**Naveen Kumar Yalal :** "Thope mama nuvvu!" Literally you're best at everything buddy. You say hi with your smile ra, always warm. From "Arey vaadi birthday anta" to "Maa hostel votes nenu chuskunta!", you and I have run through a lot together. You look like a Koala, calm and patient but smart as hell. "TelCA night anta, enti sangati mari em cheddami ee sari?" always had this conversation with ya, every damn year. I always kept hearing from rohit about how strict you were as a roomie, you sure had a leash on him. Discipline ga kanapadatav ra nuvvu, innocent ga cute boi but lopalunna dagundi ga simham. "Sare ra velta mari, time aytundi adedo project anta" ala oka handshake icchi dobestav. TATA ra ninnu nenu vadala.

**Pragadheesh Kumaran :** Rey thoppu!! We had known each other from first year..same division, sitting together in MA classes, having a room below me, same hostel, having Rohit as a roommate 😂😂 you were always there when I needed you ra😂😂 you took care of things and I had to just call you. We had so many memories together... lighthouse cafe..telca..happy days😂 keep in touch!! And don't forget my trolley 😂😂

Also our meetup in hyderabad was awesome and had lots of fun.Sry for trolling about your civil branch :) I guess my last memory in IITB is me booking 2hrs before flight departure at 2:30 AM to come with you guys because of some virus!! and the rest is pandemic :( All the best at TATA ,tata byeee!

**Tanmay Kalla :** Yo yashu,fellow mrvic intern.Dude our intern days were super chill, no work no pressure deadlines. I see our whatsapp chat, only assignment and solutions exchanges. Jo solution kahi nahi milega wo wing ka saviour yashu lake dega. It was fun playing cards during our last insti days.Tere room me mast 6-8 log khele lete the. Baki All the best for all future endeavours. And Tata projects macha dena, contact to waise bhi rahega hi tum tata walo se.
