Pranav Sankhe : One of the most amazing and jovial people I have come across. I remember the first time I talked to you when you treated me a cup of ice tea at BB xD It has been a pleasure since :) Cotton removal process ko live stream karna was something I never thought I would do ever, but I guess life's that unpredictable and fun with Apurv Tiwari being around. Retro songs sunte rehna and Nutan ke movies dekhna! Stay in touch!

Abhinav Jain : Gala pakadke terrace pe leke jaana and waha lie-down karke meteor shower dekhna... Aapke saath time bitana has always been fun, even at these times when we can not meet in person. Can't add anything else as everytime with you had been a happy and precious time for me and putting all of these is not possible here. In the end, one very important point: Insti aane pe marathi movie dekhne challenge xD

Ronnie Mondal : Oyeeeeeeee! Dude you made Vaani the family it is. Loved all McD and all stupid treats, lukkha time and making fun of Sumitra. You left a lasting impression. Let's go to the Bhandup McD one last time!

Rashi Gupta : Kya hi likhu aapke lie!!! The most special person in insti, whom I met idk how? But I am so glad to have known you... I'll forever remember the literature course, and you not being able to lend me Agatha Christie's books, and also teaching me flash fiction :) Thanks for making my insti life so "lit"

Shantanu Thada : Apurv!!! Infimaxxx friendly person and aero enthu share karne wala <3. I will miss all the random gossip and bakar jo kari hai humne and you calling 'Shaaaaanuuuuu'! Bohot mazaa aata thaa tumahre saath class attend karke and bakchodi karne me! Stay the humble and friendly person you are!! And convo me bohot saari photos lenge, jab bhi hoga! :D

Maitrey Gramopadhye : Yo katappa! unlike your character, apne mara nahi kabhi. Headlock kiya infi bar lekin, headphone nikalke. Har bar milke ap bolte the ki mai thoda mota ho gaya, thanks a lot for that :P. Apke sath kata hua lukkha humesha yad rahega mujhe. Keep being the positive person you are!

R Aditya Narayan : 5th year neighbour. Always a treat to be greeted by you with the signature hitting jhol or Ani if they're with me or the innocent Hi <3

Varun Sule : I don't think I can do justice to my senti about you via these limited words. Your advice has ever been useful and calming in times of stress, since the time we met in my freshie year MI days. Thanks for always making my day and being so kind to me and everyone around you. I can't even recall how many times I've had to pretend die to save myself from your 'shots'. P.S.: The Oreo Cornetto deal ends in August. Please renew the subscription to avail benefits XD

Ganesh Chelluboyina : Probably the most cheerful guy I ever met in insti! We had fun meetings at B&B or the H8 benches amidst constant mosquito bites. Randomly running into you on the road and chatting away was a frequent occurrence. I will miss the fundae and discussing random, quirky stuff about the institute with you. Stay in touch!

Soham De : Met through Priyen, but after he passed out, you became a close friend yourself. From all those Lit Club events, to the infy Laxmi and post that Drunk singing behind Guest Houses, to the kaafi Karaoke of our favourite singers in my room, to gossip and somewhat bitching xD The guy who probably knows the insti campus more than anyone and I learnt a lot from you. The Disney fan as well. The guy who helps you out and gave confidence that mental health is perfectly fine to be talked about. Thanks for everything Apurv :D I hope I didn't miss any points :p

Patel Sayan : Buzz ka female version bhi tatti hai. Aur 2 saal se treat nahi di aapne, h9 me agli baar paani aaye to doob ke mar jana

Pranav Thakkar : Tiwari/Papa/Valiya Aana, man... 5 saal me itne memories ban gaye hain with aero and otherwise too. From freshie year wingies with Bappo and Krishna, to third year wingies with Soni Arjav and Baba, to final year pseudo wingies (since I spent so much time in the rooms beside yours :P). I can't believe we've seen so much random crap happen in our class xD from all the Veejuuu content to all the ASD Whatsapp group debates we've witnessed to Design Lab, random endsem LCH lukkha, whatnot. I'll admit, H8 ka wing experience was extremely bittersweet for me and I wish I could have gone back in time and been more involved, but Soni ko tang karna never got old for us hahaha. At TAP I saw a new crazy side of you I was shocked to see and I'm definitely going to do my best to stay in touch. Stay the same happy-go-lucky, lukkha banda you are, people should learn how to stop and smell the roses from someone like you :)

Kushal P Yadav : In life, only three things are inevitable. Death, taxes, and Apurv's headshot.

Krishna Wadhwani : Hi Apurv! Thank you for always being so kind and friendly everytime. It was always really nice to see you greeting cheerfully and with a smile. Will miss the headlocks 😊.

Siddhant Jadhav : Apurv.... Insti ke sabse famous person. Jyada milna hua nahi but jab bhi mile aapne gala jaroor pakda 😊. Har cheej me enjoy karna toh koi aapse seekhe. Ab hume funde and random treats (though i missed them even after being selected once) kon dega. Aisehi raho hamesha aur sada apne baccho se pyaar karo 🙏

Jinay Patel : Hello Pitaji, You are one of the most amazing person I have ever met. You are always friendly to everyone and always in enthu. Will miss marine drive nightouts, Anand stall, Juhu beach. "Lukkhe bachhe" group ko amar rakhna. Yours real Lukkha bachha, Jinuuuu

Kumaresh Ramesh : Things I never expected to do at IIT - set a vintage Bollywood quiz. It would take Sultanpuri and Ludhianvi to adequately express your khushmizazi and how you could cheer anyone up instantaneously. You gel so well with everyone, you could have gotten OP Nayyar to work with Lata di. Wishing you all the successes and happiness - hum bachchon ko maa ka pyaar kab dilaoge :P Baaki gaane, gossip and innuendos toh chalti rahengi, agle saal ek LLW quiz bhi set karenge

Divya Maddu : Pls don't pack your kids, I'll personally call FBI 😂😂😂 It was really nice meeting you. Though I can't write anything long as I knew about you personally until recently but Pls.... Spare the ppl around you 😂😂😂 with your Pappa hugs and punches, they will surely thank me later. Our meeting condition was very random and intimidating but still, it was a great memory in itself. Taught me a lot of things... Things like how to boost once creativity with your gifs 😂 Rare to see a person who appreciates old Hindi songs, and stars like you (Thanx for informing me about shooting stars!) Though you were more than what you look on face value, it was nice interacting with you. Hope your punch intensity get converted into the fun-filled non-voilance time you spend with your friends. Yours, Angry tiger's owner 🐱

Ayush Dubey : Apurv, maine recently WhatsApp pe likha tha apke liye jo story reply vo bhi read kar lena 😊. You're so cheerful and jolly always and so ready to help. Media nominee days me dikha aapka itna achcha vibrant nature. I haven't seen another person like you anywhere else! I hope you continue to be the same forever! We should have interacted more in person too, future me hopefully badhe aur bhi. All the best and thanks for vo accommodation mail ka guidance, got to stay back on campus and extract the last bit of memories too! 🥰🥰

Sanjyot Shenoy : You're not leaving the insti.. you're gonna stay until I graduate. :((I know ki you are considering it, but do seriously consider it :p). I think insti won't be same without you. Honestly the most enthu senior I've ever met. The holi ke pehle chloroform waala call, the signature fist bump, AnnProd me bakchodi and the all the late night conversations we had are definitely things I will cherish. Aise hi rehna, Appu♥

Tanisha Joshi : Yaar Apurv, TA duty was so much fun because of you! You have no idea how much we have relied and trusted your perfect recall memory. And yes ofcourse, the sem-ex hindi shikshak version of you was also masstt. You are wonderful person with a brilliant mind. Never stop pursuing your dreams ♥

Shubham Gunawat : 700 words? Lol Even 7000 words won't be enough to describe the relationship I have with you. It was in my second year MDGC we first MET, because how it was even possible that I've not already heard a lot about you before. We share more fandoms than I can even remember, be it Music, Disney, Bollywood and basically anything jisme dono me se kisi ka bhi interest ho. And our gossip sessions jisme jo bhi yaad aata hai uski bitching ho jati thi, even when they are our friends. Main aapke sath itna lukkha kata hai that even twinkle gets jealous sometimes. I know that even if we are at different places, apna contact nahi khatam hone wala, I'm only writing this so that aap senti hoke RA ban jaao, ph

I remember having met you at my really first Lit event in insti, it was a bunch of small games, don't even remember which ones they were lol - but you were crushing them like anything and I was in awe! Don't remember when we first talked properly really, but you always give so many happy vibes <3 I did detest your hitting on my head though, but you made up for it with your affection (still remember how clingy you were on Lakeside after that Lit Laxmi night :P)! Teaming up on that DD article was indeed fun! You're an amazing person at heart and I'm glad to have known you :) All the best for your future man!

From ur headshots to drunk kisses at VMCC, you always made my life happier with moments I'll cherish forever. Sorry to say but your girl on the train is now lying in my bag. Navneet Prabhat : When I first met you as mentee of RC Plane, I didn't knew that my mentor is such an extraordinary person. Consecutive nightouts making RC Plane (6 ghante dumbscharades and 10 min ka ideation of design) to ice cream treats, you are one of those people whom I could never forget.

From sharing an interest in air crashes to writing to me cringing at random but now-iconic lingo phrases to now sharing secrets and bitching about people, we certainly had *some* trajectory! I will surely miss you and your longings for AQB, Sia love and Indian languages love (but not your random infringements of physical space :P) All the best in your future endeavours. Adiós, Kireeti.

Arjav Shah : Apuuurv! You were the first senior I interacted with in insti. Kaafi fundae diye the vo hamesha kaam aate rahe! :) The Convocation choir is gonna be so memorable! Had so much fun then. Kaafi milte rahe apan chalte chalte & will never forget your gala dabana. It is amusing to see the sheer number of people you know in insti! ;) Aise hi muskurate raho aur pyaar baat te raho _/_! Apka bachha, Arzav ;)

Anugya Singh : Hey Apruv! I think I have known you since eternity but it was only the Kalaghoda trip that I got to know you as a person. What is there in insti which you haven't tried? I really like your positive attitude and all those conversations we have had yet till now, esp the "ek secret btau kya? Anuj ke abs hai"...what even?? Haha, thanks for such amazing talks and hope we stay in touch :) All the best for your future endeavors

Sharath Chandra Ale : Yooo appu !! I'll write to oxford to add synonyms of Lukkha as Apurv. We always had a lotta thing to talk about. Primarily, the bitching, those random h12 canteen with zote; Insti me almost sab ko jaante ho. Ye cheating hai. Yeah we always had those warm co-incidences. Apne pics mast hai. Ham ek aur lukkha session mangta hai <3

If you could pack up a bunch of things from the institute to keep with you forever, what will those be?
