Puneet Kaur : If there is a set of people I've constantly spammed, with the tiniest of details of every single thing, then you've always managed to be on the top of that list ♥ And it only makes sense for this to be my first YB post 😊 Whenever I'll look back at insti, I'll be thankful to have met you, in the most unexpected way. H1 canteen, kresit, gullu, laxmi, J's, marine drive, hiranandani, matunga, bhandup, Starbucks (😁), r city and so much more - it won't have been the same without you. Bangalore and Sanasar were ♥♥♥ "HN chalna hai?" "Chal" xD Forever lukkha and fooood (friessssss 🥰♥) partner 🤔😂 "Aaj kuch naya try karte hai pakka khaungi" and 30 minutes later, you still let me drag you to eat the same paneer or pizza countless number of times 🤔😂🤔 Pani puriiiii outside the main gate after classes used to be such a happyyy time ♥ I won't have enjoyed the wind rushing into my face at 5 am in a local if you hadn't helped me get over my fear 😊 The long late night/early morning walks with the perfect playlist (obviously spoiled by both of us singing to the best of our abilities xD) will be dearly missed as will the cricket and football matches we watched or the chess, baddy, ludo and poker we played. You've been my constant support system throughout these years, Siddham ♥. Thank you for keeping me sane during the hardest of times. You're my go-to person and I plan to keep it that way ♥

Harshita Khurana : Siddham!! Thank you for being a part of my BS family at IITB. I will miss the placement discussion with you, how we used to get scolded together by every other teacher for chitchatting in the class, the walk from LHC to H11 (and all the gossip in between), tumhari proxy lagana, pizza pizza see besharmo ki tarah uth ke aa jana and ofcourse, your stupendofantabulously fantastical MAGGI (lonavala trip). Have a happy life ahead and yes, needless to say, stay in touch!!

Mudita Rana : Hi Siddham!! 1st year se dosti hai yaar apni toh. Aur fir aap last year se humare wingie bhi ban chuke the xD bohot maze kiye hai saath me in MAC, and making fun of puneet together everywhere 🤔😂 I know you'd get all the food for her but I hope you know aadha Mai khaati thi 😊 Tere patience ki kitni tareef karu yaar, puneet ko jhela hai tune 🤔😂😂 saath kiye hue ENT courses and BT humesha yaad rahegi. Aur, cycle Wala startup kab karrahe hum? 🤔😂😂 Stay in touch ♥👉

Abhirup Majumdar : Tu ek scenario imagine kar: tu raaste pe chal raha hai, achanak baarish suru ho gayi. Lekin tujhe bheegne ka darr nahi hai, coz tere paas chhatra hai. Tujhe pata hai woh tere kahan pe daala hua hai, udhar hi mat khol dena. Tere saath pehli baar sahi se interact kiya tha woh daman wale trip me jaake. Tere liye Jain restaurant dhunde the, phir pata chala ki chicken bhi kha leta hai tu. Kya pela tha call bridge me tujhe. Aur bhi kitne maze kiye dusre trips pe, kalsubai, goa, lonavala...yaar tu aur bhaskar daaru peene ka sabse best partners hai, mast feel laate ho tumlog. Sunny chalte hai aur ekbar. Bohot simple sa, funny banda hai tu, aise hi rehna humesha. Maggi thik bana leta hai tu.

Anurag Chaudhari : Hello wingie! Yaar abhi ex daalne me bahut pain ho rha h. Kaafi funny aadmi h tu 😊. Mast apni hi zone me rehta h. Koi tujhse baat kr raha ho to tu uski kaafi baate casually ignore kr deta h. lol. Life me koi chij bachi h kya jisme tune nhi machaya ho? Job, intern, social life sab me to macha rakha tune. Apan me thodi baar zhagde bhi hue. But in the end you were always there to help me out in any situation. Tere saath ke trips, eat outs, sports (especially wo tere end end waale crazy footer goals), sab yaad rahenge. Machate rehna life me! And never forget this crazy wingie of yours. 😊 Also once again sorry for ruining your shoes 😊.

Aayushi Baheti : Siddham! I cannot imagine first year without you guys. No matter hum kaha se kaha aa gaye, lekin I would not want it to change. It was super fun. Pata nahi tu puneet ko kaise jhelta h 😂😂 Respect! I really admire the way you have made this bond stronger and stronger. Thanks for all the help during placements. I hope hum milte rahenge. Bhulna mat and shaadi mein zarur bulaana ♥

Priyanka Lakku : Hiiii Siddhaam♥♥♥ Thanks to the Bangalore trip which made us very good friends and you should thank me too for which it led to meeting my amazing roomie 😊 But kya sahi banda hai yaar tu. We've had so much fun together, so much chidana, so many secrets and ek dusre ko gyaan dena bhi. Poker was ♥♥. Will miss all of these. Tu bas thoda lazy hai 😊 (just like me). You are full of potential just keep believing in yourself and you will rock. Stay in touch. Wishing you lots of love and luck ♥♥♥♥

Animesh Singh : My badminton buddy ... bhai I missed you whenever I stepped on the court. Though the senior years were a little hactic with different schedules you were always ready for a game. And your backhand is amazing. Bhai tere jitna chill aur modest banda shayad hi koi hoga. All the best bhai ... :)

Sayali Kshirsagar : Hii Siddham! (remember the weird nickname?😂) I can't even imagine my first year without you guys. It was so sooo much fun. We became very good friends in a very short span of time. You are very good at heart, helpful and friendly. So cool, chill, smart and optimistic. You are good at motivating others😁Apne discussions on cpi and marks yaad hai?😁 All the study sessions in h15 mess, playing games, BLR trip, b'day treats, outings, teasing each other, poker♥ I will always be very grateful to you and Puneet for helping me in my toughest times. You make people comfortable very easily. Hame bhi sikhao. Hamesha ki tarah machate rehna life me. I am sure you'll have a bright future ahead😁

Aditi Mahajan : Hello jijsssss. I will always hate you for calling me the "second best saali" ugh. In all these years, we got very comfortable and I kept saving your ass from the boss mom right?(😂) I find you kaafi cool, calm and chill. Keep making yummy maggie for us😁. Stay in touch buddy. Loads of Love♥

Rishika Gupta : Yo Sid! MAC was such am amazing time we spent together ♥ and no matter how much you deny the fact my Maggie was better😁 Sorry for always untimely barging into Puneet's room and disturbing you guys and asking for dress suggestions. 🙏 Your high standard for movies and how you hated Malang 😂 Those random placement talks in the corridor and my first poker game. I'll cherish all these memories. I have never seen more adjusting and understanding guy like you in insti and I really respect you a lot for it. Stay the same and wish you all the luck in the future 😁

Mukul Jangid : Are mere phodo ke raja, I'm glad ke tu bhaskar ka roomie bana aur mujhe mila. Woh 910 ki saari bakar ke bina mera first year kabhi utna amazing nahi nikalta. Right from prem ratan dhan paayo se ultiyaan saaf karne tak aur woh badminton khelna and ed sessions 😊 sab mast tha. Aaj bhi jab mummy bhindi bnati hai toh puchti hai tera bhilwaara waala dost kaisa hai. Saale kitna jyada ameer hai tu (nike ke brand ambassador) and faaltu ka knowledge bhi bohot pelta hai. Tere saath mere arguments kabhi khatam nahi hote the 😊. I wish ke apn aur movies aur TT sessions kar paate before saying bye. But no worries stay in touch ❤️

Vijay Ramchandani : Siddham bhai kya likhenge aur kaise likhenge. Abhi bhi time hai dual convert kara le saath me niklenge XD Bhai 2:30 AM ko kaun ek dusre ko tang karega ki jaa yaar niche canteen se parcel le aa. Bottle me paani bhar aa. Itna tang kara hai ek dusre ko humne. Apne last sem sessions, bade drop karne wale plans, sab thodi der ke liye tham gaye hai but cancel nahi hue hai. Ho toh tum bombay me hi. Accha hua ek tareeke se ki sab alag alag hi chale gaye. Apan rote hue sundar nahi lagte bilkul. Humne itne saalo me bohot zyada baat nahi kiya but is dosti ko kabhi zyada shabdo ki zarurat nahi thi. Bas mutual trust aur pyar <3 Aate raho insti tumhari hi hai <3 <3

Bhavya Garg : got to know u on our way back to Bangalore airport. Tab baat karke pata chala u are quite selfless & straightforward. Wo baat alag hai usse pehle bday pe u had to come because of Abhijit 😊 I later got to know u had arranged the campus hub treat that day from ur wing's end 😊 Music and cards are ur happy place. Honestly mujhe khudse jyada tera GS hote dekhna tha and I got really upset that day. I know what all u had put in for that. It was just bad luck. Tu ne push nahi kiya hota to idk mere placement prep ka kya hota. I owe you a treat 😊 Wish u all the good luck there is!

Vinayak Gupta : Yo bro! first year was the only time jb apan same hostel main the to at least us time kaafi interaction hua. Mini militia khelte the yr kaafi fun tha. Baaki bady main to alag level pro hai yr tu, tere saath epic maza ata tha bady main, agar next time milte hai to definitely khelenge bady.

Himanshu Bohra : Sukda hua aadmi. bahut karname kiye hai tumne, yaad kar 15 Mai kaise bhand aa kar ultiyan karta tha tu. Apni Bayern aur Madrid ki rivalry bahut lambi chalni waali hai. bhakchodi karte rehna. Kabhi same city Mai ho to jarur milna. PS maine apni pehli daaru tere room pe hi pee thi ♥

Nithin Kumar : Siddham bro 🍷 The way we've pulled through our courses is pretty damn legendary, still dunno how we got away with everything..💙👏 Always up for ice creams man, wapas chalte hai 🌈 All the best for your hustles head, Cheers!😄

Viraj Singh Parihar : 910 ki yaad dila di be tune. Wo tera bhand chehra, but Puneet se milte hi bolta hai maine daaru chhod di XD. Toppr Office mai snacks aur TT jyada khela hai apan ne. TT ki bet haarne ke paise ?XD. Wo din kya tha, mai mukul aur tum teeno. Bucket barabar vomit kiya tha tu :P. Milte rehna bhai bombay mai <3

Kaustubh Harit : Main nahi hota toh tu kuch nahi tha lab mein. I always enjoyed the bickering in physical laboratory. Tu sahi jaa raha hai. Bahut saara pyaar tujhe!!!

Amarjeet Kumar : Yo bro i remember ki hum pehle mechanical workshop me mile the and 1st year Dj night bhi yaad hai mujhe, aur Daman ki ghost story se lekar Goa ki sath ki trip kafi maja aaya bhai. Machate rehna life me all the best 🙌
