**Abhishek Shirkar** : Tu chutiya hi rahega bc...

**Dhruvin Mehta** : Best roommate I could have ever asked for <3 ! Sorry for all those late nights disturbing your sleep, and thanks for putting up with all of my shenanigans. Also thanks for lending me novels textbooks and notes. From the quiet, anxious roommate I barely saw in the room (H16 ke din) to the much more extroverted person today, I hope I have had a small contribution to your amazing growth as a person. Aise hi aage jaake machaate rehna, aur bhool mat jaana humein!
