Amrit Prittam Nayak : The doubt clearing sessions in your room will definitely be missed. You made "Dalgona Coffee" even before it was cool.😂 I look upto you as an hardworking and sincere guy with a fun side too. Core member of "Baithak" and the most targeted guy for making fun of. You will reach great heights for sure. I am blessed to have a friend like you. Thank you for being a part of this phase of my life.

Chainika Chauhan : Hello Vermaji!! Tumhari coffee ki jitni tareef suni thi, utni achchi bhi thi. I'm thankful for that day when you invited us for coffee and Maggie. It was one of the memorable day. Haha, how can I forget you told us a new game of cards on New year😂😂. Tum jitna achcha likhte ho usse jyada achcha sunaate ho. Or ye talent har kisi me nahi hota.. You have enough potential and the best thing is you re just down to earth and I love such ppl. Please be the same. Good luck dost😂😂

Anurag Dwivedi : Verma ji... always pointed towards your goal wale insaan ho tum..I can remember tumhare room se coffee ki smell aate hi apna coffee mug leke pahuch jana...humara YouTuber bhai....Not only your viewers are inspired by you but we are also blessed to have you.....Stay connected bhai..

Chigicherla Venkata Sai Prasanna : Rahul (Vermaji) ! while having conversations with friends I could hardly understand hindi because of their pace, when you start speaking I used to get the point of what is happening and what we are talking about 😂. We never thought of what dress we are wearing but you always used to come to class with formal dress reminding us that we are all students attending a class in a premiere institute. Your notes becomes our textbook before the exams 😂. Thanks for the electives which increased our interactions and study with you Rahul. Especially the night discussions before exam in your room and your trademark Shayaris are unforgettable. You are an amazing person Rahul !
