Shubham Jain : Yo Pranay, I guess you were the first person to whom I interacted when i reached the 10th floor. You are really a kind, extremely calm and helpful person. I hope you remember the alien blood that we found during the first year in your almira Back then you were an inspirational writer and i thought that i will get to read a novel before i graduate written from my friend, but i think it still remains a dream fa away to catch. You are one of those person who could be called a great teacher, because you taught in such a simplified and detailed manner that anyone who don't have any knowledge about it could also understand and grasp that thing fully by your teaching!! Hope we meet in near future :

Mohit Deshpande : Pranay babu, aap ni hota toh 1 DX toh pakka hoti mujhe. pehle 2 saal itna time ni spend kiya apanne sath me (and i regret that) but 3rd aur 4th year me kaafi kar liya. Acad, ML aur pata ni kaha kaha macha rakha hai tune. Jab bhi wing me ata tha me tu yaato PUBG khelta mila ya movie dekhta hua, movie toh ni dekhi apanne sath me but PUBG zaroor bohot khela hai. Teri barabari karne ke liye maine triggers bhi le liye phir bhi kuch ni ho paya. itna talent hai aapme usko aur logo ko dekhne ka mauka do aur bohot saari nayi cheeze karo life me. 4th year was lit. Sandwich khane aur shake peene challenge phir se jab bhi mile and badhiya si trip pe jayenge jaha murgi rr na kare nariyal paani ko leke.

Aayush Anurag : Pranay Raj, bohot hi pyaara banda hai bhai tum<3. Itna sweetly and soothingly baat karta hai sabse, din ban jata hai baat karke. Kabhi bhi annoyed ya gusse mei nhi dekha 4 saal. I will always cherish those H-5 tak ke walk after lectures and labs. Kaafi sorted bhi hai (Big Boss, Anime dekhna ka toh dekhne ka xD) Hardik ne hamesha tmhare hi lab reports/assignment bheje hai🙏. CIBIL walon ne kataya, mujhe bura laga tha, but phir better Bank mil gaya. PubG khelte raho aur kabhi kabhi mujhe bhi yaad karte raho.

Divyadarshee Das : Pranay bhai. Staring from first year we have been close by atleast if not together in every lab. You have helped me a lot in lab manuals. True ki lab mein karne nahi hota tha thats when you came as a savior with pubg. Even in this boredom of lockdown you came as a pro player helping me pass this time. Our cricket match in H5 was awesome hard to forget. You always keep a smile on your face, hardly anything bothers you and you laugh on everyone's pj. keep smiling and keep encouraging the poor jokers like me. I hope we keep meeting. Best of luck bro.

Amit Gangurde : Pranay sir!!! Aapse kaafi late interact karne laga, and usse bhi late pata chala ki tu bhi Eminem fan hai 😂. Yaar hamesha itna calm and composed kaise reh leta hai?🙏 H5 mein cricket khelke infi maza aaya bhai. And thanks for sharing the lab reports😊. Kaafi sahi banda hai tu. Keep smiling as always!
