Utkarsh Kulshrestha : Well, the best of our memories have been snatched during our visits to Sunny. Having to watch your mining brochura with Manoj, gave our group a balance between nerdy and rowdy. :D Lot to learn from you, in terms of fitness and hardwork. For all the time spent, you always gave your best in everything. No compromises. You know where to draw a line, jab tak parties mein bhand na ho jao. ;) I just hope that we get time to create a few more memories. Everyone in our group had something unique, with you being the strongest in will and hardwork. Thora time aur milega, toh sikha dena.....mereko ni...gendaswami ko :D

Parashuram Shourya R : Let's begin! We haven't talked much in the beginning for at least months I guess. I think that's how the best of the friendships begin. The more I interacted, I saw a brother in you more than just a classmate. The way you handled yourself, balanced things is a motivation to everyone. The connect has become stronger the more we went to Sunny. It played a major role in exchanging our ideas. You'll always make an offer which I cannot deny :D . The advice you give is very valuable. Hamara batch ka Thor :P. Great dancer, Lover Boy and a perfect sportsman. We have lot of plans to be accomplished. Hope we meet soon. Take care Brother <3

Hemant Prasad : One of the most energetic persons I've ever met. You are really inspiring and your will power is infinite. I really admire your habits of managing work and leisure. Thank you for inspiring words, they helped me a lot. You are an awesome person lekin me(non drinker) chakhna khau fokat ka to daata mat krlolol

Sanoj Prasad : Bhai agar tu naa hota to bahut si parties m jo hmne ki aadhe hi log hote. Jo tu darwaaze tod tod k sbko laata tha, will never forget that :D. Tera confidence or time management masha allah h. Pata nahi kese manage krta h tu but that's great to see. Or haan, seniors ki placement party m tune jo memory di hmko wo b yaad rahegi :D.

Now on the path to become an ace data scientist. Tmhara ched ched k bahas ladana yaad rahega :D Best wishes always!

Sandeepan Dhoundiyal : You will be missed dearly roomie! Sharing a room and birthday with someone just as much of a party animal was a great pleasure. Bhand karne waala idea sahi thaa, bas execution mein kami reh gayi. Next time, it will work. 😊 Working on so many projects with you was a great experience, I don't think any of them would have been completed without you hounding my lazy ass. It was awesome, to have someone to share a love for good food and drink with, right from the first months. Patle will be remiss if I didn't mention us breaking his door (although mein the to kuch kiya bhi nahi). Will keep seeing you at CSRE's party headquarters. 'Der se aaye lekin durust aaye'
