Kirtesh Ajay Gadiya : I am very sad that you didn't set up me. That evening with suha was worth remembering. Remember Ameya coming to Insti!? All the best my loyal gravitian! Have a fun time!

Sumanth Kandala : 11th class se jaanta hun yaar tujhe, jo bhi help chahiye ho, I know that tu rahega saath mein help karne! Jab main bhooka mar raha hota hun and saare night canteens bhi band ho jaati hai, tab bas tera "room canteen" bacha leta hai mujhe! Hume toh waapas milna hai padhega, chahe pandemic ho ya kuch aur. Jab bhi mile, you know that the first thing I'll do is to ruin your YouTube recommendations :P. Hamesha aise hi PJs pe haste rehna!

Rohan Garg : Dude teri wajah se intern time kaafi interesting raha, tune and maine milke sabko gamer bana diya group mein :p Also, second to you!? you wish xD aajana apex mein, pata chal jayega. we should definitely play again though, ab to insem pressure bhi nhi hai. Competing with you in AC Origins was one of the reasons mujhe itna maza aaya us game mein. Stay cool bro! PS: I was quick in thinking in front of your parents, and main so gaya, nahi to kaand ho jata

Kartavya Singh : Yo Harsh Ta..... yaar Sumanth ke saath rehte rehte tereko aise hi bulane ki aadat ho gayi he... Cant even forget all the time we sent together in the 1st year...random XLR8 etc etc, tere wing ki random bakchodi and so much more stuff... wish we go through it all again. Anyways aage bhi aise hi random bakchodi karte rehna and baaki toh I know that we will stay in touch...

Debanjan Mondal : Yo Harsh, you are the most sincere guy I have ever met. We met during our internship at Ubisoft. I still fondly remember your first drunk night 😊. Your dedication towards projects are unprecedented. Once you submitted an assignment at 5 am morning when I was sound asleep. Stay the nice and sincere person you have always been ♥

Shreyas Pimpalgaonkar : south park is god, thank you for introducing me to such a gem of a series. had the most fun with you in Ubi, and definitely going to come to Japan to meet you!! Stay happy and smiling as always!

Sahil Saiyad : 3rd year intern was a disaster but you and piyush made that time much more bearable for me. Before that I am glad we teamed up for compilers and got through that godforsaken course. I had so much fun surfing through subreddit simulator so thanks for introducing me to that unique kind of trash. Destroying you at fifa was really fun.
