2020

Mayanka Medhe : Hieee Rani! I will always remember that time when you got night snacks for me while I was engrossed in my assignment because you remembered that I had skipped dinner. I'll miss your singing at random times and places. Freshie year se jhela hai maine ye :p. Shunya wouldn't have been fun without you. Mujhe next year bhul mat Jana :p

Kenrick Pinto : It all started with 'viru ka assignment kiya hai kya?'. I cannot believe I've known you for only a year. You're a gem of a person and I am glad to have met you. I love the way you just randomly start singing anywhere and everywhere. I miss our long walks and have enjoyed every moment I've spent with you. I look forward to many more. Let's hope we meet soon after this gets over.

Nutan Megu : hey rashmi mujhe apna NSO days yaad hai gzal gate rehte the apan.. u have a very sweet voice and a very innocent smile...

Asha Kumawat : Rashmi Rani (yes I am going to call you by this name for life), you are the only person who was there with me for all four years and was always there to the fullest. I'll miss our fights and laughs (chai ke liye toh mil hi lenge? Agar aap free rhe toh). I am going to irritate you and come for help for at least one more year and then will call you (if can't meet) for this life, don't you dare to think this is the end. Love you <3

Sigireddi Yamuna Devi : Rassmiiii!!! I sometimes wonder how you can speak telugu so well, but right at that moment you'd say something so wrong to leave us speechless and laughing :P. All the shopping we did, all the movies we watched together, all the gossip we made would be the sweetest memories of us <3. The fun we had, the summers we spent together is something I could never forget. I'll also never forget that I still didn't give your quota of beatings for writing that fake confession. You'll receive it soon enough :P. I wish you be happy and sing with your sweet voice always. Cheers <3<3

Sharath Chandra Ale : Bro! I never ever thought I'd befriend you. But, we are destined to be bros. You replaced my big sis in Insti. We shared a lot which cant be put into words. I will miss asking you to play bady! You tried covering my back in acads where ever possible. I didnt even knew we became bros. Was that after our night out after 2nd year to Marine drive, the beach games, etc. Or the late night roaming to help chaimu <3. Please call me rather than texting. I know you hate it but I hate texting more :P

Priyanka Lakku : Rashmiiii♥♥ I don't even remember how we met but we always had happy talks whenever we met. Thanks for allowing me to invade your wardrobe and for all the kurtas you gave me(I returned the last one right😂). You're a very sweet and a very very helpful person. Hope you achieve all your future endeavors. Wishing you luck and love♥♥♥

Navnit Kumar : Rashmi yr ek saal hai aur. Senti agle saal. Tb tk yeh bta dun ki kaafi acchi dost h tu . Cheers

Shreyas Pimpalgaonkar : I feel like I know you more than I do. I have always thought of you to be one of the nicest people in the insti. Hope we meet sometime, and soon! :)
