Himanshu Bohra : Same seher se lekar same city se lekar same interns tak ♥. You are one of those people who cannot be replaced in my life. Thank you for all the 155 memories ♥. 155 hamesa yaad rahega for it's cool songs+football matches+apni bhakchodiyen. Tera hardwork, dedication and family ethics are the most beautiful things about. You have taught me to never give up be it elections, acads or sports. Life mai bahut BTs khayi hai tune but you are kind of a person who finds happiness in small small things which is your purest trait. Ktine ghante FIFA mai barbaad kiye apan ne xD. Milte rehna bhai, bahut khaas hai tu ♥ PS room se bahar jaane ke liye thanks during my tinder dates

Arpit Kedia : Sports Co ko har sport khelna zaruri hai kya :P. Pata nahi tu koi bhi random video dekhne kaise aake baith jaata tha. And har cheez ke liye itni energy aur enthu kaha se laate ho? GRE ke liye raat bhar tum log jo revision lete the nahi bhul paunga. 155 was a black box to me, never knew what to expect. Tu itna unpredictable hai, phir bhi disappointments and success mein maine teko zyada alag nahi dekha, dono mein chill ho jata hai. Total badass, always spoke your mind. Teri placement ne haalat kharab kardi thi, ek treat toh dede, fees bharne ke pehle :P. Arsenal nahi jeetegi, Wenger ne itni umeed nahi rakhi thi lol. You made my insti life crazier. Koi kuch bhi kahe, humara GSec tu hi rahega!

Archit Gupta : Sports councillor ka dard bilkul samajh skta hu bhai. Aur lonavala trip was absolutely lit! Lol. Baaki zyada senti hoga nai yaha mere se toh message par hi baat krte hai.

Kushal P Yadav : Are fellow Arsenal fan! Dude I don't know Bangalore kaise hota tere bina ! Only if we had more time for lukkhka there. The amazing scooty trip to marketcity, raat me Belgian Waffles jaana at 12 pm with KGP and Roorkee nibbas, it was a great time to overshadow that stupid intern!

Abhirup Majumdar : "Abe 3rd wing ke laundo ko bula, crossy start hone wale hai, me 2nd dekhta hu..." Man those sports secy days were the best. Tune bohot machaya tha then and councillor tenure bhi. Umeed tha ki tu derek jaisa football me apna H2 ka naam roshan karega last year me, lekin nahi...record apna bana rahega saalon bhar. Arsenal se bhi kuch na ho payega. Mess me thoda jaldi khaya kar

Amarjeet Kumar : Yaar koi bib lado... mujhe wapas se crossy daudna hai... i believe tere enthusiasm se hi humne sports cup jeeta tha kya machata hai bhai secy se lekar CO tak tere bina apna sports council adhura rahega. Aise hi machate reh life me milte rahenge bro👋

Bhadri Narayanan R : Hey Sarvind! H2 is love, don't get swayed by rumours :p I love your positive attitude and enthu for almost everything in sports council. I remember everything went smooth, coz every time we hit a bump you'll take the initiative to sort it out. One of the proudest moments of my insti life was bringing the sports GC to where it belonged and I'm glad to have done it with you besides. I think you deserved a much better tenure in the following year, but maybe secies are the real pillars :p Keep up your spirit!

Animesh Singh : All rounder of our grp who goes round and round after a #brownie :P Your dedication in every work is astounding and I am glad I became a part of your friend circle. From coding to sports, you give it your all. Tereko toh main "civil engineer with core job with non-core profile" se hi yaad rakhunga xD All the best for your future. A non-core job is waiting for you :P

Arya Mithu Garg : Bot sorted banda hai tu, humesha plans ke liye ready rehta (Given that cost limits :P) Sort ho jaega vo to. Koi kuch bhi padhra ho, bhai humara sathme aa jaega help kara hi dega. Btw, I really was happy jab tune likha “Mann bana liya hai”. Kaafi understanding banda hai tu, I have noticed ki bot baar tu group ke liye chize kar leta if tera mann nai bhi hota to, like Ludo :P, jokes apart I am thankful to you bot chizo ke liye. The most memorable time jo mere liye hai vo train vala rahega (1st time vala nai 2nd time vala <3), kaafi memories re-live kari. 1st year se hi itni memories hai sathme, good to have you as a friend. Milte hai trip pe :P Bhai sahime thoda jaldi kha liya kar :P

Arsh Akhtar Ansari : One of the two faces I will visualize when anyone will say the word 'insti'. 155-153 bonding is just legendary. Probably sabse zyaada time spend kiya hoga tere aur bohra ke saath. We two are the chilliest duo ever. Kya random ventures le lete the humlog apne wings ke under. Random cheezon ke liye kya epic energy aa jaati h tujhme. Your enthu for sports is so genuine that it inspires to find sth i love. Too many memories and too little of a space waali situation h ye to. Bas ek baat bolunga hdfc nhi to tata ka CEO ban jana :D. Aur treat de dena sabse zyada kamaya h tu wing mein

Kumar Saurav : The one guy who eats slower than me. Thank you! About those GCs - I remember how much you cribbed about those. All day in and out about hostel sports, no relent at all! I can't believe there was a person who was more into those GCs than you, even when you were not in the council. This last tennis GC would have been ours, no doubt about that - although you would have cried still all the way up to the last set.

Yash Lakade : Survind I don't deny that's not your real name but I don't disagree that your name was misprinted on that hoodie I mean there's a highly probabilistic possibility it was a genuine fault but who knows. I guess that pretty much sums up all the syllables in your dictionary literally yaar! Har chiz mein ji jaan laga deta hai tu sirf sports aur coding nhi even padhai mein bhi jab tak nhi samjhega tab tak disagree karega. Summer mein bohot bakchodi kiye apan. Just an advice saare exams dena jaruri nhi hai thoda kam gaand ghiso. Jab tum meri Netflix mein job lagaoge tab hum tumhe koi coding company mein lagwa denge. We'll try new mocktails but cheers to beer with frooters (strawberry flavour)😂😂

Divyanshu Chahal : Piche mein sambhal lunga aage ka tu dekh le 🤪 ek saal aur khelte hai bhai "is saal pakka goal maareng" . Tere skills pe trust hamesha se tha mujhe , I felt koi goal maarega to vo sarvind hi maarega. It was always fun talking to you , at the end I can happily tag you a great all rounder.

Kumar Saunack : You got lucky this year. 2020 was supposed to be H6's year for tennis GC. Remember that.

Piyush Gupta : Yo Sarvind, Kya mast chill banda hai yaar tu. Wing mai kaafi backchodi kiye apan. Wish we could've hung out more. Kya enthu se drums seekhta tha tu :D. It was fun working with you in the council as well. Kaafi helping banda hai tu. :D

Rituparna Samantaray : The right person to call and ask "Aaj intern jaana hai kya?". Har baat ko Agreed ke saath khatam karna and "you know who" ki bitching karna. You, Archit and I just got the cabin we wanted the most. Thoda jaldi khaa liya kar. Thank you for being a part of my small but colourful intern journey. Aise hi machate raho sir!!!

Kevin Shah : Wing ka non existing member tha but jab bhi aata tha bohot maza aata tha xD eco me machane se zyada baaki courses me meri bharke lete the tumlog xD it was really fun to have you a wingie for 3 years, jabhi bhi kuch chahiye hota tha, tere and Bohra ke pass mil jata tha xD hockey gc bhi jeet liye saathme! Bohot bakchodiyen kari hai saathme aur bhi karte rahenge, milte rahenge :D

Rajat Rathi : Sarvind Sir!! Hamesha tere saath football khelke bhot maza aata tha. Second year se hi you had maxx enthu and hamesha sabko sports ke liye motivate karta rehta tha (no wonder Sports Councillor :P). Otherwise bhi bhot helpful nature tha tera, and yeah GC goal maar dete toh alag hi feel aa jaata. Hope that unlike Arsenal, future mein bhi life mein machate raho! Touch mein rehna!

Shubham Goyal : Best baaju wale room ke bache, jab bhi yaad krro help krne ke lie ready ya random baate krne ke lie , kaafi dedicated tha tu council n tenure ke lie . i hoped ki tu dusri post bhi leta and sorry elections me help nhi krne ko but me isme involve nhi hota tha, baki to as said mere pass wing ke juniors he jaane ko if kabhi kaam hua tha, 18 jane ke baad bhi apan canteen me mil jaate the but tere room par nhi , 3 baar ayaa pata nahi kaha gayab rehte the tum log , baki also thanks for providing me with the sports equipments , i hope tu machaye and jo bhi krna chahta he aage woh achieve krre, and haa pareshaan krte rehna , aise hi connected rhenge

Viraj Singh Parihar : Bhai, level hostel senti hai tu. Wo tennis GC ki planning, H3 ko bahar karwaya XD. Hockey GC jeetna is one of the best moment. Wo trophy leke H2 gaye the feels mai :P. Thoda bahut Football bhi seekh liya H2 mai saath khel ke. Bahut baar teri neend disturb ki hai maine aur bohra ne room pe aake :P Milte rehna bhai Mumbai aur Jodhpur mai <3 Thoda bahut fo
