Amit Gangurde : Kalra bhai...I still remember the first time you entered my room and uttered those golden words: "Is it allowed to change our clothes in front of our roomie?"😂 I will never forget how you sat outside your room and studied only ellipse for 2 days straight for the ED midsem 😂(aur ellipse aaya bhi nahi exam mein). I was very lucky to have you in the same wing in the 1st year. Bhai tere bina hostel life itna entertaining and lively nahi hota. When I'll reminisce about the hostel days, usme se aadha content toh tere se hi bhara hoga. And thanks for all the help during the placement days, Eco ke Emperor. Sameer hill chalte hai :P

Mangal Mannat Piyush : Watee secy jindabad. Seriously apna itsp kabhi pura nahi hua hota if it hadnt been you walking all the way to mangaldeep each and every day and also the "BTW" worked damn effectively. Pura sal tu chill marta ekdum lekin exam ate hi no one can match the concentration towards study that you suddenly from somewhere aquire. Idr udr sabke room me jake padta hai and sabki rg karke khud padai karta hai, iske liye hamesha jute khayega tu. Pure insti me i think hum dono gulli sabse jyada bar gaye hai. Cheers! I admire the "chill" with which you lead your life. Bilkul gand nahi fat ti teri kabhi bhi. Thankyou for being a close friend and helping these 2.5 years

Yagna Teja Reddy Velagala : Yo bro! Couldn't remember how we met but I still cannot understand how you are not able to speak Telugu after staying 8 years in Hyderabad. And yeah, please refrain from using those bad words in Telugu lol...kabhi na kabhi koi thappad maar dhega. I really am amused at how determined a person can be, to accomplish a set goal in his life. Never have I seen you get distracted when you are studying. I would definitely cherish the moments spent with you and I will definitely miss you broo <3 hugs

Pushan Bal : Kalra! I still remember the first time I ever met you. You came into my room and I swear, you could not have made a worse first impression. I have seen you grow from a simpleton, if I may say so, to a stone cold roaster. I hope you still remember all about ellipses :P. You were a constant in my ever changing life in insti. You have taught me to forgive unconditionally and helped me increase my tolerance levels because boy do I get mad early. I hope you achieve all that you desire. I am sure we will stay in touch. PS. For an adult version of this write-up and essentially your roast, check bhh.

Vedant Ladha : Kalra :) You always make me wonder how smart and dumb someone can be at once. How can the guy who spends 3 days on fucking ellipse also win the Blackstone challenge is beyond me 😂 You chilling at home because you thought the DSA endsem was in afti (when it was in the morning), was absolute gold. I don't know any other guy who is as willing as you are to look for dandruff in other people's scalps lol (Why? 😂) Doing placement prep with you was also great fun, having cheese fried maggi and coke at 3am every single day 😊 You have been a source of infi entertainment and it has been a pleasure knowing you.

Prathmesh Shelar : Kalra bhai.. .tu toh pyaar hai re♥.. A constant throughout the journey.. Thanks for handling me in all the situations (high and low 😊) Thanks for all the treats you gave 😊 aur itne paise ka kya karega aur jyada party diya kar.. Bhai last sem mai bhi 15 din pehle kaun magta hai re 😊😊 maggu sala.. BTW chal canteen chalte hai?? Aj tu pay kar kal mai karta:p (will miss going to H5/H2 daily♥)... Mujhe roz uthane ke liye kaafi mehnat lagi hogi Ik.. Baddy, Tennis, Squash, TT kaafi jyada miss karenge.. Its always fun when we roast you and tujhe koi comeback nahi milta 😊 Noobde, point 5 😊 Btw "appendicitis" yaad rahega humesha mujhe 😊 Thanks for everything boii.. And milne par teri ek treat hogi. 🙏 ... Baaki kaafi jyada memories hai♥.. Stay in touch always.. P.S.- 300 Rs de diye maine wapas mat puchna 😊 P.P.S- DSA pass nahi ho payega tu kabhi 😊😊 I won the bet 🙏

Siddharth Singh : Aree Kalra bhai! Insti ke best Tennis player :P Wo 318 wala incident to next level epic tha. Wo prof ke lab ke alums tak uss baat ko jaante hain xD Main to nahi gaya tha class ek hafte! Mess mein baithke kaafi bakchodi kaati tere, DVD, Shelar, Gangurde, Pushan aur Mannat ke saath. Bas dua karoonga tera aur DVD ka relationship saalon tak chale aur tumhari shaadi ka card mujhe mile! Insti/Mumbai aaye agle saal to mil lena!

Pranav Pable : Kalra bhau! Aap great ho. Har roz class ke bad ke discussions on politics ♥. Yaad he vo khubsurat din jab mudi ji ne NRC aur CAA lake apne discussions me jaan daal di. I miss those days. Aaj kal to har kisiko corona ki padi hai😞😞. Jald hi milenge! Tab tak UCC aa jayega!!!! All the best Kalra!! Aise hi machate raho!!

Page Srinivas : Bro, you are the most funniest person i have ever met in insti. The way you used to talk to friends and imitate others was just a source of fun. I still remember the way you and Dvd imitate Chiranjeevi and Kajal and dance on 'ammaadu lets do kummudu' song. One thing that i have learnt from you is being simple and leaving behind what background we are from. I hope we will meet again in future. Stay safe.

Kosuri Sandeep : Hii ra anna!!! Life wouldn't have been the same if we hadn't been room mates in our freshie year. You should be grateful to me because I didn't spread my discovery about your bizarre gestures having a close resemblance to Mr.Bean's. Or else your life would have been much more pathetic. Your libido had been a constant source of laughter to me and bhargav. How can an intellectual person like you can be so naive at times. Our discussions regarding world politics, sports, history, economics had been so insightful. Your dedication and concentration during the exams is truly inspiring. I will never forget the kind of hospitality we received from your parents. You will surely be missed, Kalra!!

Rushabh Vora : Kalra!! Tere jitna paagal, stupid, dumb, and at the same time smart and intelligent insaan mene aaj tak apni life me nhi dekha and I don't think ki age dekhunga😂😂. Teri weird stories likhna start kardtu to ek hi story me word limit khatam ho jayegi 🤔🤔. I hope ki me bhi teri tarah saari gaaliyaan ignore and accept kar pata and khudko gaali dene me to teri PhD hai😂, apni mom ko to tune kitni hi baar I hope ki tera DVD ke saath kabhi breakup na ho😂, RR and RG thoda kam karde and slides etc phone pe kaun padta hai bhai?!😂 Aise hi always keep smiling and keep entertaining us and be this cartoon that you are 😂😂 P.S.- Itna rahiz hai ab to wo tatti chapal and baniyaan wala outfit chod de 😂😂

Page Sridhar Babu : Hey rich nibba, i can never forget the incident where you refused to give the password of ED lab because it was same as your LDAP password. You really are a dumb but smart and intelligent person at the same time. Thanks for making me the person i am today. I wish i had met you earlier. Your presence really made our wing far more lively. The things i like most about you is your ambitious, hard working and gregarious nature. You and DVD imitating "Ammadu lets do kummudu " dance step is just the best. I would love to see it again and again. Brooo, don't be too hard on yourself and all the best for your future endeavors.

Aniket Ranade : Bhai apan mile to the Pushkar ke through hi sayyad, voh Dominos ka pizza jyada yaad aata mujhe. Baddy to bhai maja aata tha khelke be tere saath, shaanti se leta tha be tu log ki. Tere itne enthu vala banda nahi mila re mujhe abhi bhi. Tennis bhi khelne laga tha baad mai. Thanks for the help bhai! Touch mai to jarur rehenge re, yaad karna bas mai hajir!

Hardik Murarka : kalra bhaiyaaa.....I really wish ki apni bonding thode aur phele hui hoti aur majje kar paate. Saala iss corona nah apne ko baddy bhi aur nahi khelne diya yaar. Aur life mein koi padeshan kare toh uske yaha income tax raid nah kara dena XD. You are really an awesome ,easy going person whose company is a treat to have. All the best man !!

Prathamesh Patil : Arey Kalra. Insti me sab se pehli GPL maine teri li thi aur tujhe bhi yaad hogi wo. Tum logo ke sath reh ke bakchodi kaatne me maza aata tha be. Sab ek dusre ko roast kar rahe hai aur beech me mai maze le rha hota tha. Pata hi nahi chala kab 4 saal beet gaye. Bahut bindast laga be tu mereko, Tere bolne ka style mai imitate karne ka try karta hu but nahi ho pata. Wo 318 ka incident repeat karwana hai mujhe tere accent me. Anyways, aap ko blackstone jeetne waale bade log, bas hame bhul mat jana aur touch me rehana

Walking back together in the rains, heartbroken after a tough day was priceless! Thanks for being so supportive & instilling immense confidence in me time & again. Remember the priceless 'graffiti' in your room & ourselves staring at it? xD Lawn tennis with you was so much fun (I wish I'd have done that often) Minor has been a different adventure - from 'Hassle Free Marriages', Kalro's assignment :'(, Tata Nano presentation(s) to Nageswara Rao's course! You'll go a long way in life & bhul mat jaana! Yours, Baba <3

Divyadarshee Das : kalra!! you have changed a lot too. you started off as a self conscious guy with low confidence who even had doubt about changing clothes in one's own room. from dawood jokes to jokes where you are ready to even degrade yourself and successfully put a smile on our faces, i think you are one of the most humble guy who keeps his friends welfare as his foremost priority. i think we should all learn. besides that, your recent gossip habit with me and bagadia was enjoyable. our relationship will live forever dont worry i wont betray you. jokes apart be the kind of person you are, you will achieve great heights

Yaad hai Fiitjee mai tu kitna disappointed tha ki ek din tujhe subway khana pada. Subha se leke lunch time tak pareshan tha tu. Aur ab H3 ka khana bhar bhar ke pelta hai smh. I love your easy-going attitude bhai, take care and stay in touch!

Sanit Gupta : Kalra, khuda hafiz mere bhai. Freshie year ki woh outings were so much fun.
