Yash T Rajan : Jab tak ye khel chalega, apun idharich hai

Anmol Singh : Hey! So how was your first mood I? 😊 That's the start to all of it ♥. For the rest of it, PM 😊

Arpita Mishra : Hiii meri pyaari wingie!! Seriously first year m tu wingie nai hoti toh i don't even know kya hota :'(I remember the excitement of salsa night, the gossips we had, and you inviting me to play mafia with your elec friends. It was just awesome and I actually have played mafia the most with your group only XD After second year we might have grown apart but remember I am always here for you if you need anything. And I hope we have fun together in fifth year like earlier times and even more that that !! :D

Sarthak Sharma : Anuradhaaaaa :p first of all woh bottle gumne mai dono ki galti ti :p still I'll definitely compensate for that in the future (promise hai Anirudh ka xD) thanks for being so cheerful and motivating me to get a good intern for myself. MI and Annprod times were super funn with you, still remember getting your calls for late entry in Afternites xD I'm always up for gossip so feel free to ping :) 3rd year mai bhi kaha ta aaj bhi keh raha tu 1st Dec 2020 ko machane wali hai :D stay in touch!

Mayanka Medhe : You are one of the most enthusiastic person I have met in insti who is always ready to be my partner in crime. I will always cherish all the fun times we had- the fun (and embarrassing :p) times in Revdanda, cycling near lakeside, dancing and most of all, the gossips. You are the best dance instructor ever <3. Hope you achieve all that you want in life. PS- Now that I think about it, I wish I had come on that trip after all :/.

Abhishek Singhal : Hey Kriti! You are the only girl i was constantly in touch with throughout these last 4 years. Although we didn't really get a chance to interact face to face but talking with you on fb and trying to solve your problems and queries was in a way a happy and fulfilling moment where i could help my juniors in any way possible. Our roll number "D36" brought us together and i hope our friendship will keep us together for the coming times. Hoping to meet you at my convo (if it really happens lol). Cheers to "D36" and our friendship. Best of luck for the future. Stay in touch :)

Animesh Singhal : Kriti! You know that you've been my favorite dance buddy! From dancing in AIDS to acting in Ranbhoomi (when your performance used to give us goosebumps every time) to becoming CO-CGs in MI, it has been a ride full of memories! Yours sincerely Chotu 😊

Harshwardhan Mourya : Yo Kriti, I vividly remember our first interaction, happened in the lunch line at CME. You were standing behind me, And I was this shy, small boy (okay, not small, but for the sake of drama, let's pretend I was)... And you casually asked, tera kaam kaisa chal raha hai.. And uske baad toh, kya hi kehne... Intern kaafi sahi rahi, Wapas TT kab khelenge apne, Lonavala, then SMAASH was super fun. Arijit singh ka concert yaar, and uspe aapka naacha, katai zeher.. Remember, Daksh se baat hori thi, and he said harshu ko dekh ke sabko kya hota hai, and you said kuch charm hai, came to realization that The charm is all yours. Thanks for marking my ***** every time in EE777(censored the word coz of DAC

Aman Sharma : Hey Kriti! Glad to see squash there xD...it was fun working with you in Mood-I but I'd say more so for the freshie article. Always great to talk to. Take care and best of luck for everything ahead!

Aryan Aryan : Kriti ammaaaa! I must say, jalebi jaisi seedhi hai tu. That was one hell of a prank! But mene badla le liya 😊😊 Also, I will confess that before we went to the Kerala trip, I always described you as a blabbermouth, who can't keep any secret. But after that trip, I realised that you are an awesome person.. Dil ki ekdum achhi, bakchod dancer, thodi tedhi and kaafi mature. Stay the same! Milte rhenge!! 😊😊

Sigireddi Yamuna Devi : Babyyyyy!! Black hote h olives, chalo chalte h Maldives 😊😊😊😊

Arsh Akhtar Ansari : Kritiiii. Summers wouldn't be half as entertaining aa it was without you. Sahi m bohot bakchodi karte the apan log. Don't be an hr in future tujhe interview mein face karna would be many's worst nightmare. Media cool attitude really helped during website phase. Aise hi rehna. And iss baar agar Bangalore place hoti h to milna pakke se not like intern season 😊.

Pranil Jain : Abey kya mast maula and talented ladki hai yar tu. Kriti bht maza aaya bey tenure main. And teri anchoring wali video main aawaz was best. You have always been supportive and sweet. Thank you. Humesha mahaul light rakhti hai. Mil jaldi, bht din se gappe nahi maare. kabhi kuch bhi ho toh yaad karna, I will be right there.

Akshata Dalvi : The third-year was the toughest for me, but your thoughtful and warm ways made it much more bearable. Unknowingly, we shared many loving and tender moments in the quiet acknowledgments. 😔😔 However, I hope we get a second chance to unlock the full potential of our friendship and do justice to your fun and cheerful essence. 🥰🥰 Thank you for being you! May all your dreams come true ♥♥♥

Arpit Shashwat : hey Anuradha.. yaar stage pe during the scene aise real mn ni rona chahiye, you should think about your mediocre coactor also. we tried hard but couldnt find an actress like you. All the best for your future

Chaithanya Naik Mude : Rukna hi padega aur ek saal.. Acha h ki tp karne ke liye tum ho 😊

Namita Soni : Kritiiii, I'll always miss nso days, all those games, fitness and running with you both ♥ you are a very sweet and cheerful person. Hopefully insti me vapas mil payein jaldi hi. Stay in touch ♥
