Pujan Biswas : Pable Table, Teri story sabse anokhi hai yaar insti mai, one of the rarest ones. I'm proud how you strode over them and reached to where you are. Heck, tu Japan bhi chala gaya & see those guys. H7 ka wing mai reheke kaafi seekha maine & how you cared about your Veeru. Aur woh snoring alarms epic hai bhai, yaad hai tujhe laga tha ki koi tujhe stalk kar raha hai 😂 Humare rants and teri epic stories, bhakitgeeti :P is something I would miss. I have always loved your persona, face ka dekhna padega XD Teri capability to handle dank stuff is epic, haina? Bhai, I loved siding with Veeru to play music when you were studying. Most of all, mai tera smile miss karunga bro, Pls bhulna mat iss Bisso ko.

Atharva Surange : Pable bhau itka humble koni kasa asu shakt?? Tujhse hindi mein baat karne mein awkward lag raha hai, but bc baaki logon ko kuch chamkega nahi agar Marathi likha toh! Tera hasta hua chehra bohot infectious hai yaar kabhi bhi tu milta hai toh bura mood sudhar jaata hai. Yaad hai insti ke pehle din tere room gaye the tere roomie ko dhamkaane XD Aur thank you mera self-confidence hamesha high rakhne ke liye, jab bhi milta hai tu bas ek cheez bolta rehta hai "Machau! Machau! Machau!" Asach hasat raha bhau, aani chill kara tumchi placement lay bhaari honar!! :D

Varun Patil : Pable mitra, you gave me perspectives that nobody ever did, probably being one of the few people who have influenced me the most. You're the best speaker and storyteller I have ever met, and I couldn't miss our late night discussions and trips to H13 more. Irritating nahi, pan aata yeun radshil tar ek laath milel ;p. Keep killing it just the way you do <3 <3 <3

Syed Zakiuddin : Pable! Hume chhod kar tum kaha jaoge, jaha jaoge hume paoge. Yaar tumhara room pe aake zor zor se din bhar ki kahaniya sunana. Bhai, tu humlogo ko kitna entertain karta tha, sometimes with your random philosophies..xD. It was really a shock to us when you decided to move out of H4. Nevertheless, stay in touch.

Chinmay Kalra : Pable bhau!! Firstly, Jai Maharashtra!...I will always remember that political banter we used to have whenever we met. And your greetings on whatsapp in pure Hindi were epic 😂😂. Tu bohot chill aur mast aadmi hai bhai. Stay same. Many thanks for all those memories bhai!!

Atharva Jaipurkar : Pable che ba**e daable 😊 Bhai kitna chidhaya hai teko 🙄! Kabhi motu, fatty bolke, kabhi kuch aur bolke! Veeru ke room me padhne ke liye ata tha tab bhi disturb hota tha, par kabhi tu mere upar seriously gussa nahi hua ♥ Sahil ke room pe infi bakchodi ki hai humne! Apne ideologies kaafi milti hai! Unpe closed door discussions me maza ata tha 😊 You are also one of the few people in insti jinko weapons ki achi knowledge hai! Tera Japan intern laga tha toh bahot khush hua mai 🙏, it was all result of your hard work! You have come a long way, and will go further! Kaafi mehnati hai tu! Aise hi mehnat karte reh! I know tu jis din decide kar lega, toh patla bhi hojaega 😊! And kuch bhi help lage toh don't hesitate to ask 🙏! Jai Maharashtra 😊

Veerupaksh Singla : Pableeee. The best roomie (no offense to the others again 😊). Ab teri jaisi kavita likhna to aata nahi, chand shabdo me kuch keh deta hu, kabhi miloge to pura bata dunga 🙏. Tu bohot hi considerate insaan hai bhai. Mai kabhi bhi randomly so jata tha to tu khud se lights off karke bahar chala jaata tha padhne, kitni baar thanks karu bhai 🙏😂. Aur haa be wo saap nahi tha, belt thi; aankhen h ya button 😂😂. Thanks for suggesting amazing books and tv series. Thanks for the hours long Discussion on the most varied topics, jinme Jaipurkar aur Pujan inevitably involve ho jaate the aur fir haatke bhaag jaate the 😂😂🙏. I was genuinely happy jab tera Panasonic hua, though tu Japan me try ni karke aaya jo maine bola tha. Bhai tu amazing hai, don't let the bullies make you believe otherwise ♥. Jai Maharashtra 🙏

Pushan Bal : I have not seen a more relaxed guy than you. The way you crack jokes which always start with 'ae aik na!' is awesome. You have what some might call a questionable sense of humour :p. I have always enjoyed it though. You are extremely passionate about current affairs and I admire and respect you for that. I can't believe that we were together in pace for 2 years but still never even met. Sitting in lectures near you is a treat, tu profs ki mast udata hai. Stay in touch re, visru naka dada!

Hritwik Ranjan : Yo Pable! One of the funniest and most 'underrated' (:p) guy in insti. First year se fourth year tak, I have seen your dedication and diligence taking you to new heights. Not a wingie by rule, but by bonding. Keep your Japan stories ready for the next time we meet (us colleague ka offer le lena chahiye tha :p), going to miss your epic stories. Drums seekh lo, aur sher maarna bhi :p. Have an amazing final year. See you soon. Jai Maharashtra!

Amit Gangurde : Yo Pable!! Will always remember how you ranted about having to learn crystal lattice structures in almost every semester 😂. It was good to see another person who was as confused as me in that IEOR course 😂. One of the most chill person I have met and it was great to talk to you in the mess and discuss random things. Jai Maharashtra! :p

Akshay Bhamare : "Hola Senor Pablo!" "Namaskar Bhamare bhau" routine greeting with Pablo was something I would look forward to everyday. Be the cheerful person you are. Bhetat rahu pudhe hi. Samparkat raha bhau <3

Apoorva Singh Gangwar : Yo Pable! Apna pehla conversation Marine drive pe hua tha. Tab se ab tak bahut badlao. Insti ka machau banda jisne hostel change kiya ho. Ecell ki bandi ko stalk karne wala. Drum bajane wala, sher ko maarne wala, pro pubg players ko bot samajh ke marne wala stud launda. Alag hi level pe machaya hai and Mujhe bhi bahut motivate kiya hai. Aise hi machate rahe. Ek saal aur hai tere paas insti me, mast enjoy kar and machate raho. 🤔

Sanjay Khatri : Pable like Table Have known you wanted to enter the wing since first year. Konsa form bharta rehta hai, faida nahi, we won't include XD. Senti agle saal. Tabtak try karo wing me aane ka XD

Adwitiya Rao : Look how the turntables

Harshit Handa : Pable bhau ♥, kasala. Tere upar dark jokes maarne ke liye sorry, but uske bina wing me entertainment nahi ho pata 😂. Still remember apna 1st interaction, jab marine drive pe mile the. Tu insti ka vo machau bandha he jisne Hostel change kiya 😊. Jo tu wing me aake random gyan pelta tha, yaad rahega 😊. Last semester, club me 1st time tera dance dekha, kya epic nachta he tu 😊. Vo Sher wali kahani pe ab bhi mujhe doubt he 😂. Baki aage bhi milte rahege, Jai Maharashtra 🙏
