Harshit Handa : Banna 🤩, kitna gyan chodta he tu 🤔, tera random time pe laxmi ke liye call karna, life aur bandhiyo ka gyaan dena, har time double meaning jokes maarna yaad rahega ♥. Bhai tu vo bandha jiski company se koi borr nahi ho sakta, humesa entertainment hota rehta 😊. Jaldi exam crack karke job pe lagja. And aage bhi shero sayari likhte rehna and sunate rehna ♥ and time nikal ke yaad kar liya kar 😊.

Vittesh Arora : Hey Gaurav! The coolest guy in the baap team 🤩. Apna jab bhi interaction hua aap humesha ek smile ke Saath aapka signature to karte the. The only time I have seen you being serious was one day before the team announcement. Agar us din aap us room me nhi hote to pakka pata chal jaata ki so prank tha. But apko kabhi serious dekha hi nhi to I felt for the trap 🤔. Ese hi machate raho aage! Best of luck for your future endeavors!!

Golu . : Hello, Mr. gym freak and Mr. ladies' man! You remember the day of convocation when we went to Jugheads with one of our alumni? What a pathetic day it was man! And your career and love-life discussion in VMCC? And your love for Beer? And how can I forget the lap dance in H15 during summers :P You are probably the only person who tries to creep ME out and succeeded ;) Haha, wish you luck and stay connected, bro <3
