Anumay Ashish : Rathore... yr lub hai tu, okay now random senti aside, trust me tere dedication ko dekh ke alag feel aati thi, at the same time that fun filled attitude jo kuch bhi random bolne se nhi rukta tha. Bhale hi woh kitna bhi random idea ho... Techfest kind of binded us together but yes, i think i really found a real friend in that happy go lucky rathore. Bs waise hi reh tu serious rehta ahi toh trust me chutiya lagta hai... All the best
