani Gangurde : Hey bro, my first ever friend of Insti life! Glad that you're a DD as well, so we can now graduate together as well :D

Kriti Kamna : Arpitaaaa! I'm so glad that you will stay with me for the coming year! Being your wingie in the first year was strangely comforting. Those Prank calls and texts, late night Maggie cravings, sharing ED tools, borrowing dresses and prepping up for the salsa night - all of it! I can't believe, how little we meet each other now -_- Let's make up for the time in the coming year? ♥

Sanskriti Shah : Heyyy...I am glad apan mile. Jitna bhi time spend kiya hmne sathe mein...mast tha..Tere sath hangout karne mein maza aaya..apni wo Alibaug waali trip...galleria waali cheesecake... hamesha yaad rhegi. Anu ki sath mein udane mein maza aaya :p. Mast hai yr tu . I wish Anu ne hme pehle introduce karwaya hota ! Stay the same ..and contact me rahiyo :)

Aur kuch bhi ...mess me se Mene hardly kuch khaya hoga... icecream, hot chocolate, apne aap ko bachane ke liye Mera Naam daal diya😞. Tere saath infi maza Kiya....2 nd year Mai saath milke apni harkate... Aur apna padayi ke Naam par timepass karna. Tere room par aakar mera hamesha tp hi hua hai, Lekin kafi jyada stress busting bhi tha. Kitna cakes khati hai tu, thora kam khaya kar. Ye kitne ka hai?😁 Bechari Riya ko bhi bhool mat ja😂😂
