Hemant Prasad : One of the best people in my life. Thank you helping me get through my first flight and the ones that followed. You were the support that helped me interact with so many new faces and made friends with them. You are really awesome at whatever you do. We'll roam around in Japan again soon. Tune yakeen dilaya sare Sharma bure nhi hote. Lolol.

Koushik Konwar : The 'sharma ji ke bete' of our batch. You are one of the most generous person I have ever met. You have a caring nature and always ready to help others. I remember me waking you up at 3 am for VAT 69(which u have kept it for yourself) and u happily handed over to me clearly show how generous of a person you are. We have a lot of memories to cherish and the list is never ending, specially the last few days at college were way too fun. The 'MAFIA' sessions were amazing and woh BABA ke room ka mahaul alag hi level ka rehta tha. Jab Jab koi kingfisher strong piyega mujhe tera yaad jarur ayega :P 'Ranbir Kapoor' ka ghar dhun le to mujhe v btana, saath meh challenge (ola wale to tang maat karna) :

Sanoj Prasad : Hamare batch ka sabse mature or duniyadaari samajhne wala launda. You are one of those jo dikhaata nahi but care sbki karta h. When I look back to pta nahi kyu mjhe wo summer vacation yaad ati h jub hm kabi H5, kbi staff canteen or raat ko H14 (kese khaate the wo nai btaunga :p) jaa k khaate the. I think that was the time when we started to know each other better. Baaki i hope finally tu or m delhi m hi settle ho kucch saalo baad :)

Aditi Yadav : Hey senior. We met during APC groundworks, and yours was the best groundwork. Since then you have always been very helpful in all the acads related queries. Thanks for being so approachable. Thanks for all the guidance. Stay the same. (Keep learning more recipes :p). Best wishes. Khub machao life me aage bhi.

Sandeepan Dhoundiyal : Sharma you are one of the most generous and jugadu people around. Which makes for one of the best people I have come across. Like a Modern day, Krishna. We had the first drink together before classes had even begun and we will have many more in the days and years to come. Talking to you is always fun, because you just light things up. No party is ever complete without you, neither is any game of Mafia. I knew we would get on famously after we debated Modi's policies for the first time, both of us half drunk at the time. Limon ka badla mein leke rahunga, to abhi no goodbyes, only see you later. 'Sun na bhai, Dude aadmi hai tu'.

Nidhi Kapoor : Manager Sharma. Very composed and sensitive. Troubleshooter of the CSRE family. You have exceptional organizational and negotiation skills. The rarest saanp who listens well :P. You have been instrumental in arranging all-batch events which gave us all wonderful memories. Wishing you great success!

Aditya Vitthalrao Chondke : Vivek bhai humara GSec Tumhare kya kahane bhai. First year mein jab hume kuch nahi pata tha tum hi the humare APC jisne humko sab bataya. Your awesome helping nature and way of taking care of everyone amazes me. Humesha khush rahate ho aur Japan gaye the toh you and hemant (panda laya) brought us gifts and chocolates it was so awesome. I will remember volleyball, CS and night canteen wale discussions. Always telling me bhai tension mat le ho gayega HAHA thanks for all the support bhai. Bhai you have awesome convincing skills I am dam sure you are going to reach great heights in life. All the best mere cute bhai..

Vikram Kumar Purbey : Coolest banda of our batch (kuch bhi bol do kabhi gussa nhi hua), Placement ke time jb bhi depress hota tha tmhare room pe jane se hi mood fresh ho jata tha. Kisi bhi situation ko achhe se handle krna aur apne batch me sbki care krne wala, missing mafia's night (silently observe krta mafia kon ho skta hai😂), abhi banglore me saath me rhke khub masti krna hai aur yadav ko irritate krna hai😂, tb tk amphan sbse bach ke raho bhai, ek baar phir khi ka trip bnao yaar is baar tally hona hai😂😂

Aditi Mohan Sawant : "Sab ho jayega ! Chill hai! "Aapke ye dialogue hi bahut kam aye during APC journey. Thank you for motivating us for APC. APC ke har interview ke bad aapko pareshan kar diya tha. But still u always said this thing "Are ho jayega" and it works ho gaya. Thank you for organising Fresher's party and most wonderful department goa trip. Best GSec! but placement party kab? Just kidding!! All the best for your future endeavours.

Shekh Aman : Jb shayar hai andaz tera, to sun le sharma raas tera, jb jayega tu delhi, to yaad krna meri baatein pichli, khelta hai tu bhi cricket or football, kbhi dhup kbhi dard ki krta tu baatein gol gol, 1 nikaah tera hona hai late late ar tu baate krta hai mere 4 nikaah hone ka set (hahah), placement ka tha tu khiladi baaki tujhe jo m padhaya ye tune baat ki anaadii wali, chelsea ka dikha mujhe tu pehla fan, banking kr europe ghum manchester jake kr yaad mujhe, aage bdh k naam k kr yaad mujhe. Jb shayar hai andaz tera, to phir se dekh line by line reply mera. (Hahaha)
