Krutika Talegaonkar : Arey gujju bhai!!! The always smiling person in IITB. Jisko kabhi bhi phone karke pareshaan kar sakte ho... You are a gem waghela!! Apni bonding toh first year se hai!!! Tu eklauta insaan tha shayad class me jo har chiz me initiative leta tha!! I envy you for that. Placements ke time pe kaise sab ek dusre ke liye khade the . That is one of the best thing about our batch. We have had a lot of memories together emagica trip, new years, late night H1 canteen, Uroosa ke birthday wala night out and many more!!! Dubai jakar kruter ko bhul mat jana. Aur every month tere gujju namkeen ka supply bhejte rahna mumbai! Baki toh apan milte rahenge..

Gautam Sharma : Sabb ka pyara, Vaghela hamara!!! Such a humble person. Always there for everyone. Motivating others and keep listening to others while they taunt him. This "kaim cho" boy always made me smile whenever i saw him. Good luck and best wishes!!! God bless him!!!

Ravi Prakash Yadav : sagar baby love u best luck jaldi saadi kar burj khalifa dikha denaaaunga mai dubai love u darling

Pooja R Borhade : Sagar.. gujju boy of our class.. allways behind lab tension , maam se chupna department me... 😊 . Helping boy during tiugh placement time.. be allways happy..

Sayan Roy : Sagar bro, first of all, tune yearbook profile me answer bada mast dala hai. Kash mai bhi IIT ko utha ke le jau. You are a really helpful guy. From a safety pin to sleeping bag, I came to your room whenever I needed something. Thanks for explaining those electronics formulas for the hundredth time. You never blamed my dumb head while explaining again and again how things were happening on the breadboard, and I love you for that. Always stay as the humble and nice person you are.

Vijay Patidar : Sagar wagaavle 🤔... hamari mithai 🍪...mera roomie... tu mere liya chhote bhai jaisa tha...isiliye bahoot pareshan karta tha tujhe 😞 (sorry for that)...mene tujhe bahoot bura bola..."sabka katata he ..tera bhi katega" 😞 aisa bola..but bro!! Dil se aisi feeling aati he.. ki tu un 1% logo me se he jinka nhi katata...tu bahoot senti he (you should improve it 😞)...samay ke sath teri gaaliya bhi acchi lagne lagi thi 😞...tu pure department ka pappa tha 😞....Last Advice: agli baar Jeevan me 10000 kharch karke kisi ladki ko surprise dene jaye to pahle acche se plan bana lena 😞...pata chal tu hi surprised ho gya 😞😞
