Ganesh Chelluboyina : Yo GPS! Never met someone whose cheerfulness was so infectious. Ever the storyteller, you'd always have something interesting up your sleeve to discuss whenever I'd randomly pop in at your room. Even though we were next door back in H15, we really began to gel into our final year. Perhaps Vedarth brought us closer. Thanks for all the help during GRE. Treat for sticking the posters is still pending 😊 All the best in everything ahead!

Vatsal Khetan : Bhai remember how we used to discuss movies, remember going to dangal, dunkirk together, moodi freshie me realize kia you were one of the nicest people that i met, hostel change clutched our interactions :(, I hope apan sath me once upon a time dekhne ja pate, I had to go somewhere I am so sorry. Let's catch up soon mate :)

Drish Mahnot : It's been a long time, I bet you don't remember we were cos for SARC 😂 Bhai I literally don't remember us ever actually working, this yearbook thing turned out pretty cool without our help. ITSP ka kya hua apna? Always keep smiling, wish we had interacted more!

Vedarth Choksi : Yo Nigger! Apne conversations kuch zyada hi lit hote hai 😂. Friendship ka standard bohot high set kar diya! Getting super annoyed with the slightest disturbances when we were watching movies. Repeating things I have already heard like 1000s of times 😊. All your gyaan about daaru and life ke fundae. Dank memes and your obnoxious talks. Pulp Fiction references. Tere room pe aata tha toh 1-2 ghante nikal jate (Infact, ek ghante pehle toh tu jane hi nahi deta tha 😂). I really admire your work ethics. Saala day 1 subeh job lagake BT dedi thi tune 😊. I don't know about anyone else, but you'll always be my nigger 🍷 to the point people think we are a couple 😂. We've a long way to go mate! 🍷

Mayank Singhal : Yo GPS! Wahi political debates to baad mein yaad aayengi. Your looks were worth watching when you had to unplug your earphones whenever we meet on the road. 🤔

Anmol Singh : GPS!!! Yaar you probably are the person jis se sabse zyada pange liye honge maine insti mein and that's because you are definitely the person I felt closest to in my insti life ♥. Yaar tere aur Simran ke saath kaafi mazaa aaya hai inn 4 saalon mein and you are the ones jinse mai kuch bhi dil se khul kar bol sakta hu kabhi bhi. And bhai tu plzzz plzzz logon ko weird out karna band kar de warna job mein alag hi reputation ban jayegi teri 😂😂. Anyways I'm pretty sure hum log to regular milte hi rehne vaale hain for a very long time and thanks to that uss chakkar mein tu thoda ghum fir bhi lega 😊. Love you bro ♥

Neelesh Verma : Yo GPS!! I loved having any sort of conversation with you. At last, I had to agree with you kyunki aur koi option ni tha. Tere room pe aaya karta tha CV, AI/ML ke liye because you are the #MLGod. One thing I won't forget obviously is that you ditched me in the deep learning course ;).

Atharv Nandapurkar : Sirjee♥ Bhai tere itna calm Banda nhi dekha life mein 🙏 the only person ik of joh pahle baakiyon ki or dekhega phir khudka sochega. Apurv Tiwari : GPS Gipsu! <3 Haan subah uthkar hamesha smile karte hue mere se pehle SAC pahunchke mujhe greet karta tha, aur fir late afty tak sath mein hi rehta tha. Bahut maza aata tha. And tab se ab tak beech beech mein milte rahe hain sadak par hamesha smile karte rehte ho tum <3 And I remember tumhari dili ichha ki lambe baal aur pagdi rakho, and actually usmein ache bhi dikhte ho :D Sampark mein rehna gipsu

Maitrey Gramopadhye : GP Boi!!!! Yar tu Bro hai yar! Kitna infi chill kiya hai humne sath mai. 3rd sem mai Mafia ke game ke beech mai deep philosophical discussion shuru karne se actual philo ke course mai philo discuss karne tak. Tere room pe baithke aisa kitni bar hua hai ki kam karna shuru karte the and double meaning discussions shuru ho jate the XD. And Munnar wala trip was very special! Tu bohot hi chill yet depth wala banda hai. Movies ka apna enthu continue rakhna! But, bro mid conversation "ek second" bolke 10 second ka pause lena band karde please, munnar ke slap se kuch to asar pada hi hoga na :P. And ab jab milenge tab gin ki ek aur bottle khatam karte hai, is bar we'll pace ourselves better though XD

Abhro Bhuniya : GPBoiiii!!! Will always call you by this name, its my fav, even in your shaadi! You were one of the first to take me under your wing when I was alone in my first year and boy did we hit it off. Really bonded a lot during our second year, with your roomie *ahem* forcing you to come to my room, and sitting together in Discrete Maths and DSA. SO many memories with you, because you were always the person to turn to for answers and for fun. Man, you helped me so much during the MS applications time, I will be forever grateful to you!!! Teri shaadi me punjaabi party songs aur gin pe naachenge! Forever in my heart, and it seems more likely that we will meet in Canada than in India next...

Rajat Rath : Arre GPS bhai! Hawasi toh tu hai hi, kabhi 'peeche' nahi chhoda tune mera xD. Beginning se hi hum Manager ki lete the and saath mein infi maze kiye. Eternal teammate tha hi tu mera and tere work ethic ki wajah se mein bhi cheeze time pe karne lag gaya (at least koshish :P). Will never find another one like you. Without you, I couldn't have made my Resume or done GRE prep or MS Apps or ... Bhot annoy kiya hai tune (I mean who cares about shirt/t-shirt or kakdi/kheera) but yeah we've had all kinds of moments from random talks to very personal discussions to grinding overnight to fun nightouts to sharing all our successes and our failures. Don't worry, ye dosti hum nahi chhodenge <3

Phuntsog Wangchuk : Bhagwaan tujhe apna tharak kaabu mein rakhne ki shakti de. The sleaziness aside, you're one of the most genuine people I've had the pleasure of knowing. You're also a Tarantino fanboy, usually aise log mai avoid karta hu but otherwise tera movies mein taste boht sahi hai. Baaki apne Chandigarh-Punjab related kisse to chalte hi rehte the. Will miss treats pe apne group ki bakchodi. So long.

Siddhant Jadhav : Yo gps... I think our common love for cricket is the best thing we share. First year me kya maja aata tha ipl dekhne me. And the ind vs sl we watched at Wankhede was a great experience. You are so humble and it was always cheerful discussing anything with you. One MI vs KXIP at Wankhede is still pending... Stay in touch bro

Sahasrajit Sarmasarkar : Thanks GPS !! True we didn't meet a lot after first year but I remember you as a jolly smiling person bringing fun in mundane lives. Hope to see that smile on your face forever. All the best ahead. Anyway let us catchup once insti reopens (if at all that happens this year!!)

Kumar Saurav : One of the most methodical people I have ever met in my stay here. Always one to make schedules, and the only one to follow up on them. But I remember first meeting you in your room in H15 - you had switched off the lights and were watching a movie in complete darkness. I didn't know how big of a cinematic lover you were. I couldn't see much in Leon The Professional, yet you were always one to appreciate a movie. Although now, I am revising that statement little by little with the DE course truly underway.

Amey Patil : GPS boi! You were the first person I met in our 15 ka wing! I'll always remember all our Mafia games, "Sanchit complaints", Cricket, ML discussions, your obsessiveness about MS phone somehow. You are one social, obsessive over little deeds, CS passionate, Rathu loving creature I will remember. We might have lost that closeness in college itself, but I believe that College life is not only about academics, accomplishments and good or bad memories, it's about how we get our personality and ideologies from those experiences which we are going to nurture for the rest of our lives! And I'll always be glad that our paths crossed in the most amazing time of my life!

Aman Singhal : Yo GPS! Tujhe humesha earphone lagaye class jaate dekha hai but apna sabse zyada interaction to final year me hi hua. Kaafi helpful aur humble nature hai tera. Monopoly aur UNO khelne me bohot maze kiye hain saath me. Apni placement treat lit thi 🔥, sabne ek jaise kapde pehne the. Tune jo game sikhaya tha last me, bohot mast tha wo, ek baar fir se bata dena. Good luck bro aur touch me rehna.

Arjun Rahar : Kidda bhyi! We had some limited conversation and meets but everytime I used to see you, A cheerful smile with some positive vibes used to occur from inside. Kaafi positive vibes aati thi tere se bhai. Bada changa banda hai tu. 😊

Kumar Saunack : Are you sure I worked more in the TA course? I kept believing it was the other way round till now. Well, if you insist, I'll accept it. You're welcome :p I believe you were one of the people responsible for helping out everyone with their applications. You are pretty resourceful if you want to be.

Sahil Saiyad : Hello fellow cinephile. Really enjoyed your company in the film courses that we took. I loved to discuss films after screening with you (Especially Uncle Boonmee :P). You introduced me to the world of Wong-Kar wai. The world that I long to be a part of. The last night that we all spent together was crazy bro. That was a fitting end to our journey under current circumstances. I hope you always find solace in cinema.

Nirbhay Wadiwala : Sir your post on my wall said it on all ... You're the person I could easily talk to for an hour even if we met after 20 years ... I still remember coming to your room randomly in third or second year and talking for an hour.. While this seems unlikely I sincerely hope to stay in touch with you.. I love your vibe and energy man

Rishabh Raj : Go to Rajat's profile and look at the 4th (last) pic in his Image gallery. It's soo patent how you have changed over the years - lost weight, changed hairstyle, inflated your swag... And for the good :D! Thank you soo much for your help (MS fees, resources, advice...) and for being such a kind friend. The image is etched - a guy smiling and ambling along, earphones clung to his ears, his eyebrows and head swiftly bobbing up as he passed you by 😊. Your mind is full of resources and knowledge about a wide variety of things, which I really appreciate. Let's see if it's MS or MS :P. Keep in touch! Take care.

Swadha Sanghvi : Yo GPS! I remember we bonded over my munches in H2 and our enthusiasm for Univ intern. That intern VC was amazing. And u were the one shared my first earnings with. Damn. It was all great. I know tu phhodta rahega life humesha. Stay the same enthu cheerful person dude!!

Sushil Khyalia : BRRRRRRRRUAH CHAK DE DHOLIYA

Heemmanshuu Dasari : Hey Guruji! Bhai you have no idea how much you helped me get through my first year at the insti. Haan yeh toh hai ki in-person mein zyada baatein nahi hui, but boy are you witty! Kabhi bhi awkward nahi laga aapke saath mere first-world problems share karne mein 😊 Chalo isi bahane aage bhi pakata rahunga 😊 But in all seriousness, thanks for being there♥ Farewell, and all the best for everything ahead, love ya!

Simranpreet Singh : Pehli baar hum physics lab mein mile the aur tab se saath mein kaafi maze kiye hain humne. Bhullakad kaafi hai tu, wallet aur phone dono guma chuka hai :P. Kabhi kabhi tu lecture mein pehle row mein baithke hi so jaata tha 😂. Anyway, I am going to miss wo late night walks plus baaki bakchodi. P.S. Apni thodi tharak kam krle:P

Rahul Prajapat : Thanks bhaiya for being our mentor. You are a person with whom we can discuss anything. You have always been just like us wingies. You were kind of a part of our wing. Matlab hum aapko bhi kuchh hi poochhlete the, koi sharam aani chahiye aesa kabhi aapne feel hi nahi karwaya. Isliye me to sharam ko full bhul hi chuka hu, kahi pe bhi start ho jaata hu 😂. You have been supportive as well, koi bhi pain aata to ek baar aapse baat karke achha lagta tha. Always the god in mafia, kabhi aapke saath nahi khela. Treat ke liye thanks, itte se kaam nahi chalega, abhi tak to Taj me party baaki hai.
