

ASHVINI KUMAR SHARMA

Electrical Engineering

Yearbook
2020

Swati Meena : A great initiator, in a workgroup he takes charge and makes sure that the work gets done in time. I am sure his leadership skills and sincerity will help go on a long way in his career. Ashvini also has a special ability to extend a 5 min presentation to 15 min. Bas itni hi English aati hai mjhe🙏. Thoda Kam panic Karna future mein aur, please judge mat Karna logo ko (it's tough for people to become your friend, I feel lucky😊). I will miss sare professors ki burayi and har b'day mein jo mere sath holi kheli gayi wo toh bilkul miss nahi karungi😭. All the very best!
