Avish Avinash Wagde : Shayad aapke bina 2nd year ajib hi hota 😄😄, bohot kuch pata nhi tha meko , sab kuch sikhane k liye dhanyawad. All the best for life ahead, aur vo European wife k proposal pe pakka sochna 🤔

Aditya Chalishazar : It was really interesting dealing with all the crises as they came up for WTF 16 Feb, and all the machchi catching on that day. That was one hell of a game of chor police, pakda pakdi and hide and seek. Thank you for some truly amazing memories, and all the conspirational looks while trying to come up with the letters. All the best for whatever is to come! :)
