Shubham Jain : Yo Mayank, the leader of the wing :P. It was really fun to be in the same wing. You are so calm that you even didn't seemed to get bothered when me and baldev used to discuss or even when your room was full of smoke. The most usual scenario in which all our wingmates used to find you was your headphone and the speaker in your mouth with meethi meethi silent baatein!! In the last sem atleast we all could spend little more time together, and it was really enjoyable. Also, I get to confirm that roomie se bhaut jyada influence padta hain, jaise ki kamre mein hi band rehna, etc. Novels padte rehna aur baad mein hum ispar group discussion :P, bhi kar lenge. Milte hain baad mein:))!!

Vivek Sehgal : Bhai you are such a lively person. We had amazing roadside conversations. Bhai continue your Machauness and always be Bandi wala Banda 😊...

Swapnil Agashe : Mayank Boi! EE101 ka project submission ke pehli wali raat XD Tere room pe aake 1 ghante me project banaya tha, more like tumhara copy kiya tha 🤪. Apni cricket team, Motherf*****g Starboiz, vaise toh kaafi acchi bowling kar leta hai but 1st year me h5 wale finals me kaafi dhoya tha tujhe 🤪 Keep in touch, all the best for future <3

Ayush Ankit Singh : Hope you enjoy your time in chemical core company 😊. Tujhse milne s Pehle hi bohut kuch sun liya tha tere are m (courtesy Baheti). Humare intern m tumne sabse zyada struggle hai 😊. Vo analytics group kafi hopes se banaya tha 🙏. Thodi bakchodi kum kr lete us time to shayad core n jana padta.
