Harsh Siloiya : Gadiya, humne bohot maze kiye during our time at both Gravity as well as insti. You have the perfect aspects of being a politician but I hope you'll be successful at whatever you plan to do in life Also don't worry, you will get a girlfriend sooner or later (even if you still don't get one anyway, you can always rely on good ol' arranged marriage :p)

Kireeti Akkunuri : You probably define the word 'enthu' for IITians. Wear that as a badge of pride. We had some nice fun during RC Plane, though I'd never wanna work on RC Plane ever again :P And you introduced me to some fabulous people, so thanks for that! :) All the best.

Nikunj Mohota : Gaadiiii! I can't imagine studying transport without you XD. Woh car ride destiny mei thi shayad!
