Arpit Kedia : Ab kya hi likhu. Teko nahi pata tu ne kitna impact kiya hai mere life pe. Har 15 minute tere room pe aajata tha. Khudki tension kabhi nahi bolta, hasta rehta hai. Bahut choti baaton pe jhagda hai, par sabse zyada rona bhi tu ne hi suna hai. Kitna bhi stud ban ne ki try kare tu, hai bilkul softy. MM, PUBG aur cards toh unforgettable hai, sabse zyada maze aaya hai. Har choti badi cheez yaad rahegi, courses, pizza, Siliguri, discussions, cricket debates, GRE prep, mess jaane ke pehle kapde change, sab kuch. Tere se bahut seekha hai, gussa kaise control karna, complain nahi karna, bahut. Teko itna success milega sab dekhte reh jaayege. Insti adhura hota tere bina. Milte hai. All the best! <3

Animesh Singh : The most confident personality without any logic to back it up. Bhai tera confidence cards game mein next level hai. Tere wajah se hi humlog fired up hote the ki aaj toh kuc bolega ye. First year mein toh muh khul jaye toh aisa lagta tha aaj kahan aagaye aur final year tak aate aate laga ki kab muh band ho iska. Mehnat karte rehna. Ab army mein khud se hi darwaza kholna hoga xD. Aur zyada ladkiyon ko apne jaal mein mat fasana, unhe pehle hi bol dena ki line mein lage. Aise hi confidence maintain rahe tera. All the best aur siliguri jana mat bhulna :P

Aman Singhal : Bahubali! Tumhare room pe jo poore summers cards khele hain wo humesha yaad rahenge. Tujhe milke harane me bohot maza aata tha. Killer Baap, mera equivalent in MM bas last me tu accha khelne lag gaya tha. Apni CTF victories bhi humesha yaad rahegi. Aage bhi machate rehna. All the best!!

Anurag Bhaskar : Brooooo! First year would not have been same without you! MI mei kitne maje kiye! One of friendliest and kindest person I know! Army mei country ko serve karke aana. Bhulna mat aage

Naveen Kumar Yalal : Me: Bhaiyya ek kilo inccence dena! |Him: Mahendra chalega? |Me: Naya brand hai? Dikh to sahi rha hai, andar bahut lafta hai lagta hai. |Tu shararati hai, gande jokes maarta hai, pickup lines seekhra hai, dance moves toh out of the world wale karta hai. Tu nahi hota toh 2 mahine ki intern mein maza nahi aata bhai, driving seekhne kis ke saath jaata mein. Badiya baat yeh hai ki tereme ghamand nahi hai aur tu pyaara insaaan hai yr, aise hi rehna aur thoda chinta kam kiya kar. Jab bhi kuch bhi ho call karlena, tera bhai hai tere saath.

Ahsan Aslam : Oh Mahivee..my attitude towards you is just a reflection of your personality(which I try to do).Even after turning down all of your persistent requests to play frisbee,you come the next day doing the same thing all over.I think you are the one who cares more about others.Your 'Yo ahsan' and that 1000W smile is enough to light up my mood.Your smile is a perfect example of Duchenne smile.I am still sorry for that essay which I still don't know where it went wrong,and for not seeing you after that surgery in first year.You don't dance,you vibe to the music,which is a sight to behold.Looking forward to do that on your marriage after you become an army officer,both of which I pray to happen soon.

Praveen Saran : Mahendra bhai! ekdum cool aadmi hai tu! Tujhse baat krke hmesha stress kam hota tha and life ka ek new perspective milta tha. Apne Rajasthan ke bare mai hone wale late night conversations hmesha yaad rhenge. Jldi se defense services join krle ab. Bhulna mt kbhi xD

Yash Lakade : That's the way, Mahi way😄 Roz teko yeh bolna bohot miss kar rha mai. Bahut hi simple aur innocent banda hai tu, kabhi chillayega nhi, kisi se jhagdega nhi (except Arpit 😊) Apne saare game sessions were lit, too many memories. Ab Jaldi jaldi bindani dhundo (I know tumhare bas bohot offers hai) and shaadi pe bulao hume. Kabhi kuch bhi help chahiye toh btana, tere liye sanjeevni booti ka pahad bhi le aaunga, since you said I'm Hanuman 😊 Milte rahenge♥

Being the worst players in mini-militia. Mai voh sophie intro wala din nahi bhul sakta, senior kitna udaye the tera 🤔 Phir final year winter me placement aur Gate ki tayari. Tu bohot baar mere saath tha, as an understanding friend and neighbor. Thanks for everything. Stay in touch, jald hi milenge!
