**Mudita Rana :** Pishaaa. From the first year girl w so much attitude 😬😬 to the person that you are today, so much has changed. Late night bnb cravings, "one last Pringles box pls", my roomie locked me, room's on fire 🤡🤡🤡 we've had our share of laughter and tears. Thanks for playing songs on the highest volume eva and waking me up even when I lived 9 kms away from ur room 🥺 Waiting for the time when I can hog pizzas with you next ❤️❤️❤️

**Ayush Dubey :** Hey Risha! Yeah our interaction was quite shortlived 😞. But it was great especially since it was highlighted by awesome food. The only time I have studied in LCH at night! Hopefully we continue to meet in the near future too! 🤡

**Saloni Deodhar :** Hi Rishabh, we've come a long way from almost failing DIC in freshie year to epic-ly not failing BB610 in final year xD I know in 20 years jab tu koi bade company mein kaam kar rahi hogi, tab tu uske baare mein bhi royegi :P I'm gonna miss not going to lectures together 😞 our coffee fuelled last minute exam preparation, meeting in the mess after staying up all night and all the plans that never happened :( (LPQ, SUNNY🤡, tera placement treat :P) I hope to god that graduation ho and we can have one last party before life takes over 😞 i wish you a happy and successful corporate life, take me on one of your consult trips pleez :P, ok peace out

**Samruddhi Dodal :** Rishaaa! It has been fun knowing you :D Learnt a lot from you, and your stories were always entertaining and inspiring at the same time. You're one of the most beautiful souls I've met, stay that way :) (Bas random times pe sona band karde :P) I know you'll kill it wherever you go! Yaad rakhna bass <3

**Pujan Biswas :** Hello Mandir Mate. I wish we could have the final goodbyes properly. Sophie year was real fun with you dude. I hope the police don't have our names on the list still XD Don't forget the time when we were discussing the then most important thing (:P) from 11 to 4. I vividly remember the last handing over and how we danced the heart out. Please trust yourself more than you do and all the best for your perfect Punjabi AK groom :P Yours, Bisso

**Rishika Gupta :** Hi neighbour! These 4 years wouldn't have been so much fun without you. You are the girl who live on the extremes. Discussing dieting plans to all the TT/running plans and not ending up following any of those 😂 Seeing you clean your room monthly was very encouraging at times. 😊 Ab consultant banke body clock theek kar lena thoda. 😊 And the pancakes treat is still due. Next time pakka. 😂

**Tanya Mamgain :** Rishaa ! Wish we had more dinner dates together ! And more gym sessions too (although that was unlikely XD) ! It's fun hanging out with you ! Keep dancing and keep painting too ! Stay in touch :)

**Sahil Pahal :** The only person in IITB who comes close to my lab game. I am forever grateful to you Risha, tu naa hoti toh shaayad civil ke bachchon ko DX lagti bohot. Our knight in shining armour. I hope you get to go on many more dinners with aayushmaan khurana and anything else you desire. GL mate

**Nutan Megu :** hey Risha you are the first person to write on my yearbook and yes everytime i see a noah centineo movie i will think of u too.. jada bhi nai kr pae hangout but i definitely have this chemistry with you. n yes lets meet please

**Nautatava Navlakha :** Oho, where to start and where to end. My 1st year crush to no-fucks-given to one of the best friends, this bond grew up. 1st year me (not-so-heard) Tut reps, then constant lab partners, it would never be so much fun without you♥. Kaafi kuch hua inn 4 years me, but the total restaurants I've been with has nowhere been near to with any other person. The sizzlers in BBC to the the super sick food in LPQ, the cheese balls in Jugheads, the frozen yoghurt in MyFroyoLand and the numerous place we've been together have always been amazing. Writing senti posts for endings has always been my shortcomings but hey, this isn't the end! We're definitely meeting and finishing whole of Mumbai next we meet! 🥰

**Sanket Agrawal :** Heyy! I have never met a person who can talk as much as you can (saying this as a compliment). I love all the energy you gather and put every emotion into your words when we talk. Your paintings are really awesome, keep up the good work. Thanks for helping me in all the prep and your tips were really helpful. You are really a very smart person, just have more confidence in yourself and lose that tinge of laziness which makes you give up. Now that we are colleagues, we will be able to spend a lot more time together and make some great memories. PS: Ayushman has really got a great fan :')

**Divyanshu Solanki :** ShARE had been such an amazing time with you. And the interviews ! XD XD And oh the midnight food cravings you have XD and the lame jokes It was fun knowing you. Bohot saari treats pending hai teri, don't forget :P

**Parmar Dhairya Dinesh :** Risha! you're a fun person to hangout with, those labs and practical would've been very boring without you, TAs se argument karna koi tujhse seekhe. Soba night jaise aur trips hone chahiye the. Stay in touch!

**Gali Meghana :** Hello Rishabh. I don't really remember how we started talking but thankgod we did. There was just some sort of ease and connection when we started talking, from memes to being scared of dying a loner to giving me a heads up about you-know-who, to ALL those failed plans to workout. When all this gets done, I'll take you out on a date like i'd promised in march (but life started being mean -.- ) You need to give more credits to yourself, I know you'll slay it in life :) Lots of love, Meghana

**Radhika Tibrewala :** hello junior! Right from the coordie year to now finally graduating together, I have seen you grow so much. You've become a stronger individual and i absolutely admire you for it! You have so so much potential in you, hopefully you'll trust yourself more and progress so much cz you truly truly deserve the best. I'm glad i was able to help you and i'm sorry for the times i haven't been there. I assure you that you can hit me up anytime you need someone to talk to. I'll be there. Lots of love

**Prakhar Jain :** Yo Risha. I had so much fun listening to you talk about so much in so little time at the movie :P. You are a wonderfully weird and smart as hell with incredible potential. Best of luck for your future.

**Pranav Sankhe :** Hi Rishta xD It's always super fun to talk to you. It's amazing that we met during the road painting for the first time and quickly became close. I perhaps haven't told you this but I am able to relate to the stories you tell and the experiences you share with me. It always a pleasure to hear from you and I particularly remember the first time we went out to Marine Drive. So peaceful and soulful! Vaise, I am borderline sad that you started preferring Burger King over McD. And yes, I will make a point to restart sending super cool puns! And certainly, you should visit Tokyo sometime. You will be very welcomed! You're super smart and you draw wonderful sketches; I am proud of you!

I still remember all our cases really!! all those sessions were so much fun! especially that partner getting late to office wala question, infi judge kr lia hoga tune :p anyway! We've been in touch since 1st year i guess, but yeah, things like going for the MTV unplugged gig! bike rides (with the one in which breaks he nhi lagte they xD), bitching, KG discussions :p they were so lit yr! I miss those, I miss you :/ Avengers dekhne fir kab ja rhey ? Tu bohot achi ha yr :) I'm so glad to have someone like you- you're real at the face of things, you're honest, you're kind! And you genuinely care about people around you <3 love u

**Anmol Gupta :** Hi Rish(abh) :P Sorry for being so direct in the coordie interviews (Do you think you're addicted to Facebook? lmao) but the tenure was so much fun, hugely in part because of you :) I've seen you grow so much in your insti life and I'm immensely proud of you! You've taken a lot of fallouts very bravely. I felt truly honoured when I saw how much senti you had in the 3rd year interviews :) Wouldn't point to all those unique aspects of yours (8494009 etc) because they're common knowledge I guess :P But, I see a very, very strong person in you, and I'm sure we'll stay in touch for long <3 Oh, and being an influencer isn't that bad :P

**Ashi Gupta :** Hi Risha, in last 2 semester, being next door to you, I developed immense respect for you♥. Crying all time for placement, watching friends infinite times and then boom cracking day 1, you are very intelligent🧠. I'll always remember saath me chalte h mess, Random movie plan of pink, Gullu breakfast and of course to wake you up😂

**Mukul Jangid :** Dear Pishaa, I hope you remember ke tumse H1 ke saamne milne ke liye mujhe jaan ki dhamki di gyi thi 😊. First time dance orientation ki practice pe mile the shyd and tabse apne saare planned dance sessions due hi pade hai. Agar apna FRIENDS wala same building me rehne ka plan execute hota hai toh ek session toh jarur karenge ❤️. Game over was fun and I'm so happy that we did that before saying goodbye to insti. Lastly, the games we played after freshie year endsems will be dearly missed. Abhi bohot hangouts karne hai saath mein so milte hai in some time 🙌 🙌. (P.S. I hope cases karte time tune jyada judge nahi kiya hoga mujhe 🤔)

**R Sucheta :** Rishooo, Risha Pisha, Rishabh and all the other cute nicks I've given ;P I still remember those freshie days jab ham almost har din BnB ya canteen me milte the, foodies for life <3 4am pizza cravings wali bandi, gym and workout katane wali bandi, phone nahi uthane wali bandi, crazy filters daalne wali bandi, bhooki bandi... But also, hamesha khayaal rakhti hai meri, comes to the terrace when I am all alone and gives me the strength to stand up again. You were there for me a 171691769 times (continuing your random number legacy :P), a simple post would never be enough for that. <3 I wanna write so much more, but limit exceed ho rhi hai. Pls, lets re-watch Sherlock with the get-out gang :P

**Aditi Mahajan :** Hello Risha. I always enjoyed making all the healthy lifestyle never happening plans with you 😊 Towards the end of this semester, I don't know what got us but we kinda finally started following those plans and it was so much fun. I will miss my green tea partner. We will keep meeting and making those plans okay? Love you 💛

**Devyani Verma :** Hello Risha, first time I felt I got close to a junior was with you, despite being so late (because I was always so awkward around your batch for no rational reason lol) I absolutely love your enthusiasm in everything (laughs in ayushmaan's existence) I think you are vvvv cute and you deserve more than you give yourself credit for (talking about you-know-who) Talk about being modest in terms of talent, yeah? What beautiful paintings you make! You are, my friend, a great artist and tbh I secretly want to see you succeeding with that start up plan with your twin because corporate is just eh :p Thanks for recommending LPQ ki spinach ravioli and all the best for everything in life :')

**Mookund Sureka :** Keep Slaying (khud ko nahi but) and yes last sem was damn fun with you guys. Happy we could keep that in this sem too and all the best for your future [basically ummed karta hu jaldi acha phone mil jae tujhe and wo 2 saal toote na]

**Aayushi Baheti :** Rishaaa! First year was sooo much fun with you and Mudita. Thanks for introducing me to FRIENDS and always accompanying me to Rcity. Phoebe ka bhai and Phoebe ke bhai ka dost 😂 "I don't like anything in your shop" to trying different accessories in Lifestyle, thankfully Rcity walo ne humme nikaala nahi. A lot has changed now, but as I always say, you are extremely talented and smart. Stop being lazy bas 😂 Aadha time toh tujhe uthaane mein lag jaata h. Let's go to Rcity and 5Spice and Belgian waffles soon! ♥

**Avani Mangal :** Areeeee Risha :) I will never forget freshie year pizzas with you and our first ever deep talks we had in C-302 H-15 XD You are really good at heart and I love listening to you when u sing <3 Keep singing always and be in touch :) bas thoda alas kam kiya kar aur khud ko itna jaldi underestimate na kiya kar..I bet you'll go a long way <3

**Jovina Vaswani :** Risha. There is a lot we have been through. Sometimes, I felt we won't last, but somehow we always found a way to be together, and care for each other. Even if in a rare scenario, you forget everything about me, please remember just this thing- You are an intelligent, brave and an empathetic girl. From healing your own scars to changing this world, you can do anything. Never ever doubt your genius and abilities, and stay ambitious. I have always felt that you have a ton of potential and you also have a heart which does great things. And with that beautiful combination, you will slay baby. We have opened up a lot to each other in the past four years, I would want that to continue. Good luck.

**Rohan Potdar :** Sunny palka challenge, dono Mumbai mein hi hai 😊. I remember the first time I met you, your constant bakbak, your lousy attempt at smoking (pls don't, not cuz it's unhealthy but cuz u can't xD) and the placement prep obviously. Rona band karde pls. You don't need me to tell you that you're smart and I wish you all the best for the future! (I'll never forget, smart work>hard work 😊). IE courses mein khup nai gaya tha, the kya help karte lol. I'll keep in touch definitely (check WhatsApp, it's a relief). Also, please stop making last minute plans and blame me for kataoing.

**Puneet Kaur :** Heyy! I think you're the one who started the "157382" likhne ka tradition and look four years later, kitne log use karte hai xD xD Green tea ki motivation de kar "pizza khaane chalna hai brooo?" vala message yaad rahega 😂😂 You're a very hardworking person - placements machaya be tune 😊 sleep cycle ke liye same pinch xD Really love your drawings ♥ and I enjoyed being your wingie in the last year! Wish you all the very best for your future 😊 stay in touch!

I really admire how you always come out strongly through bad situations, though with loads of ranting involved XD You remember 'sed or ded' series? :P You made my UGAC, gyra and gw days awesome! I still tell your Ayushmann story to all my friends, relatives, acquaintances, etc and brag about it, lol! Keep in touch and good luck bro 😊😂

Hope you remain the same cheerful, talkative, health conscious person. Best of luck in life!

Firstly, I'm really sorry SoBo 2.0 kabhi nahi ho paya :P Although tum zyada mehnat karti nahi ho while practicing (refrence - Malhar :P) but you're a naturally good dancer and always a treat to watch <3 It was always fun being around you, right from when you put 28288383 packets of oregano on your pizza (pizza hi5!) during late night midsem mugging breaks to the late night walk with devyani and you (which reminds me to tell you that you're a fab singer <3). May you have a wonderful life ahead <3. Stay happy and stay blessed!

**Sigireddi Yamuna Devi :** Yaar, tere sath h1 canteen jaane bina hi sem khatam hogya :( I'm sorry I was unable to keep up with all your midnight cravings :P. Wish you all the succes in life. Haste rehna <3

**Rucha Pasalkar :** Risha madam! Being with you is sooo damn exhausting! Itna enthu! Hamesha!? Upar se saath mein itne log mil jate hain tujhe, main thak jati hu! XD Padhai tere sath karne mein maja aata tha mujhe kafi, but risky bhi tha, kyun ki tu tohast 2 ghante mein hi padhti hain, itna jaldi main kaise padhti XD Tere enthu ki wajah se atleast ek night out ho paya mera Marine drive pe. Rone ko aadat aap nahi chhodogi, yeh pata hain. Par ro lar macha toh le hi legi yeh confidence hain mujhe. Teri infinite changing Punjabi crush jab ek pe tik jaye, tab bulana bridesmaid banne XD Lots of love Richaaaa
