Materials Science
GRA

If you could pack up a bunch of things from
the institute to keep with you forever, what
will those be?

Boat House, Night Walks and my friends!!!

Yearbook
2020

Neeharika Swami : Shubham, Thanks for being a genuine and ever smiling friend. I was lucky to meet a person as you with Meta at heart. Have all the success you wish for. Milte renna @Mr. Blue. Try some other colors as well. Der Himmel ist voller Farben - at different times though :)

Pujan Biswas : Mere Penguin 🐧 Aise free ka bhaalu+penguin kam hi milte hai. Lekin tu kitna mc hai tujhe hi pata hai. Insti ke CWG+2G+Rafale+Coal scam ko ek mai karne waala maalik hai tu. Itne saste treat mai kaise nipat gaye hum yeh nahi samjha but theek hai. GRA ke "junta baahar aajao" mai akele jaane waala, bio minor waala, tu alag hi line ka banda raha hai zindagi bhar jo dusro ke liye care karta hai silently. Har problem, har tantrum, har trip, har eat-out, har weird TV-show mai saath rehene waale ko kabhi nahi bhulunga bas tu yaad rakhna. Words cannot be enough, rest seperately, let the Yearbook have nothing but a glimpse. Tujhe pack karke leke jaaunga though your ban to US :P Herr Fuhrer, Bisso

Jinay Patel : Karmoo: teddy,cute,mota aur *haramkhor*. You use to be very irritating in freshie year, tu room se jata he nhi. Bcoz of you my room became dharamshala. Iska badla mene pujan ke saath last year me le liya. Bhai tere interest alag he hai (not talking about "that"). Idhar "that" samaj jana chahiye tereko, ye vahi baat hai jo tune mujhe aur pujan ko last year me batae and jo anurag ko pehele se bta thi. Anyways, will miss those night walks, patte, anurag ko pareshaan karna, kalu aur anurag ka door knock karke bhaggna, pujan ka jor jor se hasna, your infi capacity of ..., horror movie.I hope your dream of getting into BARC comes true. Always keep your smile with your Bhola face. Yours Jungli, Jinay

Yearbook
2020

Shubham Kalpande : Karmo Bhaiyya! Tumhare piche piche GRA mein aa gaya, and boy, Kya experience tha! Sarkaari paiso ka sahi istemal toh koi tumse sikhe, you know what I mean! I deeply admire your hunger for knowledge and your desire to learn things. Kaash muzme bhi aisi qualities hoti! Ghaati hoke ghar nahi leke gaye hame abtak, kya yaaar. Tumhare sath gappe ladake hamesha maza bhi ata tha aur knowledge bhi badhta tha. Thank you for all your time, mate! Jaldi se scientist banke bomb banao yaar, idhar hushyaari maarni hai - mera dost bomb banata hai! Milte rehna Karmo!

Shuvam Bharti : Karmo, har camp par jo tune ghar se lekar thepla or lasan ki chatni khilai uski kassam. I feel really lucky to meet you in a random camp which i took just as a way to escape insti life. Among other things i will specially remember getting lost in south bombay by 2am. Lakeside evening walks with u and devesh, ganesh chaturthi, phanni, rasgula, macharjhor, card games, gra ke unconventional birthdays and camps. You are one of the most enthu and humble person i have ever met. (~▽~)~

Bhawna Kumari : You are the sweetest of all GRA members 😊. I love the way you talk with always a cute smile on your face 😊. Thank you for all the homemade food you shared after the GRA meetings. But, I regret that I couldn't come to your home on the occasion of Ganesh Chaturthi and I wish I could get the opportunity in the future. Wish you all the best for your future. Always keep smiling!

Kajal Kumari : Thanks to god for a friend like you with a smiling face and a golden heart. Thanks for taking all my tantrums throughout. Have a lovely year ahead. <3
